Focus on Grammar 4, Student Book

Innovative Language Learning

Recent SLA research recognizes the necessity of attention to grammar and demonstrates that form-focused instruction is especially effective when it is incorporated into a meaningful communicative context. Designed specifically for second-language teachers, this text identifies and

explores the various options for integrating a focus on grammar and a focus on communication in classroom contexts and offers concrete examples of teaching activities for each option. Each chapter includes a description of the option, its theoretical and empirical background, examples of activities illustrating in a non-technical manner how it can be implemented in the classroom, questions for reflection, and a list of useful resources that teachers can consult for further information.

Focus on Grammar 3 Allyn & Bacon

An Introduction to Rhetorical Communication offers a true integration of rhetorical theory and social science approaches to public communication. This highly successful text guides students through message planning and presentation in an easy step-by-step process. An Introduction to Rhetorical Communication provides students with a solid grounding in the rhetorical tradition and the basis for developing effective messages.

Pearson Education ESL

Jason wakes up in a mysterious world of magic and monsters. It's not easy making the career jump from office-supplies-store middle manager to heroic interdimensional adventurer. At least, Jason tries to be heroic, but it's hard to be good when all your powers are

evil. He'll face off against cannibals, cultists, wizards, monsters...and that's just on the first day. He's going to need courage, he's going to need wit, and he's going to need some magic powers of his own. But first, he's going to need pants. After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, *He Who Fights with Monsters* is now available on Kindle. It's perfect for fans of *Pirate Aba*, *Dakota Krout*, and *Luke Chmilenko*.

Understanding by Design Allyn & Bacon
The syllabus combines a solid foundation in essential vocabulary and basic grammar with the life skills students need to function competently outside the classroom. The course progresses more slowly than most beginning series

and is accessible to students with limited literacy skills. Each unit of the Student Book includes: Conversations (natural-sounding dialogues which introduce language points); Listening Plus; Paperwork (document literacy); Reading and Writing; Interactions (information gap activities); and Progress Checks. The series is designed for multilevel classes. Lively illustrations present and clarify new vocabulary and concepts.

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Allyn & Bacon

Introducing Functional Grammar, third edition, provides a user-friendly overview of the theoretical and practical aspects of the systemic functional grammar (SFG) model. No prior

knowledge of formal linguistics is required as the book provides: An opening chapter on the purpose of linguistic analysis, which outlines the differences between the two major approaches to grammar - functional and formal. An overview of the SFG model - what it is and how it works. Advice and practice on identifying elements of language structure such as clauses and clause constituents. Numerous examples of text analysis using the categories introduced, and discussion about what the analysis shows. Exercises to test comprehension, along with answers for guidance. The third edition is updated throughout, and is based closely on the fourth edition of Halliday and Matthiessen's Introduction to Functional Grammar. A glossary of terms, more

exercises and an additional chapter are available on the companion website at: www.routledge.com/cw/thompson.

Introducing Functional Grammar remains the essential entry guide to Hallidayan functional grammar, for undergraduate and postgraduate students of language and linguistics.

Focus on Grammar 5 Workbook

Collins Primary Focus

Linguists routinely emphasise the primacy of speech over writing. Yet, most linguists have analysed spoken language, as well as language in general, applying theories and methods that are best suited for written language. Accordingly, there is an extensive 'written language bias' in traditional and present day linguistics and other language sciences. In this book, this

point is argued with rich and convincing evidence from virtually all fields of linguistics.

Grammar Dimensions 3, Platinum Edition Workbook Routledge

Through controlled and communicative exercises this text helps students to bridge the gap between identifying grammatical structures and using them. Each unit progresses through four steps: grammar in context, grammar presentation, focused practice and communication practice. Includes circling, matching, filling-in-the-blank, underlining, correcting, completion, short answer and writing exercises.

The Roman Predicament ASCD

This book is part of an integrated skills course that makes grammar fun and accessible. KEY FEATURES: More

practical than ever, this book has a fresh new design with more photos and illustrations. Also the From Grammar to Writing feature reinforces grammar acquisition while improving readers' writing skills. This book also includes a more challenging testing program including TOEFL-type questions. For advanced ESL readers needing reference and practice.

Focus on Grammar 5(Third Edition)(CASSETTE TAPE 3□) Pearson Education ESL

A guide to grammar and punctuation, covering everything from verbs, nouns, adverbs, pronouns and much, much more.

Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a

colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work

experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Building on the success of previous editions, *Focus on Grammar*, Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, *Focus on Grammar* combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes,

charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending *From Grammar to Writing* section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools,

including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone and Android lets students easily navigate Student Book audio clips on their phone or tablet. Updated for the Fifth Edition, MyEnglishLab: Focus on Grammar offers students engaging practice and video grammar presentations anytime, anywhere with immediate feedback and remediation tasks to help promote accuracy. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose

students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.

Focus on Grammar 4 with Myenglishlab
Pearson Education ESL

With a fresh new design and a host of updated exercises and activities, the popular Focus on Grammar series is more practical and accessible than ever. Known for its focus on English grammar through contextualized listening, speaking, reading, and writing activities, this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them. Centered on thematic instruction, Focus on Grammar combines controlled and communicative

practice in a consistent approach that's a proven success among students at all levels. Each unit progresses through four steps: Grammar in Context, Grammar Presentation, Focused Practice, and Communication Practice, using a unique format that makes the program easy for students to understand - and for teachers to implement. Each Student Book features: Clear presentations and charts that make grammar easy to learn. Creative activities that stimulate communication. New high-interest readings that are rich in content. From Grammar to Writing sections that build composition skills. Review Tests to confirm progress and improve scores on standardized tests. New Internet activities for individual, pair, or group work. Other Components (Available

Separately): Workbook offers a wealth of additional exercises. Audio CD provides opportunities for both task-based and extended listening. CD-ROM software features contextualized, interactive activities for listening, reading, and writing practice. Teacher's Manual includes numerous teaching tips, audioscripts for all recorded exercises, and a CD-ROM with PowerPoint presentations and blackline masters. Also includes Student Book Answer Key. New Assessment Package for each level features placement, diagnostic, and achievement tests; general proficiency tests; audio CD with scripts; and test-generating software with thousands of items to create class-appropriate tests. Transparencies of all grammar charts in the Student Books help instructors point

out important patterns and structures. Test-generating CD-ROM allows teachers to create and customize tests quickly and easily, and is available alone or in the Assessment Package. Companion Website provides students with grammar practice in new contexts through web-based exercises. For online work, see Focus on Grammar Interactive 1.

Focus on Grammar Longman Publishing Group

Focus on Grammar, now in a new edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program,

and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include:

- Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts.
- Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition.
- Fully redesigned grammar charts and notes that provide greater clarity.
- Explicit pronunciation activities to improve fluency and accuracy.
- Expanded listening tasks allow students to develop a range of listening skills.
- Flexible, ongoing assessment -- including

unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. · Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. · Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book

listening program as well. An Integrated Skills Approach. 3 Princeton University Press The Second Edition of Johnny Saldaña's international bestseller provides an in-depth guide to the multiple approaches available for coding qualitative data. Fully up to date, it includes new chapters, more coding techniques and an additional glossary. Clear, practical and authoritative, the book: -describes how coding initiates qualitative data analysis -demonstrates the writing of analytic memos -discusses available analytic software -suggests how best to use The Coding Manual for Qualitative Researchers for particular studies. In total, 32 coding methods are profiled that can be applied to a range of research genres from grounded theory

to phenomenology to narrative inquiry. For each approach, Saldaña discusses the method's origins, a description of the method, practical applications, and a clearly illustrated example with analytic follow-up. A unique and invaluable reference for students, teachers, and practitioners of qualitative inquiry, this book is essential reading across the social sciences.
