Snorlax - *Wikipedia* Characteristics Of Games Snorlax (/ˈsnɔːrlæks/), known in Japan as Kabigon (カビゴン), is a Pokémon species, a type of Pocket Monster, in Nintendo and Game Freak's Pokémon franchise. Created by Ken Sugimori, Snorlax first appeared in the Game Boy video game Pokémon Red and Blue, and subsequent sequels, later appearing in various merchandise, spin-off titles, and animated and printed adaptations of ... Snorlax -

Wikipedia Dating sims, or romance simulation games (恋愛シミュレーションゲーム, ren'ai shimurēshon gēmu), are video game subgenre of simulation games with romantic elements.. Dating sims are often dialog-heavy and focus on time management. The player must befriend and carefully build and maintain a relationship with one or more characters. The gameplay is largely dependent on statistics.
