Celtic Women's Spirituality GRIN Verlag

Celebrate a full year's worth of everything Celtic, from the lives of the Celtic saints to annual festivals and traditional tales handed down through generations uncounted. The rich essence of Celtic spirituality is revealed through an illustrated treasury of traditional prayers, accompanied by suggested pilgrimages to Celtic shrines and historic sites throughout the British isles, one for each month of the year. The pilgrimages are described in vivid detail, with maps, walking directions and colorful descriptions of what you'll see along the route. And because not everyone can visit these sites in person, the journeys need not be undertaken in the physical sense, but rather they may be used as launching pads for your own spiritual journeys of discovery. Seasonal Celebrations to Honour Nature's Ever-Turning Wheel Watkins Media Limited

Travel 2,500 years back in time to find out where many of our modern holiday traditions originated.

- Charming full-color ink and watercolor illustrations throughout.
- This valuable resource for teachers and parents uses hands-on activities, natural science facts, and observations to explore the concepts of measuring time, making calendars, and marking seasonal celebrations.
- Shows how our popular holiday traditions are rooted in nature, beginning as the seasonal festivals of an ancient society. Children love holiday celebrations but most don't know why they wear masks on Halloween or watch for the groundhog on February 2. Now they can discover that many of our modern traditions started with the festivals of the ancient Celts. The Celts were farming people, so their festivals marked the important events of the agricultural year. Imbolc, in very early spring, celebrated the birth of new lambs, while Samhain, in late fall, celebrated the end of the growing season and the beginning of winter. If we look at our modern calendar, we'll find Groundhog Day falling where Imbolc did, Halloween where the Celts celebrated Samhain, and a host of other holiday correspondences. That's because descendants of the Celts were among the first Europeans to settle in the New World, bringing their holiday traditions with them. In a world of electric lights and store-bought foods, The Ancient Celtic Festivals can help children make the connections to nature that their ancestors did. Whimsically illustrated activity pages invite them to bake a harvest corn bread, stage a spring festival, or warm up the cold depths of winter with hot spiced cider. Teachers,

librarians, parents, and children alike will welcome this book as a fun-filled resource.

Prayers, Readings and Creative Activities for Ordinary Days and Saints' Days St. David's Press

The early medieval manuscripts of Ireland and Britain contain tantalizing clues about the cosmology, religion and mythology of native Celtic cultures, despite censorship and revision by Christian redactors. Focusing on the latest research and translations, the author provides fresh insight into the beliefs and practices of the Iron Age inhabitants of Ireland, Britain and Gaul. Chapters cover creation and cosmogony, the deities of the Gaels, feminine power in narrative sources, druidic belief, priestesses and magical rites.

and How We Celebrate Them Today Llewellyn Worldwide

This guide reveals birthsigns as revealed through trees, and personal attributes, based on the myths and amgic of the Celts.

The Celtic Wheel of the Year Canterbury Press

"King's focus is on the wheel of the Celtic year with its cycle of four celebrations.... King describes the religious underpinnings of the festivals, the functions of the Druid priests and bards, relationships to other mythologies, and the influence of historical assimilation and migration on what we know of Celtic myth."-- "Booklist . 256 pages, 30 b/w illus., 6 x 9 1/4.

Harness the Power of the Gods & Goddesses Llewellyn Worldwide

In a world where the Celts did not lose to the Romans, nowadays but well hidden, there are still druids and their schools in Europe. In Paris, Lania, 27 years old, is lost in her life, afraid of men and society. She observes her life as a city girl wondering where her childhood dreams and the magic that surrounds her have gone. But Avalonia, the school of the Priestesses of Avalon, had not forgotten her. She decided to follow this feminine spirituality where she thought she would study the Universe and its mysteries, but she would heal much deeper wounds. For her, it all begins now. Her life will be transformed by this journey, in the middle of Europe, at the end of the world. In this modern initiatory tale, in three volumes that change like the seasons, follow the peregrinations of a young Parisian girl as she learns the practice of the sacred feminine...

The Celtic Feast of Beltane. A Brief Overview HarperCollins UK

A modern retelling of A Midsummer Night's Dream, this story of a 15-year-old American girl's experience studying abroad in the Irish countryside borrows elements from Irish folklore and escapist-fantasy fiction. Adjustment to life with an Irish family is hard at first, but she forges a bond with her new school friends when, late one night, they slip out into the surrounding woods and revel with fairy-like creatures at a magical wedding party. Real settings in Ireland provide the backdrop for the story, and the Shakespearean storyline serves well to depict an adolescent's breakthrough from outsider status to membership in an enchanted society.

My Celtic Soul Simon and Schuster

Many people today long for a mode of worship that has roots and enables them to experience awe, spontaneity, and variety. Celtic Worship through the Year, a spiritual guide to traditional Celtic

Christianity, speaks to these longings. It offers intimate and creative forms of service for every day—morning, noon, evening, and night; for Holy Communion; and for special festivities, including Christmas, New Year, Easter, Ascension, Pentecost, Summer, and Harvest. There is also a section on praying with the Celtic saints, featuring prayers, readings, and places to visit, as well as prayer walks and earth blessings.

The Celtic Tree Oracle Macmillan

Unleash your inner warrior and embrace a timeless vision of the divine: strong, courageous, feminine. Craft your own spiritual practice centered firmly in the Celtic mystical tradition. In this book you'll discover how any woman can awaken the Goddess spirit and release the wisdom and magick that is her birthright.

The Celtic Wheel of the Year Amberley Publishing Limited

'David Cole is a careful, wise and skilful writer and guide.' The Revd Canon Professor James Woodward, Principal, Sarum College, Salisbury Following the ancient rhythm of the Celtic year, these prayers, meditations and liturgies will help you focus on the natural flow of life as it changes around you. Based on the eight points of the Celtic year - the four season changes, and the four midpoints of each season - and moving from winter to spring, summer and harvest, each of the eight sections includes a liturgy for a full service, a week of daily readings, guided contemplations and a selection of prayers and blessings.

Celebrating the Seasons Llewellyn Worldwide

Essay from the year 2015 in the subject English Language and Literature Studies - Culture and Applied Geography, grade: 1.0, University of Tübingen (Department of English), language: English, abstract: In short, Beltane, sometimes also spelled 'Beltaine' in Ireland, 'Beltiunn' in Scotland, 'Shenn

da Boaldyn' (the Calends of May) in Wales, and also formerly known as Cetshamhain, was - and in some places still is - a very important feast in the Gaelic world which marked the beginning of the warm half of the year, and which was especially associated with fertility and the victory of a solar deity over the powers of darkness. With the approach of summer and a new harvest to come, growth and protection of crops and livestock played a very important role, particularly among peoples which depended entirely on agriculture. For this reason, it does not seem surprising that the old Celts had, already in pre-Christian times, certain rituals in order to appease the deity associated with the sun and to bid for protection of their cattle and their harvest. On May Eve and May Day, Beltane fires were lit in order to honour and to encourage the power of the sun, and libations and other sacrifices were made to the respective gods and animals, as can be seen in the example above. However, there does not seem to have existed a unified way to celebrate Beltane. Local variations and different traditions can be observed, and it is very difficult to make universally valid claims concerning the procedures of the Celtic Beltane feasts in different areas. It is, nevertheless, the aim of this paper to provide a very brief overview of this very important Celtic feast. In the following lines, the most important days of the Celtic ritual year will be introduced, and it will be attempted to answer the questions "what is Beltane?", "where does the name come from?", "how was it celebrated?", and "why was it so important?" Moreover, some interesting Beltane traditions and rituals will be presented, and a very brief overview of some present-day Beltane survivals and revivals will be provided.

A Spiritual Journey Through the Year Pilgrim Spirit Communications

Gain Greater Wisdom, Stronger Magic & Deeper Healing with the Last Ten Ogham Build a powerful connection to nature and explore the mystical teachings of trees with this illuminating book of rituals that focus on the last ten ogham of the Celtic Ogham tree alphabet. Filled with meditations, stories, activities, and correspondences, this easy-to-use guide introduces you to the spiritual lessons and magic of the aicme ailim vowels and the forfeda. You'll also discover how these Celtic ceremonies fit into the Wheel of the Year so you can access tree energy year-round. A follow-up to Celtic Tree Rituals, which covered the first fifteen ogham, this book acts as your doorway into the sacred wisdom of not only trees, but also totems, guides, and deities. Each chapter presents step-by-step instructions on preparing and performing the ogham's ritual as well as associated keywords, holidays, songs, chants, and more. From guided journeys to altar blessings, Celtic Tree Ogham's activities help you live well and stay connected to nature and your authentic self. These tree teachings encourage you to live out your role as a steward of this planet and supports you to create a spiritual practice that honors and protects mother earth and the web of life.

Reconsidering 'the Celtic Year' Collins & Brown

This book provides an accessible, light, and spiritually thoughtful introduction to how anyone can live and celebrate Celtic spirituality every day of the year.

Celtic Worship Through the Year Red Wheel

The Celtic seasonal wheel is based on eight festivals - Winter Solstice, Imbolc, Spring Equinox, Beltane, Summer Solstice, Lughnasadh, Autumn Equinox and Samhain. Together, these lead us through the cycle of the year, aligning our awareness with the seasonal pattern of the earth beneath our feet. In this book on the solstices, equinoxes and other festivals within the sacred cycle,

Danu Forest reveals the secrets of each festival in turn and skilfully revives ancient traditions, encouraging us to reconnect with nature, and ourselves, with a host of practical ideas and rituals. Decorate your home with beautiful seasonal crafts and altars to manifest sacred space. Make gifts to give to friends, cast spells for creativity, fertility and blessing, and use the abundance of nature in recipes that can be enjoyed as part of your seasonal celebrations or for self-healing and empowerment. Meditate on the changing heavens throughout the year with Celtic star lore. Deepen your experience of the turning seasons, from the rest and renewal of winter through the revels of spring and summer to the soul or spirit nights of autumn with magical guided visualizations. This cycle of conscious celebration helps us, year on year, to align with nature's rhythms with greater wonder and insight. Based on sound extensive research, as well as many years of practical experience through both personal practice and teaching, the book will act as a guide for weaving a new, more soulful way of living into readers' everyday existence.

[The Ancient Celtic Festivals](#) Collins & Brown

Christian F. Brunner, author of several books on pagan spirituality in the Alps, has practiced ancient healing methods for over twenty years. He is also a Druid in the Order of Bards, Ovates and Druids, contributing regularly to the Order's monthly magazine, "Touchstone." The author invites you to take a stroll with him through his beloved Alps, where myths and folk customs still sing of the people who lived there in antiquity, the Celts. Caitlin Matthews says about the book: "This is a wonderful book. The Alpine and Mountain traditions preserve so much lore and practice"
