Both will betray the pack. Can they save each other? In the Louisiana bayou, the bond between alpha and omega burns hot and dangerous. Kevin was a beautiful contradiction of vulnerability and fury wrapped in pure sex appeal. It was all I could do to hold my wolf in check. If I pushed too hard, I'd lose. I couldn't afford to lose Kevin. Already, this omega had become precious. I hadn't come here to find a mate. That didn't matter. The omega was mine and I was his, whether we liked it or not. His name was Blaze, and Kevin was playing with fire. Our eyes met. It was just dinner. Blaze kept to the boundaries of our agreement, but I wanted more. I'd never felt this way about an alpha. Blaze was everything I wanted and everything I couldn't have. Alpha Blaze is an action-packed mpreg romance novel of 64,000 words with hot werewolf bikers, bad language, smutty-times, knotting, and men who get pregnant. Warning: this book contains a tough-as-nails omega struggling to overcome a painful past (incl. rape trauma and miscarriage) and a strong, sensitive alpha who will do anything to win his omega's heart. If you love your mpreg romance with a dollop of angst and a healthy helping of action, start reading Alpha Blaze today!

One is accused. One is betrayed. One is a killer. Midwife-apprentice, Kyle's

sheltered world is shattered when a patient's mate flies into a murderous rage and attacks him. Kyle is rescued by a handsome alpha visitor, but as attraction blazes between the two men, and they fall into each other's dreams, what starts as lust becomes something impossible. Kyle is a beta. He can't be an alpha's true mate. And yet, what else explains their connection? Pine Creek Lake alpha, Shadow isn't looking for his true mate when he stumbles across a beta being attacked in the middle of the night. But when a simple rescue reveals a chain of possible murders, Shadow must learn the truth about the man in his dreams before it's too late. Something is driving alphas in the Blackcreek pack to rage and die young. Is Kyle as ignorant as he pretends, or is he hiding a dangerous secret? As Kyle and Shadow work together to discover the truth, both men are forced to question their deepest assumptions about themselves and each other. Are they fated mates? Is Kyle living a lie? And when the truth is revealed, will Kyle have the courage to face it before Shadow suffers the same death as the others? Life is changing on all fronts for the two young mates, some changes are good,

others not so much... Destin Time is flying by. With every week filled to the max, I barely have time to breathe some days. The house is almost done, it's nearly livable, and we've started on the final touches, before buying furniture and things like that. But that also means that Seb's pregnancy is progressing quickly and it becomes clearer and clearer by the day that he's pregnant, and it's making him nervous. Especially with the weather getting warmer, so he can't hide under a thick sweater anymore. I'm there for him however I can and however he needs me to be, but sometimes I wish I could do more... Seb Classes are going fine, the work isn't too much and I feel like I'm getting some more energy back. But that's really the extent of the 'good' things about being at university. Now I'm more and more obviously pregnant, people have started to treat me differently and it's really annoying. Some days I barely want to leave the house because of it, which I know is not a good idea, but I don't always know what else to do. Did I make the wrong choice to stay at university for this first year? To not just drop out early? To stubbornly keep going? This is the eighth novella about Alpha Destin and Omega Seb in the Blossoming of Fate serial, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy). Exiled by his former lover, Peyton finds himself leading soldiers who resent him for his relationship to the new king—the king who has now turned his back on him. Peyton's future looks dark after Peyton and his men travel across the gate to a new world to aid in a war against invading demons. Then Peyton meets the Eight, elite warriors who keep

their skills sharp by killing demons. He's immediately fascinated with Ice, one of the Eight's most talented and enigmatic warriors. Ice's lack of inhibitions or shame in loving other men turns Peyton's concepts of love on end. His feelings toward Ice soon force Peyton to confront who he truly is beneath the layers of submission he'd shown the king who abandoned Peyton to this dangerous world. He can only pray the new passion he shares with Ice will redeem him instead of shattering him forever. He cannot take having his heart broken again... Ice was not one to commit to a single lover. He had marked a path through the army with a trail of discarded lovers behind him. No one had ever left a mark upon his heart. But Peyton, the standoffish and proud new commander, proves a challenge Ice cannot resist. And one passionate dalliance was definitely not enough for Ice, who found himself drawn to Peyton again and again. They make the oddest couple: Ice, who has never taken love seriously or given his heart, and Peyton, who had given his very soul to his prince, certain their love was forever...until he was cast aside and sent to a new world to die in the war against the demons. But the demon war is racing toward its end, win or lose. In the final battle, Ice could wind up one of the many casualties no matter how desperate Peyton might be to save him... Two young mates seem to be doing everything in an unusual order, but that doesn't mean they can't complete a few more 'usual' milestones, even out of order... Destin New year, new... Well, new everything, it seems. By some luck, and with help from our parents, we were able to buy the house that Seb and I looked at a few weeks back, and the renovation of it has been progressing slowly but steadily. Between taking evening classes and working full-time, my free time has become increasingly limited and every spare moment I have is spent on getting our house ready. It's a lot of hard work, but it's very much worth it. As I'm getting ready for the next chapter of my life, I realise two things. I don't just want our house to be livable, I want it to be special, and I know just the thing to make that happen. And I want to propose to Seb. Since we've already mated and Seb is already pregnant, it might be a little redundant, but I still want to do it. I want him to be my husband, no matter how sappy that sounds. Seb I'm so exhausted. My university classes and working on the new house would have been a strain on me even under normal circumstances, but with me being pregnant... I feel like I'm never getting enough rest, no matter how much I sleep. It's all getting a little too much. Luckily, my younger brother Dan now living with Mia and me helps with the workload at home, but I still feel like I need more sleep than I can get in a day. I know I can do it. I want to do it so much. I want to show the world that Omegas aren't weak, that I can do all of this. But I don't know how much longer I can keep going at this rate... This is the seventh novella about Alpha Destin and Omega Seb in the Blossoming of Fate

serial, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy).

Two young mates agree to stay away from each other, but when they break that promise, everything falls apart... Destin I wasn't supposed to see Seb for four years. But when Destin suddenly appears at the apartment, looking as troubled as I feel, I don't have the strength to do it. Mia won't let us stay in the apartment for the weekend, since she knows about Destin and me, and we're not allowed to have mates sleep over. Language is a fundamental tool for shaping identity and community, including the expression (or repression) of sexual desire. Speaking in Queer Tongues investigates the tensions and adaptations that occur when processes of globalization bring one system of gay or lesbian language into contact with another. Western constructions of gay culture are now circulating widely beyond the boundaries of Western nations due to influences as diverse as Internet communication, global dissemination of entertainment and other media, increased travel and tourism, migration, displacement, and transnational citizenship. The authority claimed by these constructions, and by the linguistic codes embedded in them, is causing them to have a profound impact on public and private expressions of homosexuality in locations as diverse as sub-Saharan Africa, New Zealand, Indonesia and Israel. Examining a wide range of global cultures, Speaking in Queer Tongues presents essays on topics that include old versus new sexual vocabularies, the rhetoric of gay-oriented magazines and news media, verbal and nonverbalized sexual imagery in poetry and popular culture, and the linguistic consequences of the globalized gay rights movement.
