KYLAN VALERIE

The Night Circus Lotus Pub.

A complete illuminated manuscript in 204 full-page color plates. The Voynich manuscript is a richly illustrated codex hand-written in an undeciphered script. While the manuscript's origins are unknown it has been carbon-dated to the early 15th century and is most likely from Northern Italy or Central Europe. Its illustrations suggest that it is some form of pharmacopoeia or scientific treatise

and it is divided by convention into six sections: herbal, astronomical, biological, cosmological, pharmaceutical and recipes. Wide ranging hypotheses on the nature of the script have been put forward - from it being a complex cipher system or unknown natural language to a sophisticated hoax or pure gibberish - and decoding it remains a popular challenge in cryptography. The manuscript is named after Wilfrid Voynich, a Polish book dealer who purchased it in 1912. It is currently held by the Beinecke Rare Book and Manuscript Library, Yale University.

Anatomy in Black Titan Books (US, CA)
A look at the presidency of James Buchanan, whose administration paved the way for the onslaught of the Civil War, details his failures as a president, including his lack of compromise and his weak leadership in a time of national crisis.

The Art Thief David and Charles
Enter once more the world of Roland Deschain—and the world of the Dark Tower...presented in a stunning graphic novel form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers

were introduced to Stephen King’s iconic character Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the first in the graphic novel series adaptation Stephen King’s *The Dark Tower: The Drawing of the Three*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the

full story of Roland's saga continues. Sumptuously drawn by Piotr Kowalski, Jonathan Marks, Juanan Ramirez, and Cory Hamscher, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *The Drawing of the Three* adaptation is an extraordinary and terrifying journey—ultimately introducing a generation of new readers to Stephen King's modern literary classic *The Dark Tower*, while giving longtime fans thrilling adventures transformed from his blockbuster novels.

The Jigsaw Jungle Hogarth

Critically celebrated novelist Scott Spencer delivers a Rosemary's Baby-like novel of gothic horror, set against the backdrop of modern-day Upper East Side Manhattan. Alex and Leslie Twisden lead

charmed lives-fabulous jobs, a luxurious town house on Manhattan's Upper East Side, a passionate marriage. What they don't have is a child, and as they try one infertility treatment after the next, yearning turns into obsession. As a last-ditch attempt to make their dream of parenthood come true, Alex and Leslie travel deep into Slovenia, where they submit to a painful and terrifying procedure that finally gives them what they so fervently desire . . . but with awful consequences. Ten years later, cosseted and adored but living in a house of secrets, the twins Adam and Alice find themselves locked into their rooms every night, with sounds coming from their parents' bedroom getting progressively louder, more violent, and more disturbing. Driven to a desperate

search for answers, Adam and Alice set out on a quest to learn the true nature of the man and woman who raised them. Their discovery will upend everything they thought they knew about their parents and will reveal a threat so horrible that it must be escaped, at any cost.

A Noir Fantasy Thriller Macmillan
Grubb, age twelve (or thereabouts), has never known anything beyond his miserable existence as a chimney sweep, paid only in insults and abuse by his cruel master. All of that changes the day he stows away in the coach belonging to a mysterious guest at the inn that he is tasked with cleaning. Grubb emerges from Alistair Grim's trunk and into the wondrous world of the Odditorium. Fueled by a glowing blue

energy that Grubb can only begin to understand, the Odditorium is home to countless enchanted objects and an eccentric crew that embraces Grubb as one of their own. There's no time for Grubb to settle into his new role as apprentice to the strange, secretive Mr. Grim. When the Odditorium comes under attack, Grubb is whisked off on a perilous adventure. Only he can prevent the Odditorium's magic from falling into evil hands???and his new family from suffering a terrible fate. Grubb knows he's no hero. He's just a chimney sweep. But armed with only his courage and wits, Grubb will confront the life-or-death battle he alone is destined to fight.

A Novel Titan Books (US, CA)

From 11-year-old dog-loving Gideon Kidd of the viral Twitter account I've Pet That

Dog comes a guide for young readers to befriend and care for dogs of all shapes, sizes, and personalities! *Pet That Dog! A Handbook for Making Four-Legged Friends* is an illustrated guide to meeting, petting, and caring for dogs by Gideon and his mom, Rachel Braunigan. Learn how dogs communicate through body language, helpful tips for safely interacting with dogs, and fun facts about dogs to share with friends. (Did you know that all-white dogs are more likely to be deaf? Or that dogs poop in alignment with the north-south axis of the Earth's magnetic field?) You can even keep track of the pups you meet with your very own Dog Tracker. With an interactive format and joyful illustrations of lovable dogs, *Pet That Dog!* makes a perfect gift for dog lovers and dog-

curious kids.

Cursed Objects Quirk Books

This 120-page artbook bestiary includes the anatomy, behavior, and origins of over 20 amazing fantasy creatures. Each interconnected through a series of recorded histories, myths, and first-hand encounters that stress the value of exploration and curiosity in the face of superstition.

Strange but True Stories of the World's Most Infamous Items Little, Brown Books for Young Readers

In 19th century Scotland, surgeon Edgar Price has only days to live. He has become host to a revenant that will corrode both his body and soul. Edgar's fatal mistake has not only doomed him, but also released six more of these malignant wraiths onto the world. In his

remaining time, he has vowed to stop the revenants from claiming other victims. His perilous travels lead him to the Witches' Wood, a haven for a sisterhood of powerful enchantresses. There he meets Ainsley, a witch with a fiery spirit and strong distrust of outsiders. She too is racing against the clock to save her life and will go to any lengths to spare her lover Colleen from the grief of losing her. Despite their mutual dislike, Edgar and Ainsley find that the only way to traverse the twisted, otherworldly labyrinths that the revenants have created is to work together. Their mission becomes further complicated when Edgar begins to develop strong feelings for Fana, the guardian goddess of the Wood, in spite of Ainsley's forbidding warnings to stay

far away from her. Horror and fantasy intermingle in this imagined continuation to the true story of the Burke and Hare murders. "A.R. Meyering's *The Resurrectionist* is a thriller firing on all cylinders. Lit by gaslights, haunted by the past and the long dead, the witchcraft, the protagonists, not to mention Scotland's turn of the century setting, will delight readers. Part high Romance, part supernatural thriller, *The Resurrectionist* dives into a rabbit hole of magic and secrecy that will keep readers flipping pages long into the night." - Stephen Scott Whitaker, member of the National Book Critics Circle, author, and managing editor for *The Broadkill Review* "The raw beauty of *The Resurrectionist* is more than the intricate world of hidden magic Meyering builds, or the complex

characters, both good and bad, so easy to bond to and commiserate with. It's the very real and frightening possibility that such chaos can come of a single decision made in anger by an individual. At its heart, *The Resurrectionist* is about the power of choice and consequence, and the very real horror one can inadvertently unleash upon the world." - Author Lisa Gail Green, author of *The Gallows House* "The real-life story of the infamous body snatchers, Burke and Hare, is the inspiration for *A.R. Meyering's* *The Resurrectionist*, a sophisticated, lush, and engaging fantasy novel. It offers the perfect touch of Gothic horror, along with thought-provoking ideas, an elegant use of fantasy, and well-drawn characters whose humanity is the perfect

counterpoint to the evil of their adversaries." - Victoria Gilbert, author of the Blue Ridge Library Mystery series and the "Mirror of Immortality" series "Meyering's world fluctuates between Barker-esque scenes and Dostoyevskian guilt-complexes with such ease that one wonders whether the 'The Resurrectionist' can function as a concise, thoughtful novel - but it does, and it's a bloody good time." - Walker Zupp, Author of *Martha James Buchanan* Chronicle Books From the intriguing mind behind *Codex Seraphinianus* comes this beautifully illustrated tribute to the famed Neapolitan character Pulcinella (or "Punch" as he is referred to in English). This short monograph on Pulcinella is conceived as a extension of the *Codex*

Seraphinianus, an encyclopedia filled with variations and fantasies on a theme. Pulcinellopaedia Seraphiniana contains over one hundred extraordinary graphite illustrations with scarlet accents, some of which are depicted in comic-strip style. Conceived as a musical Suite, it is divided into nine scenes with an intermission. It features the oddly surreal and globally recognized character, whose origins have been lost in the mists of the time. An ancestor of Pulcinella was certainly Maccus, the protagonist of the Atellanae Fabulae, very popular farces in ancient Rome, but it was in the early seventeenth-century that the character assumed the name and costume that we all know. Distinguished by a long nose and typically dressed in white with a black

mask, Pulcinella is often depicted in various kinds of misadventures and singing about love, hunger, and money. As he famously did in the Codex, Luigi Serafini, has created Pulcinellopaedia Seraphiniana in a unique language all its own, and has filled it with fascinating and mysterious illustrations that will no doubt prompt devotees to obsessively try to decipher the artist's intention. Written by Serafini's imaginative coauthor and alter ego "P. Cetrulo," who represents Pulcinella himself, the book artfully presents the struggles of a rebellious antihero who must come to grips with the challenges of everyday life. Originally, a book about Pulcinella and his world appeared in 1984, after Serafini's involvement with the 1982 Carnival of Venice, the first revival of the

famous festivity after two centuries of silence. Now more than three decades later, this new edition has been extensively revised and includes a new afterword by the author. Like its predecessor, the original edition became immensely sought after and highly valuable, fetching more than one thousand dollars if book collectors were lucky enough to get their hands on a copy. All fans of Serafini's work will treasure this volume. Rizzoli will also publish a deluxe limited edition with a signed and numbered print.

Monsters You Should Know Macmillan

A respected American poet and critic offers an authoritative survey of all major American poets--from colonial to contemporary--and selections from lesser-known poets, including women,

Native Americans, and African Americans of the nineteenth and twentieth centuries. UP.

The American Presidents Series: The 15th President, 1857-1861 MIRA

A famous doctor in 1870s Philadelphia traces his story from his youth as the son of a grave robber through his mysterious disappearance at the end of his life, marked by his investigation into an unconventional hypothesis about mythological beasts being the evolutionary ancestors of the human race.

UNDER THE KNIFE Simon and Schuster

The Definitive Edition CreateSpace
Beware...this book is cursed! These strange but true stories of the world's most infamous items will appeal to true believers as well as history buffs, horror fans, and anyone who loves a good spine-tingling tale. They're lurking in museums, graveyards, and private homes. Their often tragic and always bizarre stories have inspired countless horror movies, reality TV shows, novels, and campfire tales. They're cursed objects, and all they need to unleash a wave of misfortune is . . . you. Many of these unfortunate items have

intersected with some of the most notable events and people in history, leaving death and destruction in their wake. But never before have the true stories of these eerie oddities been compiled into a fascinating and chilling volume. Inside, readers will learn about:

- Annabelle the Doll, a Raggedy Ann doll that featured in the horror franchise The Conjuring
- The Unlucky Mummy, which is rumored to have sunk the Titanic and kick-started World War I
- The Dybbuk box, which was sold on eBay and spawned the horror film The Possession
- The Conjured Chest, which has been blamed for fifteen deaths within a single family
- The Ring of Silvianus, a Roman artifact believed to have inspired J. R. R. Tolkien's The Hobbit
- And many more!

The Resurrectionist University of

Chicago Press

A Heart Divided is the fourth and final volume in Jin Yong's high stakes, tension-filled epic *Legends of the Condor Heroes* series, where kung fu is magic, kingdoms vie for power and the battle to become the ultimate kung fu master unfolds. China: 1200 A.D. Guo Jing and Lotus have escaped Qiu Qianren's stronghold, but at a steep price: Lotus has been mortally wounded. The only one who could save her life is Duan, King of the South, a man skilled and renowned for his healing. But little do they know that danger awaits, including a plan to tear them apart. As the Mongol armies descend on China, Guo Jing will have to make the toughest decision of all—rejoin the people who raised him to avenge his father or fight against his

hometown. The ultimate battle for China and Guo Jing's future plays out in the sweeping, high stakes adventure of *A Heart Divided*, where one choice can change the world.

The Resurrectionists Mulholland Books
Claudia Dalton, twelve, embarks on an unexpected treasure hunt that she hopes will bring her missing father home and heal whatever is wrong with her family. Told through notes, emails, audio and video transcripts, and more from Claudia's scrapbook.

A Heart Divided Egmont USA
#1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • "Part love story, part fable ... defies both genres and

expectations." —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called Le Cirque des Rêves, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Despite the high stakes, Celia and Marco soon tumble headfirst into love, setting off a domino effect of dangerous consequences, and leaving the lives of

everyone, from the performers to the patrons, hanging in the balance.

The Resurrectionist St. Martin's Press An indispensable guide for anyone interested in improving and developing their fantasy art figures. Fantasy artists are unlikely to use models to draw from life but, to be successful, their creations must have a grounding in reality. This book by successful comic and fantasy artist Glenn Fabry, teaches you the principles of anatomy, from musculature and skeletal structure through to movement. You can then develop your artistic style by breaking and bending the rules of anatomy through practical exercises and demonstrations, accompanied by incredible finished artworks. The step-by-step exercises help you to fully understand the subtle

movements that combine to create expressions, and the flowing movements that constitute actions. Anatomy for Fantasy Artists trains you in creating professional quality illustrations for comic book art, graphic novels, fantasy posters, sci-fi book covers and illustrations, and even computer games. In this book you will find valuable instruction from experts in the field, expanded from the original edition with additional pages that feature many more how-to, step-by-step illustrations. Instruction starts with the basics of human anatomical drawing and musculature, facial expressions, hands and body language, and then follows with a review of the principles of perspective and composition. Subsequent sections instruct on ways to

distort, develop, and transform the human figure, giving it features that range from monstrous or magical to super-agile or larger than life, including dynamic poses for superheroes and villains, as well as fantasy female poses. Detailed artist's references and step-by-step instructions show how to build bodies that truly stretch the imagination. You also learn how to render characters in many different dynamic action poses, such as flying, spinning, punching, and jumping, as well as how to express each character's emotions through facial expressions. The cast of characters includes wizards, ogres, werewolves, winged avengers, goblins, aliens, enchantresses, barbarians, robots and more. Author Glenn Fabry is a successful comic book and fantasy artist who has

spent many years working in this field including work for both DC and Marvel Comics. Through his professional experience he has honed his skills, which he generously shares in this book, alongside professional artists Michael Cunningham and Ben Cormac.

The Lost Work of Dr. Spencer Black
Penguin

Dale McCarthy has a unique and miraculous ability. He can bring the dead back to life, though the resurrected have no memory of their deaths. But not every miracle comes from God, and not every healer is a saint. Ever since her new neighbor moved in, Sarah Lincoln has been having terrible nightmares. Last night she dreamed she and her husband were brutally murdered in their beds. This morning she found bloody

sheets in the laundry and bloodstains on her mattress. And the nightmare is the same, night after night after night. With no one prepared to take her wild fears seriously, Sarah will have to save herself from being murdered. Again. The Resurrectionist has now been made into a major motion picture--- "Come Back To Me"

The Girl Who Fell Beneath Fairyland and Led the Revels There Penguin

A romantic, historical retelling of classic Gothic horror featuring Edgar Allan Poe and his character Annabel Lee, from a New York Times best-selling author. Annabel Lee is summoned from Siam to live with her father in 1820's Philadelphia shortly after her mother's death, but an unconventional upbringing makes her repugnant to her angry,

secretive father. Annabel becomes infatuated with her father's assistant Allan, who dabbles in writing when he's not helping with medical advancements. But in darker hours, when she's not to be roaming the house, she encounters the devilish assistant Edgar, who bears an uncanny resemblance to Allan, and who others insist doesn't exist. A rash of

murders across Philadelphia, coupled with her father's strange behavior, leads Annabel to satisfy her curiosity and uncover a terrible truth: Edgar and Allan are two halves of the same person - and they are about to make the crimes detailed in Allan's stories come to life. Unless Annabel stops them.
