### Leadership and the Art of Orchestra

**Conducting** Leadership  
And The Art Of Leadership  
is the art of motivating a  
group of people to act  
toward achieving a  
common objective.  
Organizations refer to  
upper-level personnel in  
their management  
structures as leadership.

To be an effective leader  
in business, you must  
possess traits that extend  
beyond management  
duties. Leadership: What Is  
It? An innovator in thought  
leadership, Snyder has  
developed the  
breakthrough concepts  
introduced in "Leadership  
and the Art of Struggle,"  
based on years of  
leadership studies,  
intensive research, and  
data derived from  
extensive interviews with  
real-world executives  
from major  
corporations. Leadership
