Allyn & Bacon

The world's best-selling grammar series for learners of English.

Basic Grammar in Use Fourth Edition is an American English reference and practice book for beginner level learners (A1-B1).

With simple explanations, clear examples, and easy to

understand exercises, it is perfect for students who need extra help with English grammar. This version does not include an answer key for the exercises, so is ideal for use in the classroom.

With Answer Key S. Chand Publishing

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. It uses a grammar-based approach integrated with communicative methodologies to promote the development of all language skills. While keeping the same basic approach and materials as in earlier editions, the fourth edition continues to build on the foundation of understanding form and meaning by engaging students in meaningful communication about real actions, real things, and their own lives in classroom context. Several of the new features are: Information in the grammar charts highlighting important differences between spoken and written English; Step-by-step writing activities with models for students to follow; Innovative warm-up exercises that precede the grammar charts and introduce points to be taught; Newly created exercises to give students more incremental grammar practice; Structure-based listening exercises that introduce students to relaxed, reduced speech"--Page 4 of cover.

Middle School English Grammar and Composition Key Allyn & Bacon

An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar, and can be used in the classroom, for self-study, or as a reference book. The book is organised in two parts – on grammar and its applications – and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further graded exercises.

Fundamentals of English Grammar Carson-Dellosa Publishing The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. *Understanding and Using English Grammar* is a classic developmental skills text for intermediate to advanced English language learners.
