From being the only 30-game winner in more than 70 years to having the Gambino crime family order a hit for your murder, Denny McLain has surely seen it all: RICO charges from the U.S. government to touring the country as a popular musician playing on national TV and the Las Vegas strip before becoming a close jail-house friend to John Gotti Jr. I

Told You I Wasn't Perfect allows the former All-Star pitcher to share his cautionary tale with generations of baseball. In 1968, McLain set the baseball world on fire by being the first pitcher to win at least 30 games since Dizzy Dean 34 years earlier. But just two years later he was banned from the game for half a season, traded away to the laughing-stock Washington Senators where he entered into a never-ending battle with baseball icon Ted Williams. By 1972, he was a retired star, hustling games of golf. Throughout the 1980s and 1990s he was in and out of

prison for charges including racketeering, loan-sharking, extortion, cocaine possession, and fraud before being included in wide-sweeping RICO charges that tried to connect him to Gotti and the violent underworld of the mafia. In this moving autobiography, McLain reveals how his desire for excitement and attention led directly to his downfall from being a popular public image and cost him his marriage, which has since been reconciled and remarried. door continues! Mr. McCurdy and Vladimir are well on their way to installing the new animals on Mr. McCurdy's farm: Boo Boo the bear, Peanuts the elephant, Kushna the tiger, and Sarah's pet deer are joining the family of exotic creatures, and it's hard work moving them in. But when a young boy sneaks into the big cats' barn, mayhem breaks loose. McCurdy's old rival, the community's mayor, has an excuse to question the security of the exotic animal farm -- and soon they're threatened by an overzealous inspector. The local newspaper gets in on the action, and animal-rights protesters invade the farm. To make matters worse, Sarah and Nicholas's mother is dating the police chief! Whose side will she take in the fight for Tiger Town?

Gold! A single handful of shiny nuggets changed Oregon from a quiet settlement in the Willamette Valley to a brawling frontier that stretched from the Rockies to the Pacific Ocean. Thousands of adventuresome souls faced staggering hardships as they streamed across two thousand miles of America's wasteland and then, armed with pick and shovel,

headed for the mines.

Most principals have little or no time to reflect in their first year on the job.

Leadership books that are heavy on text are not as attractive to busy

administrators. Here, Autumn Tooms

offers tips for those new to the

principalship and those who support them.

Designed in an easy-to-read format, this handy guidebook provides clear, practical advice with concrete examples. Includes:

Tips on the daily aspects of managing, Insights concerning politics, implementing change, and finding a sense of personal balance, Brief anecdotes from experienced

principals in the field, An 'Instant Replay' at the end of each chapter to summarize information. While the dialogue is woven through sports metaphors, the ideas behind the insights are strongly grounded in the best practices in leadership. This book will be of interest to new and aspiring principals, graduate students, superintendents, administrators, school board members, and teacher leaders.

Sigurd resides in Tigrebyn, where he performs on the street, conjuring original music out of thin air. The magical art he practices, projeksjon, is disappearing, replaced by a new dependence on machinae. After he discovers that the University wishes to exploit his unusual talents, Sigurd takes a stand against them, little knowing that his lonely battle may lead to catastrophe.

In Shaky Town, Lou Mathews has written a timeless novel of working-class Los Angeles. A former mechanic and street racer, he tells his story in cool and panoramic style, weaving together the tragedies and glories of one of L.A.'s eastside neighborhoods. From a teenage girl caught in the middle of a gang war to a priest who has lost his faith and hit bottom, the characters in Shaky Town live on a dangerous faultline but remain unshakable in their connections to one another. Like Sherwood Anderson's Winesburg, Ohio, John Steinbeck's Cannery Row, Katherine Ann Porter's Ship of Fools, Gloria Naylor's The Women of Brewster Place, and Pat Barker's Union Street, Shaky Town is the story of complicated, conflicted, and disparate characters bound together by place.

Over his 30-plus-year acting career, Roy Scheider has redefined America's idea of a leading man, thanks to his talent for playing an urban everyman that audiences relate to and root for, despite flaws and failures. He rose to fame in the early 1970s in the Oscar-winning films Klute and The French Connection (his first Oscar nomination). Roy garnered more critical acclaim in Jaws and Marathon Man, as well as a second Oscar nomination for All That Jazz. Scheider's life and career are chronicled in this work. Beginning with his childhood in New Jersey, it traces his development from a community theater actor to a world-renowned movie star, and covers his more recent work in the Golden Globe-winning RKO 281 and the Shakespearean drama King of Texas. Includes a complete filmography and index.

It's December 1997 and a man-eating tiger is on the prowl outside a remote village in Russia's Far East. The tiger isn't

just killing people, it's annihilating them, and a team of men and their dogs must hunt it on foot through the forest in the brutal cold. To their horrified astonishment it emerges that the attacks are not random: the tiger is engaged in a vendetta. Injured and starving, it must be found before it strikes again, and the story becomes a battle for survival between the two main characters: Yuri Trush, the lead tracker, and the tiger itself. As John Vaillant vividly recreates the extraordinary events of that winter, he also gives us an unforgettable portrait of a spectacularly beautiful region where plants and animals exist that are found nowhere else on earth, and where the once great Siberian Tiger - the largest of its species, which can weigh over 600 lbs at more than 10 feet long - ranges daily over vast territories of forest and mountain, its numbers diminished to a fraction of what they once were. We meet the native tribes who for centuries have worshipped and lived alongside tigers - even sharing their kills with them - in a natural balance. We witness the first arrival of settlers, soldiers and hunters in the tiger's territory in the 19th century and 20th century, many

fleeing Stalinism. And we come to know the Russians of today - such as the poacher Vladimir Markov - who, crushed by poverty, have turned to poaching for the corrupt, high-paying Chinese markets. Throughout we encounter surprising theories of how humans and tigers may have evolved to coexist, how we may have developed as scavengers rather than hunters and how early Homo sapiens may have once fit seamlessly into the tiger's ecosystem. Above all, we come to understand the endangered Siberian tiger, a highly intelligent super-predator, and the grave threat it faces as logging and poaching reduce its habitat and numbers - and force it to turn at bay. Beautifully written and deeply informative, *The Tiger* is a gripping tale of man and nature in collision, that leads inexorably to a final showdown in a clearing deep in the Siberian forest.

Houghton Mifflin Harcourt

Esteemed author Eve Bunting brings all her insight, empathy, and storytelling skill to this powerful allegorical tale, set in the streets of an unnamed city and illustrated with striking woodcuts. Danny, new to town, is proud when a glittery-eyed tiger invites him for a ride. He climbs up onto the tiger's massive back, and together they cruise the neighborhood. Everyone gives them respect—shopkeepers and passersby, even other kids. Danny feels powerful and much older than ten. Soon,

though, he realizes it isn't respect people feel for him and the tiger—it's fear. And when he decides to get down off the tiger's back, he discovers it's a lot harder than climbing on. Whether the tiger is interpreted to represent gangs, drugs, or something else altogether, this poetically told, dramatically illustrated book is sure to provoke discussions about temptation, peer pressure, and conformity.

The 1968 World Series remains one of the

most iconic in major league history. Featuring Bob Gibson in MVP form, Al Kaline, and Mickey Lolich, it was baseball at its best. Told with the vibrant first-hand perspective of Lolich himself and the expertise of award-winning Detroit journalist Tom Gage, this is the remarkable saga of that 1968 season which culminated in Tigers glory. Incorporating new reflections from players and personnel, Joy in Tigertown traces such achievements as Denny McClain's 31-win season as well as the remarkable slugging performances of Kaline, Norm Cash, Willie Horton, and Bill Freehan. *Tiger, Tiger, Burning Bright* Funstory In 1965 George Gmelch signed a contract to play professional baseball with the Detroit Tigers organization. Growing up sheltered in an all-white, affluent San Francisco suburb, he knew little of the world outside. Over the next four seasons, he came of age in baseball's Minor Leagues through experiences ranging from learning the craft of the professional game to becoming conscious of race and class for the first time. Playing with Tigers is not a typical baseball memoir. Now a well-known anthropologist, Gmelch

recounts a baseball education unlike any other as he got to know small-town life across the United States against the backdrop of the Vietnam War, civil rights protests, and the emergence of the counterculture. The social and political turmoil of the times spilled into baseball, and Gmelch experienced the consequences firsthand as he played out his career in the Jim Crow South. Playing with Tigers captures the gritty, insular, and humorous life and culture of Minor League baseball during a period when both the author and the country were undergoing profound changes. Drawing from journals he kept as a player, letters, and recent interviews with thirty former teammates, coaches, club officials, and even former girlfriends, Gmelch immerses the reader in the life of the Minor Leagues, capturing—in a manner his unique position makes possible—the universal struggle of young athletes trying to make their way.

He was born with The Caul, invulnerable to Danger, Destined for Adventure. According to legend, those born with the Caul, a protective membrane covering an infant's

body, are special beyond measure, resistant to physical harm until a fabulous destiny has been fulfilled. On a cold March night in 1931, the extraordinary James Markham emerges into the world, enveloped by the Caul, which stands as a prophecy to the wonders and tribulations he will encounter in his life. Born with a Mission is the first installment in the epic trilogy, *The Caul*, establishing the early adventures of the young Jim Markham. Taught early by his French-Canadian Grandmaman in Montreal to face challenges instead of retreating from them, Markham learns that he is indeed different, and assumes a responsibility of

defending the weak and powerless that travels both the years of his life and the lands of this earth. This is a story of self-sacrifice and justice. From taking a beating for a victimized schoolmate in boarding school, to defending the honor of a black friend hounded by a racist punk in New York, to preventing a mad Frenchman from killing his wife in a bar; it's evident that James Markham may very well be a foundation of hope and fortitude for dark, dark times ahead. Prepare yourself for an expedition across this wondrous and terrible world through the eyes of a courageous young man secured by his faith and powers beyond comprehension,

trained by the United States Air Force and Office of Special Investigations to confront, and obliterate, evil.

Since the first baseball movie (*Little Sunset*) in 1915, Hollywood has had an on-again, off-again affair with the sport, releasing more than 100 films through 2001. This is a filmography of those films. Each entry contains full cast and credits, a synopsis, and a critique of the movie. Behind-the-scenes and background information is included, and two sections cover baseball shorts and depictions of the game in non-baseball films. An extensive bibliography completes the work.
