Lo/Fisher is praised for its readability and conversational writing
 style that helps students better understand difficult concepts in
 Accounting. Lo/Fisher presents the how and why of reporting
 accounting information from within an easily-understood
 theoretical framework. Lo/Fisher has a clean layout that engages
 the reader with a clear writing style using plain English. This text
 is built on the current International Financial Reporting Standards
 (IFRS) and incorporates Accounting Standards for Private
 Enterprise (ASPE) where appropriate. Our philosophy is that when

students understand the current standards, they will be able to
 analyze and interpret changes in the future. Note: You are
 purchasing a standalone product; MyAccountingLab does not

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed

specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
