"Allende can spin a yarn with the grace of a poet."—Entertainment Weekly AN INSTANT NEW YORK TIMES BESTSELLER, NOW WITH A NEW DEAR READER LETTER From the New York Times bestselling author of *A Long Petal of the Sea* and *The House of the Spirits*, an enthralling and

suspenseful coming-of-age story about a teenage girl who must unravel the mysteries of her past in order to save herself. Nineteen-year-old Maya Vidal grew up in a rambling old house in Berkeley with her grandmother Nini—a force of nature whose formidable strength helped her build a new life after she emigrated from Chile in 1973—and Popo, an African-American astronomer and professor whose solid, comforting presence helps calm the turbulence of Maya's adolescence. When Popo dies of cancer, Maya comes undone and turns to drugs, alcohol, and petty crime. When she becomes lost in the dangerous underworld of Las Vegas, Maya

becomes caught in the crosshairs of deadly warring forces. Her one chance for survival is Nini, who helps her escape to a remote island off the coast of Chile. Here, Maya tries to make sense of the past to discover the truth about her life and her family, and embarks on her greatest adventure: a journey of self-discovery and forgiveness.

Holly Wagner's bestselling book *God Chicks* was the inspiration for this 90-day devotional that takes women on a humorous, uplifting journey to cultivate

aspects of the "God Chick" within. Based on Proverbs 31, Daily Steps for GodChicks highlights the characteristics that God has put into every woman to be the best she can be. Holly's desire to draw women closer to God takes on added poignancy as she shares out of her heart and her experience with battling breast cancer. Find out why Holly sees spending time with God, reading the Bible, and praying as lifelines to the Father.

"The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime. Though overshadowed by its sequel, Adventures of Huckleberry Finn, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written on a typewriter."

"Carlo Collodi's The Adventures of Pinocchio, first appeared in 1883, a fairy tale that is both modern and timeless, it has been the subject of many adaptations - literary, dramatic, theatrical, choreographic, for the cinema and television and in strip cartoon form, as well as in hundreds of translations and in music and song. The adventures and character of Pinocchio have inspired many visual artists who have illustrated both Collodi's original story and its many adaptations, of which Christine

Nöstlinger's *The New Pinocchio*, illustrated by Antonio Saura, is acknowledged to be one of the best."--Back cover.

How Democracies Die Penguin UK
Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review
In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for

Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

started a personal journey in which the usual became extraordinaire forever. Her journey started in Chile, then continued in France, and culminated with the unveiling of the Seven Documents in South America, in the Atacama Desert, in which the keys to access the universal truths are contained. "Surameris" is the story of that journey and a series of events that portend better times. This new proposal of the universe demands of us a great internal creative preparation, and learn to look at life in new ways. The people of America should encourage people of other continents to perform the Original Master Plan, awaken the personal adventure, discover their true role in this life and continue the relentless pursuit of perfection in every act, in love, health, work, family, and knowledge of life. An opportunity to manifest the glory foretold by ancient cultures.

'The treasure-trove of the real self is within us, but it can be lifted only when the mind is still.' Paul Brunton was one of the 20th century's greatest explorers of, and writers on, the spiritual traditions of the East. He travelled widely throughout India (in particular) and met gurus and teachers who enriched his life immeasurably. By passing on to us the wisdom he learned directly from these holy men, he is widely credited as having introduced yoga and meditation to the West. In *The Secret Path*, Paul Brunton explains in simple language how to meditate, and how this will transform your everyday existence. He also describes the remarkable experiences and understandings he himself gained from meditation and how, by making this ancient practice a part of your life, you will be able to experience a valuable kind of freedom and a deep inner peace. The classic work - which has been reprinted many times - is a very special pointer towards your inner world, and one written by a most unusual and adventurous man of insight.

'The story I'm going to tell is true. It happened to me. It is a tale of Gunpowdertown' Life for Cristal has been upside down for a long time. She can't even remember a time before the war began. Before potatoes for every meal and bombs raining down from the sky. Before being forced to shelter in the dark, damp cellars. Then one day, Cristal's home is turned into a pile of rubble and dust five metres high. But a chance offer saves her family. They move to the safety of a wealthy suburb, camping out amongst the chandeliers and family portraits of someone else's house. That is until the dreaded Russians roll into Vienna and move in too...
