Author John Hairr guides us on an exploration of strange red rains and falling flesh from the skies, sometimes well-explained by science, but other times still mysterious in origin. Numerous episodes from the past are explored through historical records; some from recent years are also investigated.

The Picatrix is the most famous grimoire of astrological magic and one of the most important works of medieval and Renaissance magic. With all four books, the complete text, in one volume,

translated and annotated by the noted scholars, magicians and astrologers John Michael Greer and Christopher Warnock, Picatrix takes its rightful place as an essential occult text for modern esotericists. The Illustrated Picatrix contains over 120 illustrations, with images of the 7 planets and 28 Mansions of the Moon by Nigel Jackson as well as images of the 36 decans and 12 signs by Renaissance artists. This is an authentic ancient magical text, lucidly translated and fully annotated with over 400 footnotes.

Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, My Life with the

Spirits, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.

The Truth About Evocation of Spirits by Donald Michael Kraig reveals the real secrets of communicating with non-physical entities. You will find that many of the things you've seen in novels or movies aren't needed: no fancy apparatus, no hypnotic trances. With this small book, evoking spirits becomes something you can do. You'll discover what evocation really is. You'll learn a bit about its history and why the ancient grimoires describing it are full of traps and things to waste your time. Here you will learn, step-by-step, everything you need to contact spirits described in ancient texts such as The Lesser Key of Solomon the King. First, you'll need to prepare. This simply involves determining which spirit you wish to call, making a copy of its "sigil" (signature), and also constructing a place for it to appear: the Triangle of the Art. Then gather some common items such as candles, paper, and pen and, with the help of this book, you can do this magick!

When you have everything, you are ready to begin. Start with a banishing. Here you will find a complete version of the famous Lesser Banishing Ritual of the Pentagram. Next, the seer inhales incense. This alters that person's consciousness so he or she is ready to see the entity. Then call on the entity according to the instructions given here. Then you ask for information which is in the nature of the spirit to give. Or you can ask the entity you've evoked to do something that it is capable of doing. Of course, it is only fair to give something to the creature in return. That something is magical or spiritual energy. This book explains how you can create that energy

and send it to the entity. Finally, you'll learn how to release the spirit you have evoked back to its home. Never before has so much information been packed into such a small space. If you want to learn this ancient science, get your copy today!

"The Goetia: The Lesser Key of Solomon", also known as the "Clavicula Salomonis Regis", or "Lemegeton", is a centuries old spell book or grimoire. The exact source of the work is anonymous and compilations of older texts began appearing in the 16th and 17th centuries. In 1904, famed English occultists Aleister Crowley and Samuel Liddell MacGregor Mathers translated these older texts and published them in English. This grimoire is concerned primarily with summoning demons and contains the names, symbols, and spells for 72 distinct demon spirits. Crowley and Mathers painstakingly and meticulously researched the seals, charts, and sigils for the demons, making their edition of this ancient text one of the most complete and detailed. Descriptions of the spells and rites necessary for the invocation of these demon spirits is included along with definitions and explanations for many of the unfamiliar terms found throughout the text. This edition of "The Goetia: The Lesser Key of Solomon" remains an essential addition to the library of anyone interested in ancient and Western occult practices. This edition is printed on premium acid-free paper.
