CRANE HOUSTON

Readings in Criminology and Criminal Justice Routledge
Criminal Justice provides a thorough, thought-provoking and critical introduction to the challenges faced by the UK's criminal justice system. A team of high-profile contributors each present a concise overview of their particular field of expertise, detailing key procedures and challenging students to engage with current and topical debates.

Criminology in Brief University Press of America

Why is punishment not more effective? Why do we have such high re-offending rates? How can we deal with crime and

criminals in a more cost-effective way? Over the last decade in particular, the United Kingdom, in common with other jurisdictions such as Canada, the United States (US) and Australia, has sought to develop more effective ways of responding to criminal behaviour through court reforms designed to address specific manifestations of crime. Strongly influenced by developments in US court specialisation, problem-solving and specialist courts - including domestic violence courts, drugs courts, community courts and mental health courts - have proliferated in Britain over the last few years. These courts operate at the intersection of criminal law and social policy and appear to challenge much of the traditional model of court practice. In addition, policy makers and practitioners have made significant attempts to try to embed problem-solving approaches

into the criminal justice system more widely. Through examination of original data gathered from detailed interviews with judges, magistrates and other key criminal justice professionals in England and Wales, as well as analysis of legislative and policy interventions, this book discusses the impact of the creation and development of court specialisation and problem-solving justice. This book will be essential reading for students and academics in the fields of criminology, criminal justice, criminal law, socio-legal studies and sociology, as well as for criminal justice practitioners and policy-makers.

Juvenile Justice SAGE Publications

This book offers a history of crime and the criminal justice system in America, written particularly for students of criminal justice and those interested in the history of crime and punishment. It follows the evolution of the criminal justice system chronologically and, when necessary, offers parallels between related criminal justice issues in different historical eras. From its antecedents in England to revolutionary times, to the American Civil War, right through the twentieth century to the age of terrorism, this book combines a wealth of resources with keen historical judgement to offer a fascinating account of the development of criminal justice in America. A new chapter brings the story up to date, looking at criminal justice through the Obama era and the early days of the Trump administration. Each chapter is broken down into four crucial components related to the American criminal justice system from the historical perspective: lawmakers and the judiciary; law enforcement; corrections; and crime and punishment. A range of pedagogical features, including timelines of key events, learning objectives, critical thinking questions and sources, as well as a full glossary of key terms and a Who's Who in Criminal Justice History, ensures

that readers are well-equipped to navigate the immense body of knowledge related to criminal justice history. Essential reading for Criminal Justice majors and historians alike, this book will be a fascinating text for anyone interested in the development of the American criminal justice system from ancient times to the present day.

Do the Crime, Do the Time CourtsA Text/Reader

Juvenile Justice: A Text/Reader offers a unique new spin on the core textbook format. Organized like a more traditional juvenile justice text, this text/reader is divided into eight sections that contain all the usual topics taught in a juvenile justice course. After a comprehensive overview, each section has an introductory “mini-chapter” that provides engaging coverage of key concepts, developments, controversial issues, and research in the field. These authored introductions are followed by carefully selected and edited original research articles. The readings, from prominent scholarly journals, were written by juvenile justice experts and often have a policy orientation that will help address student interest in the “so what?” application of theory. Key Features and Benefits Boasts extensive and unique coverage of the juvenile justice system, focusing on law enforcement, the court system, correctional responses to juvenile offending, and an overview of the causes of delinquency Features a unique “How to Read a Research Article”—tied to the first reading in the book—to give students a guide to understand and learn from the edited articles that appear throughout the text. Provides an introduction to each reading to give students an overview of the purpose, main points, and conclusions of each article. Utilizes photographs, boxes, and suggested Web

resources to enhance the book’s presentation and engage student interest. Offers a clear and concise summary of key terms and concepts in each section and discussion questions that enhance student comprehension Ancillaries A Student study site at www.sagepub.com/lawrencestudy provides self-quizzes, e-flashcards, additional readings, and more. Instructor Resource on CD include test questions for both the text and readings, PowerPoint slides, teaching tips, and other resources. Qualified instructors can request a copy by contacting Customer Care at 1-800-818-SAGE (7243), 6AM-5PM, Pacific Time. Intended Audience This Text/Reader is designed to serve as a replacement for a core text, or a supplement text for upper-level undergraduate Juvenile Justice courses in departments of criminal justice, criminology, sociology and related disciplines. Interested in a text/ reader for another criminology or criminal justice here? Explore other titles in the series.

CRIMINAL JUSTICE IN AMERICA. THE ENCYCLOPEDIA OF CRIME, LAW ENFORCEMENT, COURTS, AND CORRECTIONS.

SAGE Publications

There are many controversial aspects of our criminal justice system, and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates, trends, and issues. Arranged alphabetically, approximately 100 entries cover background, explanations, notable cases and events, various sides of an issue, and what to expect in the future. Entries are objective and factual, allowing readers to formulate their own conclusions. Sidebars and case examples help to illustrate each entry, and sources for further reading point readers to other important materials. Given the

prevalance of controversial criminal justice topics in the news, this timely reference is an important resource for anyone interested in crime and justice. Entries include: Boot Camps, Corporal Punishment, DNA Evidence, Domestic Violence, Expert Testimony, Eye Witness Identifications, Gun Control, Homeland Security, International Criminal Court, Legalization of Marijuana, Mental Health and Insanity, Police Brutality, Prison Violence, Racial Profiling, School Violence, Sex Offender Laws, Stalking Laws, Supermax Prisons, Three Strikes, Treating Juveniles as Adults, War on Drugs, and more.

Criminology Delmar Pub

This book offers a scholarly introduction to comparative criminal justice. It examines and reflects on the ways different countries and jurisdictions deal with the main stages in the criminal justice process, from policing, to systems of trial, to sentencing, and punishment. This popular bestseller has been fully updated and expanded for the fourth edition. This textbook provides the reader with: a comparative perspective on criminal justice and its main components a knowledge of methodology for comparative research and analysis a discussion of global trends such as the global drop in crime, the punitive turn, penal populism, privatization, international policing and international criminal tribunals an understanding of the emerging concepts in comparative criminal justice, such as security, surveillance, crimmigration and penal exceptionalism a global and historical consideration of the death penalty and international criminal justice increased attention to environmental crime, genocide and policy brutality. The new edition has been fully updated to keep abreast with this growing field of study and research, to include a

broader coverage of judicial decision makers; a new chapter on the death penalty in comparative perspective; and further coverage of key topics such as global policing and electronic monitoring, and new insights into measuring and understanding crime and punishment globally. In this book, lists of further reading, study questions and boxed case studies help bring comparative criminal justice alive for students and instructors alike. This book is perfect reading for advanced undergraduates and postgraduates taking courses in comparative criminal justice and those who are engaged in the study of global responses to crime.

The Case for Problem-Solving Justice ABC-CLIO

White-Collar Crime: A Text/Reader, part of the text/reader series in criminology and criminal justice incorporates contemporary and classic readings (some including policy implications) accompanied by original text that provides a theoretical framework and context for students. The comprehensive coverage of the book includes crimes by workers sales oriented systems, crimes in the health care system, crimes by criminal justice professionals and politicians, crimes in the educational system, crimes in the economic and technological systems, crimes by employees in the housing industry, corporate crime, environmental crime, explanations of white-collar crime, the police and court responses to white-collar crime, and the corrections sub-system and white-collar crime. Features of the book include key points, in focus box inserts, discussion questions, section summaries, and photos.

A Contemporary Perspective Cengage Learning

Now in its ninth edition, this time-tested text continues to gives

students a broad context in which to study the history, theories, and responses to crime and criminology, using a unique blend of both social science and legal research. The only criminology text to include legal case excerpts to demonstrate the role of the courts in the reformation of the criminal justice system, this book gives readers a solid understanding of the integral relationship between the law and theories of criminal behavior. Current topics such as hate crimes, "three strikes" sentencing, changes in Megan's Law, and the law and the Internet, are explored beyond the headlines, examining the implications of our governing theories and policies.

An Integrated Approach SAGE

This current collection of essays on contemporary U.S. criminal justice policy is a timely response to the significant recent growth of policy-oriented research in the fields of criminology and criminal justice. "U.S. Criminal Justice Policy: A Contemporary Reader" addresses how criminal justice policy issues are framed, identifies participants in the policy process, discusses how policy is made, and considers the constraints and opportunities found in the policy process. Findings are linked to broader institutional, cultural and global criminal justice trends, and are used to determine what recent research reveals about crime policy and democratic governance. The main goal of this book is to encourage readers to engage in a dialogue about criminal justice policy, and to think about the potential for criminal justice reform.

A Reader Routledge

Integrating the theoretically-framed, empirically-supported content of a traditional textbook and an edited reader into a single volume, this text/reader exposes readers to original

primary works (26 readings) in the field of organization and management while providing them with a comprehensive review of the field. *Organizational Theory and Behavior in Criminal Justice: A Text/Reader*, by Matthew J. Giiblin, covers the field's core foundational theories and works, as well as contemporary theories and cutting-edge research. Demonstrating that organizations matter and that the study of organizations has far-reaching utility, the book applies broader organization and management principles to a wide range of key entities including police, courts, and corrections, as well as drug traffickers, sex offender treatment providers, and homeland security agencies. Each of these organizations has a criminal justice nexus and is discussed alongside the major components of the criminal justice system. From organizational theory to managing a criminal justice organization, this book is a must-read for anyone pursuing a career in criminal justice administration.

A Text/Reader Routledge

This comprehensive text offers a balanced presentation with a modern approach to the court system in America. *Courts and Criminal Justice in America, 2e*, is the collaboration of the most popular criminal justice authors of the century. Featuring a balanced and modern presentation, this book not only looks at the basic structure of the court system and court process, but also covers the recent trends and controversial issues facing courts today. This student-friendly text does not presuppose any knowledge about the courts or how they operate. Highlighted, controversial cases illustrate the tremendous power that the court system has to regulate citizens' lives, to shape what is acceptable and what is forbidden, and to ensure that criminal

justice policy balances both rights and liberties. This respected author team delivers the most comprehensive introduction to America's courts on the market today. Teaching and Learning Experience The book gives a comprehensive look at the courts, their personnel and the context in which they operate. It provides: A balanced presentation: Includes all sides of the most controversial issues facing courts today Modern approach: Covers a wide range of topics and recent trends in the field that stir controversy and enliven discussion as they relate to the courts Comprehensive, up-to-date coverage: Timely, extensive coverage presupposes no prior knowledge Strong pedagogical features: Gives students the tools to master key concepts faster and more effectively

Introduction to Law Enforcement and Criminal Justice Quid Pro Books

U.S. Criminal Justice Policy: A Contemporary Reader, Second Edition addresses how criminal justice policy issues are framed, identifies participants in the policy process, discusses how policy is made, and considers the constraints and opportunities found in the policy process.

A Text/Reader ABC-CLIO

Written by three nationally recognized experts in the field, *Criminal Courts: A Contemporary Perspective* explores all the fundamental topics (court structure, courtroom actors, and the trial and appeals process) as well as other ground-breaking topics, such as specialty courts and comparative court systems. This bestseller provides you with a foundation for understanding key concepts by reviewing the judicial function, the role and purpose of law, sources of law, the various types of law, and the

American court system's structure and operations. You will build on this foundation by learning about participants in the system and the pretrial, trial, and post-trial processes. Packed with contemporary examples and new pedagogical tools, the Fourth Edition has been thoroughly revised with the most up-to-date content and resources to give you a more comprehensive understanding of the criminal courts system.

Victimology Jones & Bartlett Publishers

This dictionary contains criminal justice terms, criminological concepts, and over 100 cases decided by courts in the federal system, including the United States Supreme Court. These cases address aspects of criminal procedures, as well as individual rights in the U.S. Constitution related to the First, Fourth, Fifth, Sixth, Eighth, and Fourteenth Amendments. Using professional terms in an easy-to-read format, this book will provide the reader with a clear understanding of past and present concepts, terms, and case laws that are related to criminal justice and criminology. It serves as a perfect text for criminal justice and criminology programs at the undergraduate and graduate level. It can also be used as a supplemental adoption for these programs since most texts are written in an esoteric manner.

Criminal Courts in Theory, Research, and Practice SAGE Publications

Race and Crime: A Text Reader includes a collection of recent articles on race and crime published in a number of leading criminal justice journals, along with original textual material that serves to explain and unify the readings. Through discussion of selected articles, numerous topics are explored, including the historical, social, economic and political contexts of race and

crime, such as class, gender, comparative perspectives, justice issues, theories and statistics.

Problem-solving and Court Specialization Macmillan International Higher Education

Key Ideas in Criminology and Criminal Justice is an innovative, fascinating treatment of some of the seminal theories in criminology and key policies in criminal justice, offering a detailed and nuanced picture of these core ideas. With a fluid, accessible, and lively writing style, this brief text is organized around major theories, ideas, and movements that mark a turning point in the field, and concludes with a discussion of the future of criminology and criminal justice. Readers will learn about the most salient criminological and criminal justice research and understand its influence on theory and policy. They will also understand the surrounding socio-political conditions from which the ideas sprang and the style and manner in which they were disseminated, both of which helped these scholarly contributions become cornerstones in the fields of criminology and criminal justice.

Problem-Solving and Court Specialisation Rowman & Littlefield

Courts: A Text/Reader provides the best of both worlds—

authored text sections with carefully selected accompanying readings that illustrate the questions and controversies legal scholars and court researchers are investigating in the 21st century. The articles, from leading journals in criminology and criminal justice, reflect both classic studies of the criminal court system and state-of-the-art research, and often have a policy perspective that makes them more applied, less theoretical, and more interesting to both undergraduate and graduate students.

Courts and Criminal Justice in America Jones & Bartlett Publishers

Federal, state, county, and municipal police forces all have their own codes of conduct, yet the ethics of being a police officer remain perplexing and are often difficult to apply in dynamic situations. The police misconduct statistics are staggering and indicate that excessive use of force comprises almost a quarter of misconduct cases, with sexual harassment, fraud/theft, and false arrest being the next most prevalent factors. The ethical issues and dilemmas in criminal justice also reach deep into the legal professions, the structure and administration of justice in society, and the personal characteristics of those in the criminal justice professions. The Encyclopedia of Criminal Justice Ethics includes A to Z entries by experts in the field that explore the scope of ethical decision making and behaviors within the spheres of criminal justice systems, including policing, corrections, courts, forensic science, and policy analysis and research. This two-volume set is available in both print and electronic formats. Features: Entries are authored and signed by experts in the field and conclude with references and further readings, as well as cross references to related entries that guide readers to the next steps in their research journeys. A Reader's Guide groups related entries by broad topic areas and themes, making it easy for readers to quickly identify related entries. A Chronology highlights the development of the field and places material into historical context; a Glossary defines key terms from the fields of law and ethics; and a Resource Guide provides lists of classic books, academic journals, websites and associations focused on criminal justice ethics. Reports and statistics from such sources as the FBI, the United Nations, and the International Criminal Court are included in an appendix. In the electronic version, the

Reader's Guide, index, and cross references combine to provide effective search-and-browse capabilities. The Encyclopedia of Criminal Justice Ethics provides a general, non-technical yet comprehensive resource for students who wish to understand the complexities of criminal justice ethics.

[America's Courts and the Criminal Justice System](#) SAGE

Open this book and step into America's court system! With Neubauer and Fradella's best-selling text, you will see for yourself what it is like to be a judge, a prosecutor, a defense attorney, and

more. This fascinating and well-researched text gives you a realistic sense of being in the courthouse--you will quickly gain an understanding of what it is like to work in and be a part of the American criminal justice system. This concept of the courthouse "players" makes it easy to understand each person's important role in bringing a case through the court process. Throughout the text, the authors highlight not only the pivotal role of the criminal courts but also the court's importance and impact on society as a whole.
