WESTWORLD meets CHARLIE AND THE CHOCOLATE FACTORY meets JURASSIC PARK, as kids win a chance to enter the place of their dreams -- and find that it quickly turns into a nightmare. It's all anyone talks about, and it's all Cody dreams about. It's the biggest adventure park in the world, and it's more than mere rides and rollercoasters: At ESCAPE, you can do anything you want, be anyone you want, and there are no adults to tell you no. Cody's a nobody, but for some reason he receives an invitation and the opportunity of a lifetime. At first, it's the most fun he's ever had. But after a few days, everything in the park starts to go haywire. One at a time, rides malfunction. Simulations turn deadly. His fantasy world glitches, and the games become races for survival. A voice comes over the intercoms, then-ESCAPE was never a theme park for the rich and famous. It was a place for punishment. They have less than a week to escape from the park before it floods. Only five kids will be allowed to leave. It started out as a fight to get to the coolest rides. Now, they have to fight to survive.

Now available in a deluxe keepsake edition! A Time Best YA Book of All Time (2021) Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. When Claudia decided to run away, she planned very carefully. She would be gone just long enough to teach her parents a lesson in Claudia appreciation. And she would go in comfort—she would live at the Metropolitan Museum of Art. She saved her money, and she invited her brother Jamie to go, mostly because he was a miser and would have money. Claudia was a good organizer and Jamie had some ideas, too; so the two took up residence at the museum right on schedule. But once the fun of settling in was over, Claudia had two unexpected problems: She felt just the same, and she wanted to feel different; and she found a statue at the Museum so beautiful she could not go home until she had discovered its maker, a question

that baffled the experts, too. The former owner of the statue was Mrs. Basil E. Frankweiler. Without her—well, without her, Claudia might never have found a way to go home.
