The Panchatantra is a collection of folktales and fables that were believed to have been originally written in Sanskrit by Vishnu Sharma more than 2500 years ago. This collection of stories features animal characters which are stereotyped to associate certain qualities with them. The origins of the Panchatantra lie in a tale of its own, when a King approached a learned pandit to ask him to teach the important lessons of life to his ignorant and unwise sons. This learned scholar knew that the royal princes could not understand complex principles in an ordinary way. So, he devised a method wherein he would impart important knowledge in the form of simple and easy-to-understand folktales.

The original work was compiled by Ra Ganapathy and for the benefit of English speaking public, an adaptation in English is presented.

The Relaxation Response Aditya Prakashan, Publishers & Booksellers

What is Advaita Vedanta? What means or instruments does it utilize in its attempt to comprehend Reality? What is the nature of its aim? If we begin by answering these questions, we will be ready to follow with the right intelligence the message given by the great SANKARA in Vivekacudamani. The path which is outlined here is not for the majority, quite the contrary. It is for those who, having attained "maturity," tend towards full Awakening. It is for those who want to bring about a profound revolution within themselves; and this requires an act of courage, of steadfastness and, at the same time, of great humility. Advaita Vedanta is for those who, tired of a long pilgrimage, have finally stopped and in the silence of their own hearts have decided to launch a powerful attack on that terrible and treacherous enemy who lives not outside of us but right within us, and

thus realize full liberation from all psycho-physical conflict and bondage. As darkness and its effects vanish when the sun rises, so, when realization of non-dual beatitude dawns, do bondage and suffering vanish without a trace (Vivekacudamani, sutra 319) SANKARA has been one of the greatest philosophers of India. He dedicated his brief and intense life (788-820) to re-establish the authority of the ruti, to codify the Advaita Vedanta, the doctrine of Non-duality, and to anchor the Metaphysical Tradition of the Veda through the foundation of monasteries (maJha) and monastic orders. With his bhasya (commentary) to the Upanisad, the Brahmasutra, and the Bhagavadgita, and with his own writings, Sankara has profoundly influenced not only India's philosophical development, but that of the entire world. RAPHAEL is author and Master in the Western Metaphysical Tradition as well as the Vedanta. For over 35 years, he has written a series of books on the pathway of Non-duality (Advaita). He has translated directly from the original Sanskrit and Edited a number of key Vedanta texts. His entire work is a conscious reunification of both Western and Eastern Traditions into Unity of Tradition.

In this time of quarantine and global uncertainty, it can be difficult to deal with the increased stress and anxiety. Using ancient self-care techniques rediscovered by Herbert Benson, M.D., a pioneer in mind/body medicine for health and wellness, you can relieve your stress, anxiety, and depression at home with just ten minutes a day. Herbert Benson, M.D., first wrote about a simple, effective mind/body approach to lowering blood pressure in The Relaxation Response. When Dr. Benson introduced this approach to relieving stress over forty years ago, his book became an instant national bestseller, which has sold over six million copies. Since that time, millions of people have learned the secret—without high-priced lectures or prescription medicines. The Relaxation Response has become the classic reference recommended by most health care professionals and authorities to treat the harmful effects of stress, anxiety, depression, and high blood pressure. Rediscovered by Dr. Benson and his colleagues in the laboratories of Harvard Medical School and its teaching hospitals, this revitalizing, therapeutic tack is now routinely recommended to treat patients suffering from stress and anxiety, including heart conditions, high blood pressure, chronic pain, insomnia, and many other physical and psychological ailments. It requires only minutes to learn, and just ten minutes of practice a day.

Nandamuri Taraka Rama Rao, widely known as NTR, was not merely a film star who strayed into politics and captured power in Andhra Pradesh. The actor-politician redefined the political culture in the state and scripted a new political idiom. His rather dramatic entry into politics, the profound impact he left on the people of Andhra Pradesh and the vital role he played in national politics during his relatively short political life, however, have not received deserving recognition. Maverick Messiah: A Political Biography of NTR captures different facets of NTR in all their varied hues and puts in perspective the significant contribution of the actor-politician to the Indian political tapestry.

A Vedic Concordance is a monumental work by the famous American Sanskritist Maurice Bloomfield planned prepared and published during the years 1892-1906. It affords primarily an easy and ready means of ascertaining the following things: First where a given mantra occurs if it occurs but once second whether it occurs wlsewhere either with or without variants and in what places and third if it occurs with variants what those variants are. One hundred and nineteen texts in all have been drawn upon for contributions to the concordance comprising .The concordance also includes a very considerable amount of material not yet published. The concordance may also be readily put to certain indirect or secondary uses which are scarcely less important for the systematic progress of vedic study.

The Brahmāṇḍa Purāna Harper Collins

The author of this volume, an accomplished philologist, historian and philosopher, analyzes the relevant earlier and later texts and traces the epistemological foundations of Pali canonical thought from the Vedic period onwards. Originally published in 1963, it sheds new light on later developments and elucidates from the Indian point of view some of the basic problems of the conflict between metaphysics and logical and linguistic analysis.

From the Earliest Times to 600 A.D. Irwin Professional Pub

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god.The translation is preceded by a long introduction offering a geographical and historical context for the GanesaPurana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Bhaja Govindam of Adi Shankaracharya Sasquatch Books

In the present volume,the author has confirmed emphatically that India was also the original homeland not only of the Indo-Aryans but also of the Indo-Iranians and the Indo-Europeans.

Thus Spake Vivekananda Motilal Banarsidass Publ.

'Veda' literally means 'knowledge' in Sanskrit. It is because the term was derived when the ancients thought of putting their experiences in an organised manner. It can't be said in the written form because it is certain that in that hoary past period writing had not been invented. Nevertheless, the four Vedasy viz. Rigveda, Saamveda, Yajurveda and Atharvaveda, are known to contain the pristine gems of Indian wisdom. They appear universally important because they constitute one of the first records of the human 'awakened' experiences. They can be said to be the very fount of Indian wisdom. It is their status, apart from the contents, that made them universally popular. It is to highlight their extreme significance that we are undertaking this project of revealing before the curious readers their Sookta or aphorism- wise translation.
