ISABEL KLINE

Over the Woodward Wall Penguin

Eighteen-year-old Kali McAlister enters her steam-powered "dogless sled" in a race, intending to win the thousand-dollar prize and escape remote Moose Hollow forever. The problem? Fortune seekers and airship pirates are after her for the secret to flash gold, her late father's alchemical masterpiece.

A Cinderella Retelling Tordotcom

Shadows of Asphodel Box Set: A Dieselpunk Fantasy Romance Trilogy Karen Kincy

Storms of Lazarus Sourcebooks, Inc.

One winter long ago, Tavian Kimura watched his mother—a kitsune, or Japanese fox-spirit—leave him in the snow for the dogs. But that's a memory buried beneath eleven years, and he has lived most of his life in America with his adoptive family and his girlfriend, Gwen. Now he's back. All it took was an invitation to spend New Year's with his grandparents, and Tavian finds himself in Tokyo with Gwen by his side. It should be a time of celebration, but it becomes a time of nightmares. A faceless ghost haunts Tavian, warning him that "she" is coming. A gang of inugami—fiercely loyal dog-spirits—wants him dead. Why? The inugami believe he strongly resembles one of their most hated enemies, a kitsune named Yukimi. Is Yukimi the mother who abandoned him? Tavian never knew her true name. He doesn't even know his own true name, the key to a kitsune's magic. And soon his untrained magic threatens to kill him, straining his half-human body. Tavian realizes that finding his mother might be the only way to find answers, before it's too late. "The kitsune legend has never looked so good. Tavian is one sexy fox." - Julie Kagawa, New York Times bestselling author of *The Iron King*.

An *Anthropology of Landscape* tells the fascinating story of a heathland landscape in south-west England and the way different individuals and groups engage with it. Based on a long-term anthropological study, the book emphasises four individual themes: embodied identities, the landscape as a sensuous material form that is acted upon and in turn acts on people, the landscape as contested, and its relation to emotion. The landscape is discussed in relation to these themes as both 'taskscape' and 'leisurescape', and from the perspective of different user groups. First, those who manage the landscape and use it for work: conservationists, environmentalists, archaeologists, the Royal Marines, and quarrying interests. Second, those who use it in their leisure time: cyclists and horse riders, model aircraft flyers, walkers, people who fish there, and artists who are inspired by it. The book makes an innovative contribution to landscape studies and will appeal to all those interested in nature conservation, historic preservation, the politics of nature, the politics of identity, and an anthropology of Britain.

Fallen Snow UCL Press

He's an abomination. She's the only one who can save him. 1913. Austria-Hungary. Wendel may be devilishly handsome, a charming bastard with the manners of disinherited royalty, but he's an abomination. His skin shivers with the icy fire of necromancy. With one touch, he can raise the dead.

Worse still, he's being hunted by assassins from Constantinople, and he would rather die than confess why. Ardis escaped her own dark past, fleeing from America as a fugitive to become a mercenary for the Archmages of Vienna. When she discovers Wendel bleeding out on the battlefield, she saves his life with a ransom in mind. She never asked for him to fall to one knee and declare his undying loyalty, or for tension to smolder hot between them. Especially once she discovers his scars run much deeper than his skin. *Shadows of Asphodel* is a fast-burn dieselpunk fantasy romance novel with lush worldbuilding and gritty fight scenes. Perfect for fans of enemies to lovers, secret royalty, and tortured bad boys who might not be redeemable.

Bloodborn Karen Kincy

Kidnapping. Enslavement. Murder. Those are only the tip of the iceberg when it comes to actions some will take to protect their interests in æther-oil, the coveted substance that fuels the city of Huile. As both veteran and private investigator, Marcel Talwar knows this firsthand, and he likes to think he'd never participate in such things. However, that naïve idea comes to a crashing end when he takes on a new case that quickly shatters his world view. A trail of evidence points to someone in Marcel's inner circle who's using him as a pawn to conduct grisly experiments—experiments that could lead to genocide. Now, Marcel is more determined than ever to discover who's pulling the strings to this sinister plot. But the further he gets, the larger the target on his back becomes, and it's not long before Marcel has to ask himself how much and how many he's willing to sacrifice to get to the truth.

Black City Saint Steel & Stone

"Action, adventure, steampunk, and blazing hot seduction... Bec McMaster offers it all."—Eve Silver, author of *Sins of the Flesh* A brilliantly creative debut where vampires, werewolves, and clockwork creatures roam the mist-shrouded streets of London... When Nowhere is Safe Most people avoid the dreaded Whitechapel district. For Honoria Todd, it's the last safe haven. But at what price? Blade is known as the master of the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single-handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking.

Wild Cards Simon and Schuster

Ghosts and other supernatural phenomena are widely represented throughout modern culture. They can be found in any number of entertainment, commercial, and other contexts, but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them, based on tradition or direct experience. Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. Goldstein, Sylvia Ann Grider, and Jeannie Banks Thomas take ghosts seriously, as they draw on contemporary scholarship that emphasizes

both the basis of belief in experience (rather than mere fantasy) and the usefulness of ghost stories. They look closely at the narrative role of such lore in matters such as socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

The Angry Island University Press of Colorado

Gwen Williams is like any seventeen-year-old except that she is a shapeshifter living in Klikamuks, Washington, where not everyone tolerates "Others" like Gwen, but when someone begins killing Others she must try to embrace her true self and find the killer before she becomes the next victim.

A Steampunk Novel Set in the Yukon Flux

Perfect for fans of enemies to lovers, secret royalty, and tortured bad boys who might not be redeemable.

Hunting the English Diana Dawn Books

For more than sixteen hundred years, Nick Medea has followed and guarded the Gate that keeps the mortal realm and that of Feirie separate, seeking in vain absolution for the fatal errors he made when he slew the dragon. All that while, he has tried and failed to keep the woman he loves from dying over and over. Yet in the fifty years since the Night the Dragon Breathed over the city of Chicago, the Gate has not only remained fixed, but open to the trespasses of the Wyld, the darkest of the Feiriefolk. Not only does that mean an evil resurrected from Nick's own past, but the reincarnation of his lost Cleolinda, a reincarnation destined once more to die. Nick must turn inward to that which he distrusts the most: the Dragon, the beast he slew when he was still only Saint George. He must turn to the monster residing in him, now a part of him...but ever seeking escape. The gang war brewing between Prohibition bootleggers may be the least of his concerns. If Nick cannot prevent an old evil from opening the way between realms...then not only might Chicago face a fate worse than the Great Fire, but so will the rest of the mortal realm. From the Trade Paperback edition.

The Christmas Curse Simon and Schuster

A USA Today bestseller! "Breath of Fire is a heart-pounding and joyous romantic adventure. Amanda Bouchet's talent is striking."—NALINI SINGH, New York Times bestselling author *I AM CATALIA FISA*, *AND I DO NOT BREAK* Deep breath in. Long breath out. The Gods are telling me I'm some sort of new Origin, which apparently means it's my job to give Thalyria a fresh start. Griffin crowned me with the symbols of the three realms. If I'm supposed to be not just a queen but the Queen, I'd better start acting like it. *The Kingmaker Chronicles: A Promise of Fire (Book 1) Breath of Fire (Book 2) Heart on Fire (Book 3)* More praise for *Breath of Fire*: "Bouchet sets the bar for high-concept fantasy romance. Simply brilliant."—Kirkus STARRED Review "[Bouchet's] world-building reaches new heights ... [a] page-turning addition to the series."—Booklist, STARRED Review Readers are raving about the *Kingmaker Chronicles* "Give this to your Game of Thrones fans."—Booklist STARRED Review "Loved it!"—ELOISA JAMES, New York Times bestselling author "Utterly breathtaking!"—DARYNDA JONES,

New York Times bestselling author "Masterful worldbuilding."—Kirkus STARRED Review "Absolutely fabulous."—C.L. WILSON, New York Times bestselling author of *The Winter King* "Easily my favorite book of 2016!"—Bookriot "I think you all should just go read it now."—Smexy Books "Simply awesome!"—The Romance Reviews

A Shadows of Asphodel Novella Karen Kincy

Think of England, and anger hardly springs to mind as its primary national characteristic. Yet in *The Angry Island*, A. A. Gill argues that, in fact, it is plain old fury that is the wellspring for England's accomplishments. The default setting of England is anger. The English are naturally, congenitally, collectively and singularly livid much of the time. They're incensed, incandescent, splenetic, prickly, touchy, and fractious. They can be mildly annoyed, really annoyed and, most scarily, not remotely annoyed. They sit apart on their half of a damply disappointing little island, nursing and picking at their irritations. The English itch inside their own skins. They feel foreign in their own country and run naked through their own heads. Perhaps aware that they're living on top of a keg of fulminating fury, the English have, throughout their history, come up with hundreds of ingenious and bizarre ways to diffuse anger or transform it into something benign. Good manners and queues, cul-de-sacs and garden sheds, and almost every game ever invented from tennis to bridge. They've built things, discovered stuff, made puddings, written hymns and novels, and for people who don't like to talk much, they have come up with the most minutely nuanced and replete language ever spoken -- just so there'll be no misunderstandings. *The Angry Island* by turns attacks and praises the English, bringing up numerous points of debate for Anglophiles and anyone who wonders about the origins of national identity. This book hunts down the causes and the results of being the Angry Island.

Breath of Fire Llewellyn Worldwide

Love, life, and sports will never be the same. A steamy new global teen series in the 'new adult' genre.

A Novel Sourcebooks, Inc.

Never trust a pirate. The Blood Bell tolls, marking the death of the pirate king and the start of the Trials—a heart-stopping competition where the reward is the Bone Crown. Only one contender can claim the coveted island throne; each will gamble life and limb to win. Captain. Sister. Maiden. Csilla Abado yearns to prove her strength to the seasoned pirates who balk at her youth and to her elder sister who has always craved Csilla's captainship. She will risk everything to become the first pirate queen, no matter the cost. Dealer. Son. Legacy. Kane Blackwater wants to leave behind the dirty gold and shady trades he's made to keep his father's ship, the Iron Jewel, alive. The Trials represent a new beginning—yet rumors of a secret heir are swirling, threatening his hopes of becoming the pirate king. Stowaway. Daughter. Storm. Lorelei Penny longs for nothing more than to avenge her mother's death. Stowing away on the Iron Jewel was supposed to get her closer to the killer, but instead she finds herself caught up in the deadly battle where loyalty and desire collide. Csilla. Kane. Lorelei. Each on a mission. The sea, however, has other plans. Dark tides are rising, and if they aren't careful, they'll surely drown.

Beautiful Darkness Tiny Fox Press

It's almost Christmas 1806, and government agent Jared Templeton finds himself adopted by a beautiful stray dog as he walks his customary route each night to his Mayfair home. Having never

owned a dog before, Jared is surprised to find himself talking to the beast. It's wonderfully easy and lifts some of the heavy burdens he carries. Eventually Jared confides in the dog, not only secrets about his work as an agent, but also the biggest secret about himself. About his innermost desires and needs, safe in the knowledge his companion will never betray him. But at the stroke of midnight on Christmas Eve, Jared discovers things are not quite what they seem ...

Verily, A New Hope Simon and Schuster

Konstantin would love to hide in his laboratory and dissect the clockwork dragon captured from Russia, but the Archmages of Vienna have other plans. He finds himself shipped off to St. Petersburg as the scientific attache to an ambassador. His orders? Look, but don't touch. Of course, he considers this an impossible request with so much enemy technomancy to explore. To make matters worse, Konstantin has to work with the dashing zeppelin commander Himmel, a man who should also be untouchable. They can't act on the smoldering attraction between them without risking it all. Faced with an illegal relationship and a devious rival technomancer, Konstantin might not return from this mission in Russia without conquering the forbidden."

The Elders and Welders Chronicles Quirk Books

Saturday 09:11 Hours: A blast rocks a London hospital and thousands are dead or injured... 10:09 Hours: Joe Ledger arrives on scene to investigate. The horror is unlike anything he has ever seen. Compelled by grief and rage, Joe rejoins the DMS and within hours is attacked by a hit-team of assassins and sent on a suicide mission into a viral hot zone during an Ebola outbreak. Soon Joe Ledger and the Department of Military Sciences begin tearing down the veils of deception to

uncover a vast and powerful secret society using weaponized versions of the Ten Plagues of Egypt to destabilize world economies and profit from the resulting chaos. Millions will die unless Joe Ledger meets the this powerful new enemy on their own terms as he fights terror with terror.

Bloodborn BenBella Books, Inc.

In this spellbinding romance by the acclaimed, USA Today bestselling author of *The Luckiest Lady in London*, a beautiful and cunning woman meets her match in a man just as dangerous and seductive as she is, putting both her heart and her future at risk... Hidden beneath Catherine Blade's uncommon beauty is a daring that matches any man's. Although this has taken her far in the world, she still doesn't have the one thing she craves: the freedom to live life as she chooses. Finally given the chance to earn her independence, who should be standing in her way but the only man she's ever loved, the only person to ever betray her. Despite the scars Catherine left him, Captain Leighton Atwood has never been able to forget the mysterious girl who once so thoroughly captivated him. When she unexpectedly reappears in his life, he refuses to get close to her. But he cannot deny the yearning she reignites in his heart. Their reunion, however, plunges them into a web of espionage, treachery, and deadly foes. With everything at stake, Leighton and Catherine are forced to work together to find a way out. If they are ever to find safety and happiness, they must first forgive and learn to trust each other again...

Dragon by Midnight Pyr

Having fallen for a human boy, a beautiful teenage werewolf must battle both her packmates and the fear of the townspeople to decide where she belongs and with whom. Simultaneous.
