Approximately 30 minutes long, this cantata is ideal for incorporation into the regular worship service. You can lengthen the program by adding instrumental solos, congregational hymns, costumes and simple staging. The optional orchestration is simple to prepare and perform, and it appears right in the Choral Score (individual instrumental parts available separately). Perform with any or all of the instruments: flute, 2 trumpets, acoustic guitar, percussion and handbells-the handbell

part is playable by either singers or ringers.

Julia Crowe interviews the world's leading guitarists, from Les Paul, Carlos Santana, Peter Frampton and Jimmie Vaughan, Joe Satriani, Melissa Etheridge, to Lee Ranaldo, George Benson and Jimmy Page. In interviews that offer an intimate insights into their beginnings as they recall their first instrument and share their memories of the inspiration, challenges, and successes of their early days. "Collecting these tales has been admittedly addictive because each story is as unique, compelling and illuminating as the

performer... My intent was simple - to ask the artists to speak for themselves." - Julia Crowe Crossing a vast array of genres, showing the common experience of all guitarists, Julia Crowe offers intimate and deeply human insights into a musician's beginnings as her interviewees recall their first instrument and share their memories of the inspiration, challenges, and successes of those early days.

The Blues Encyclopedia is the first full-length authoritative Encyclopedia on the Blues as a musical form. While other books have collected biographies of blues performers, none have taken a scholarly approach. A to Z in format, this

Encyclopedia covers not only the performers, but also musical styles, regions, record labels and cultural aspects of the blues, including race and gender issues. Special attention is paid to discographies and bibliographies. [Most Beautiful Hymns for Solo Classical Guitar](#) Hal Leonard Corporation Anderson-Green (English, Kennesaw State U.) tells the stories of several legendary performers and instrument makers from the Upper New River Valley-Whitetop Mountain region. With a focus on performers from Alleghany and Ashe Counties in North Carolina and Carroll and Grayson Counties in Virginia, she reveals how they started to bring the music of

Appalachia to a wider audience well before the emergence of Nashville as a country music center, and she relates the experiences and values behind the practice of this musical heritage. Annotation copyrighted by Book News, Inc., Portland, OR

Gruhn's Guide to Vintage Guitars

Quarto Publishing Group USA (Guitar Reference). Leo Fender's company changed the course of popular music in 1954 when they introduced the Stratocaster. Since then, the Strat has been played by countless guitarists, from Jimi Hendrix to Buddy Guy and Jeff Beck. In this book, interviews with important Strat players from every decade illustrate the

instrument's versatility, playability, and continuing importance. This is the complete story of the Stratocaster and the Fender company, from the struggles of the 1950s to the new models, retro reissues, and luscious collectibles of the 21st century. The Stratocaster Guitar Book is a glorious compendium of beautiful pictures, a gripping history, and a detailed guide to all Strat models. A must for all guitar lovers!

"In *The Electric Guitar*, scholars working in American studies, business history, the history of technology, and musicology come together to explore the instrument's importance as an invention and its peculiar place in American culture. Documenting the critical and evolving relationship among inventors, craftsmen, musicians, businessmen, music writers, and fans, the

contributors look at the guitar not just as an instrument but as a mass produced consumer good that changed the sound of popular music and the self-image of musicians."--BOOK JACKET.

The Stratocaster Guitar Book

Routledge

A fascinating look at more than 100 of the Martin Guitar Company's custom guitars, created for the world's most famous musicians, including Sting, Eric Clapton, and Elvis-along with the inside stories behind each design. From the infamous 'Elvi' guitar owned by Elvis Presley (his original D-18 missing the 's' from his name) to customized instruments belonging to Bob Dylan, Willie Nelson, Joan Baez,

Sting, and Eric Clapton, the Martin Guitar company has made a guitar for nearly every notable musician who's ever held a six-string. Now, MARTIN GUITAR MASTERPIECES revisits more than 100 of the company's most desirable guitars, ranging from those belonging to Stephen Stills, David Crosby, Paul Simon, and Johnny Cash to guitars owned by newer artists like Beck, Babyface, and Jonny Lang. Dick Boak, head of Artist Relations and Publicity at C. F. Martin, acts as the artist liaison in these collaborations and now, for the first time, enthusiastically outlines his experiences. Readers also get a sneak preview of Martin's millionth instrument, due in 2004.
