From Wizards to Wallflowers Penguin

The first book from LA Times Book Prize and Printz Honor winner A.S. King--a witty, snarky tale of love and family, revenge and reincarnation, and pirates. In the late seventeenth century, famed teenage pirate Emer Morrisey was on the cusp of escaping the pirate life with her one true love and unfathomable riches when she was slain and cursed with "the dust of one hundred dogs," dooming her to one hundred lives as a dog before

returning to a human body-with her memories intact. Now she's a contemporary American teenager and all she needs to escape her no-good family and establish a luxurious life of her own is a shovel and a ride to Jamaica...

Have You Met My Ghoulfriend? Little, Brown

Gustav Klimt, one of the great painters of fin de siècle Austria—and the subject of Helen Mirren's latest film, *Woman in Gold*—takes center stage in this passionate and atmospheric debut novel, which reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge, the woman who posed for his masterpiece *The Kiss*, and whose name he uttered with his dying breath. Vienna in 1886 was a city of elegant cafés, grand opera houses, and a thriving and adventurous artistic community. It is here where the twelve-year-old Emilie meets the controversial libertine and painter. Hired by her bourgeois father for basic drawing lessons, Klimt introduces Emilie to a subculture of dissolute artists, wanton models, and decadent patrons that both terrifies and inspires her. *The Painted Kiss* follows Emilie as she blossoms from a naïve young girl to one of Europe's most exclusive couturiers—and Klimt's most beloved model and mistress. A provocative love story that brings to life Vienna's cultural milieu, *The Painted Kiss* is as compelling as a work by Klimt himself.

Alexander and the Terrible, Horrible, No Good, Very Bad Day Ember

Sworn enemies Asher Tran has disliked Ezekiel Harrington since the day he yanked on her ponytail and stuck his tongue down her throat on a dare. That was in grade school. Fast-forward to their last year of college and Asher is confident she's changed for the

better. Ezekiel? He's the same. Rich. Cocky. Couldn't care less whose feelings he's hurt. Has a following of love-struck coeds. So he plays rugby and has a super fine body? Big deal. A jerk is a jerk is a jerk. A dangerous proposition When Ezekiel asks for her help—he's failing one of his classes (no surprise there)—Asher counteroffers with a dangerous proposition. It's time someone reforms the bad boy. Putting their hearts on the line But when their arrangement brings them closer than they've ever let anyone in, Asher and Zeke are left wondering whether their differences will keep them together or... tear them apart.

All the Days After Autumn's Kiss

"Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute* A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints

and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...
