Team David Burns Team David Burns The goal of TEAM is to produce significant and dramatic changes, and hopefully within today's therapy session. I have rejected the notion that personal change and healing has to be a slow process, drawn out over months, years, or even decades of treatment. From CBT to T.E.A.M. - Feeling Good TEAM Therapy, created by Dr. David Burns is not a new "school" of therapy, but

rather a framework for conducting evidence-based therapy.

Sometimes people know that they don't feel quite right, but they can't put their finger on what is bothering them. Testing can help clarify what the problem is.
