The scriptures in the Holy Bible are the inspired, God-breathed word. Hebrews 4:12 says, "The word of God is living and active, sharper than any two-edged

sword..." In a day when so many are seeking absolute truth, the one place to find it is in the Bible. Using day-to-day analogies and surrounded by scriptures, this devotional will help you navigate a closer walk with God the Father, Jesus the Son, and the Holy Spirit. Each devotional is just the right length for managing a quick study with your coffee as you begin your day. Are you ready for the word of God to come alive in your spirit?

*How to Live an Abundant, Blessed Life as a Christian* Abingdon Press

A study guide that answers many of the

questions people have about the Christian Faith. Why do I need salvation? Does Hell really exist? There are so many religions which one is true? How do I know I am really saved? Who is God, Jesus, and The Holy Spirit? Is the Bible from man or God? What are Angels? What is man and his purpose? Why is there a Devil and how do I resist him? What is the Church and should I attend? How should I pray? What does obedience have to do with Christianity? Why and how should I share my faith? This book is written so that seasoned believers can strengthen their

walk and use the book to share with or teach others. This book will help new Christians learn the major foundations of the Christian faith. This book will help the unbeliever to understand Christianity. It will motivate and challenge the reader to make a personal rather than the consensus, decision about who Jesus Christ is.

#### *The Narrow Path Crossway*

During His ministration on the Mount, Christ exhorted His disciples to choose the narrow gate, not the broad one, because only the narrow path and the narrow gate lead to eternal life. Yet few individuals find it. How can we find it? To take the path towards eternal life we must embrace a change to godly living. Tomorrow might be too late. This means we must obey God's commandments, have hearts of forgiveness and be filled with the Holy Spirit, in fear of our Lord. There is no room for pride in the Kingdom of Heaven. The path towards the narrow gate can only be achieved by total submission to His mandates.

#### **As We Walk Through The Narrow Path**

Thomas Nelson

This book was birthed as a result of seeing

many sincere Christians falling into heresy, myths, and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit. The contents of this book are not fictional. They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches. This book is dedicated to help those who want to move in the Spirit of God, to be truly led by him and not by man-made rules and teachings, which have no power to manifest the presence of God in their walk. The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living. The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit; these are Numbers 33:33, Job 33:33, and Ezekiel 33:33.

If God spoke to you, what advice would He give you during these turbulent and uncertain times? Walking the Narrow Path with Christ is based on an actual encounter author Gary Dean Brown had with God. The notes he took during that

experience became the inspiration and foundation of this book. Through this guide, you will learn how to activate the power of God in your life, how to live with spiritual passion and develop an unshakeable bond with Christ, even in the midst of a world increasingly turning its eyes away from Him. This material captures areas of vital importance for every Christian, including pursuing eternity, building your eternal legacy, acknowledging and overcoming sin, and receiving God's blessings and favors. Also included is a unique method of praying, called the 7 Prayer Steps, that may forever change the way you communicate with God. This book is a must read for all Christians who want to know God more intimately and seek to understand how to do His Will in your life.

We have been warned that the way to life is narrow and few will find it. We as humans are searching for meaning, but apart from God's light we stumble in darkness. This is one woman's journey of spiritual blindness of the New age, Occult, and mysticism in the church, to finding the

true light that can only be found in Jesus. *The Narrow Gate: Strait Is the Path That Leads to Eternal Life* WestBow Press  
A Concise Summary of Biblical Truth by John MacArthur Doctrine not only equips you with more knowledge about God, it also shapes your affections toward him and directs your actions for him—but it can be difficult to know where to begin. This concise handbook, developed from John MacArthur's larger work *Biblical Doctrine*, is an entry point for studying theological topics such as the Bible, the Holy Spirit, the church, and more. As MacArthur walks through the essentials of the Christian faith doctrine by doctrine, he'll not only encourage your heart and mind, but also empower you to proclaim the faith that was "once for all delivered to the saints" (Jude 3).

Many Christians today will ask the question, "What would Jesus do?" However, when we search with a deep desire to know what He actually did and taught, we find a big discrepancy between that and what is most often taught. All Christians owe it to themselves and to

their Savior to make sure they are living as He desires them to live and not merely following the doctrines and traditions they have come to accept as fact. This book will challenge and encourage you to go further with God. It will help you re-evaluate many areas of your life according to the timeless truths of Scripture taken at face value. The sad truth is that many Christians are totally unaware of the fact that they have been deceived. Thus, they are not living the lives God desires them to live. This book is a journey in finding out what the disciples of Jesus knew and how this affected their lives. You will be surprised to see how different the lives of those believers were from the lives of believers today. When you are finished, you will be able to answer the question: "Are you really on the narrow path or have you been deceived?"

**The Man of Nazareth** Westminster John Knox Press

Our entire spiritual journey along with our free will boils down to either choosing to walk with Jesus (LIFE) or choosing the way of the world (DEATH). In God there is life, and life in abundance. Not just eternal life, but life in spirit, in soul and in body. Yet,

there is a real difference between knowing of Him and knowing Him. In Him we abide in life, and walk in such life, but this calls for obedience to His Truth, to His Way and to His Kingdom. From a true relationship with the Lord, not religion, flows life and the blessings of such divine life.

Deuteronomy 30 outlines the Offer of Life or Death. In the Old Testament life and death translated into blessings and curses for the Israel nation. Under the Law of Moses, the Lord presented to His people a very simple choice – follow God and live, or disobey God and die. Take note of verse 15: See, I set before you today life and prosperity, death and destruction. Under the New Covenant, we are either going to follow God and live in abundance – spirit, soul and body – or we are going to choose to allow ourselves to suffer the touch of death. The Life and Death series of five volumes explores in-depth how to walk in God's divine life, how to guard over such life and to avoid the pitfalls of death that manifests in so many ways, not just physical. The Life and Death series is a volume of work stretching over many years, guided by the Holy Spirit, in order for the disciples of the Lord to understand

we can walk in life, yet this calls for remaining true to the Word, to His Will, to His Ways and His Kingdom. Be blessed on this journey, and know that God desires us to walk in life - but we need to choose. Either life, or death.

In a time when competing and often irreconcilable belief systems seem to dominate all religious conversation in Christianity, N. Graham Standish offers an alternative for leading a spiritual and faithful life. Providing models that embrace elements of many spiritual traditions within Christianity, *Discovering the Narrow Path* seeks to hold all extremist positions in perfect tension, by integrating their essential truths yet also recognizing their flaws. In doing so, Standish surveys the wisdom of the mystics, the practice of forming a Trinitarian faith, the openness of healing traditions, and the value of balancing prayer and action, as well as spirituality,

theology, and religion. Complete with two appendices, one a guide for group study and one an introduction to spiritual reading, *Discovering the Narrow Path* is an essential resource for those seeking spiritual fulfillment.

Sounding the trumpet of God as a prophetic warning! The Christian church has become lukewarm. God is calling his people to repent and turn from their wicked ways, then Jesus will hear from heaven and heal their land. Jesus will turn the hearts of the fathers to the children

and turn the hearts of the children to the fathers. The time is now to have a spiritual awakening. It's time to examine ourselves and ask Jesus to cleanse us of all unrighteousness. Not to just forgive our sins, but to deliver us from our sins. There are many Christians that are in bondage to many temptations from the devil. The good news is that there is power available to every child of God to break those chains that hold them captive to Satan. The power of God is in his word. My book will lead the reader to experience a new freedom in Christ and to stay on the narrow path that Jesus said few will find.

Riding home from church one Sunday, a mother heard her three sons in thoughtful conversation. 'I sweated more than you in church today,' announced the oldest. 'Nuh uh,' the middle boy chimed in. 'I sweated so much it came through my shirt.' 'That's nothing,' replied the youngest. 'I sweated the most. I could even smell me.' Through a humorous collection of adventures in motherhood, Donna Tobin Smith invites you to tag along as she and her husband lead, drag, and pull three rowdy boys down the narrow path toward being mighty men of God. Muddy Feet on the Narrow Path is a faith-filled journey of one brave mom and her family of fellows, who believe that in spite of human frailties, it is worth the fight to 'Enter through the narrow gate...' (Matthew 7:13). Grab your hiking boots for an adventure of a lifetime. Whether you've already blazed the trail or are just beginning the journey, Muddy Feet on the Narrow Path will warm your heart and tickle your funny bone, encouraging you that it is possible to stay on the narrow path. As Smith recounts, God sent people along the way to help, to pray, and to care for her family when they didn't have the strength to clean their own

boots. The narrow path is calling, so take a deep breath and let's get going. The One who loves you is waiting at the end of the path with open arms and a bucket of warm soapy water. What could be better than that?

**A Treatise on the Kingdom of God- What it is and Why it Matters Book Two: All the King's Men** Morgan James Faith

Jesus said that 'the way leading to life is narrow and those who are finding it are few' (Matthew 7 v 14). Having come through the narrow gate, what direction are Christians called to take in their life journey? Exactly what is it that Christians are called to do in their daily lives? Many Christians consider that the answer is fairly easy and straightforward. They say that Christians are called to focus on living a 'godly life' - but what does that actually mean in practical terms? Does it mean going to church every Sunday to worship and praise God? Does it mean seeking an experience of the presence of God, or 'spiritual gifts' so as to be empowered to 'walk in the Spirit'? Does it mean 'getting going and getting involved' in attending fellowship Bible studies and prayer

meetings, and helping out with fellowship activities such as Evangelism projects, or maintaining the church website, or helping out in the youth club or pre-school coffee mornings and so on? Does it mean getting involved in local community and charity work? Does it mean looking to the Ten Commandments and using God's Law as personal ideals and resolutions so as to be 'spurred on' to do what God commands?

Does it mean withdrawing from the world, not going to nightclubs, not watching movies, not going to bars and works parties so as to become like a hermit in order not to be 'led astray' by ungodliness? Does God have a specific, individual, personal plan for each and every Christian? If so, how do Christians find out what that specific plane for them

actually is? This book seeks to define the 'narrow path' and the way in which Christians are being called to walk along it according to the teaching of Jesus and his Apostles, illustrating the direction of travel, where the path leads to and some of the sidetracks that lead to 'dead ends' and to be avoided. It is intended for all Christians, but especially Christians who are involved in teaching and leadership.
