Master Spectra

The first volume in legendary master and New York Times bestselling author Raymond E. Feist's epic heroic fantasy series, *The Firemane Saga*—an electrifying tale of two young men whose choices will determine a world's destiny. For centuries, the five greatest kingdoms of North and South Tembria, twin continents on the world of Garn, have coexisted in peace. But the balance of power is destroyed when four of the kingdoms violate an ancient covenant and betray the fifth: Ithrace, the Kingdom of Flames, ruled by Steveren Langene, known as "the Firemane" for his brilliant red hair. As war engulfs the world, Ithrace is destroyed and the Greater Realms of Tembria are thrust into a dangerous struggle for supremacy. As a Free Lord, Baron Daylon Dumarch owes allegiance to no king. When an abandoned infant is found hidden in Daylon's pavilion, he realizes that the child must be the missing heir of the slain Steveren. The boy is valuable—and vulnerable. A cunning and patient man, Daylon decides to keep the baby's existence secret, and sends him to be raised on the Island of Coaltachin, home of the so-called Kingdom of Night, where the powerful and lethal Nocusara, the "Hidden Warriors," legendary assassins and spies, are trained. Years later, another orphan of mysterious provenance, a young man named Declan, earns his Masters rank as a weapons smith. Blessed with intelligence and skill, he unlocks the secret to forging King's Steel, the apex of a weapon maker's trade known by very few. Yet

this precious knowledge is also deadly, and Declan is forced to leave his home to safeguard his life. Landing in Lord Daylon's provinces, he hopes to start anew. Soon, the two young men—an unknowing rightful heir to a throne and a brilliantly talented young swordsmith—will discover that their fates, and that of Garn, are entwined. The legendary, long-ago War of Betrayal has never truly ended . . . and they must discover the secret of who truly threatens their world.

Silverthorn Harper Collins

As it began, so shall it end—in magic, mystery, and majesty . . . An uneasy quiet has settled upon Midkemia in the wake of a surprise invasion. But the land is far from peaceful. Leaderless, the Kingdom is on the brink of anarchy and civil war, unless Hal conDoin, Duke of Crydee, and his brothers can rally their allies to crown a new king. Yet the bravery of determined warriors—brothers in blood and arms—is not enough to ensure the Kingdom's preservation without the magic of the Master Sorcerer Pug. But to save Midkemia—and everything he has fought for and all he cherishes—Pug will have to pay the ultimate price. A breathtaking tale of elves and men, love and hate, ambition and sacrifice, intrigue and brotherhood, war and peace, *Magician's End* is the final volume in Raymond E. Feist's epic Riftwar Cycle, and brilliantly captures the essence of life and the eternal struggle for survival.
