The Official A Game of Thrones Coloring Book Voyager

Winter approaches Westeros like an angry beast. The Seven Kingdoms are divided by revolt and blood feud. In the northern wastes, a horde of hungry, savage people steeped in the dark magic of the wilderness is poised to invade the Kingdom of the North where Robb Stark wears his new-forged crown. And Robb's defences are ranged against the South, the land of the cunning and cruel Lannisters, who have his younger sisters in their power. Throughout Westeros, the war for the Iron Throne rages more fiercely than ever, but if the Wall is breached, no king will live to claim it.

A Dance with Dragons: Part 1 Dreams and Dust Voyager

The Starks are scattered. Robb Stark may be King in the North, but he must bend to the will of the old tyrant Walder Frey if he is to hold his crown. And while his youngest sister, Arya, has escaped the clutches of the depraved Cersei Lannister and her son, the capricious boy-king Joffrey, Sansa Stark remains their captive. Meanwhile, across the ocean, Daenerys Stormborn, the last heir of the Dragon King, delivers death to the slave-trading cities of Astapor and Yunkai as she approaches Westeros with vengeance in her heart.

R. Martin's landmark series, this gorgeously illustrated special edition of A Clash of Kings features over twenty all-new illustrations from Lauren K. A CLASH OF KINGS A SONG OF ICE AND FIRE: BOOK TWO With a special foreword by Bernard Cornwell Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the harsh, chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and Robert Baratheon—who held sway over an age of enforced peace are dead . . . victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns, as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem over King's Landing. Robert's two brothers each seek their own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood across a hard hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory may be measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all of the land feels the tremors.

Martin in his high fantasy series *A Song of Ice and Fire*—now the basis for the hit HBO series *Game of Thrones*—is not only richly drawn, but also immensely popular. By *A Game of Thrones'* debut in May 2011, the series already had more than 6 million copies in print in the US and had sold more than 16 million worldwide. Since the television series' debut, *A Game of Thrones* and subsequent titles in the series have appeared consistently on the New York Times bestseller list. The latest title in the series, *A Dance with Dragons*, sold nearly 300,000 copies on its first day in print. Beyond the Wall explores the book series' influences, its place in the fantasy pantheon, its challenging narrative choices, and the pull of its stunningly epic scope.

A Storm of Swords (HBO Tie-in Edition): A Song of Ice and Fire: Book Three Bantam

For the first time, all five novels in the epic fantasy series that inspired HBO's *Game of Thrones* are together in one eBook bundle. An immersive entertainment experience unlike any other, *A Song of Ice and Fire* has earned George R. R. Martin—dubbed “the American Tolkien” by *Time* magazine—international acclaim and millions of loyal readers. Now this bundle collects the entire monumental cycle in the most convenient format available: **A GAME OF THRONES A CLASH OF KINGS A STORM OF SWORDS A FEAST FOR CROWS A DANCE WITH DRAGONS** “One of the best series in the history of fantasy.”—*Los Angeles Times* Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildlings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys. “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—*The New York Times*

#1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO's *Game of Thrones* prequel series *House of the Dragon* “The thrill of *Fire & Blood* is the thrill of all Martin's fantasy work: familiar myths debunked, the whole trope table flipped.”—*Entertainment Weekly* Centuries before the events of *A Game of Thrones*, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. *Fire & Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel's worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon's *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* “A masterpiece of popular historical fiction.”—*The Sunday Times* “The saga is a rich and dark one, full of both the title's promised elements. . . . It's hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should ‘bend the knee,’ ‘take the black’ and join the Night's Watch, or simply meet an inventive and horrible end.”—*The Guardian*

George R. R. Martin's *A Song of Ice and Fire* has sparked a renewed interest in things medieval. The pseudo-historical world of Westeros delights casual fans while offering a rich new perspective for medievalists and scholars. This study explores how Martin crafts a chivalric code that intersects with and illuminates well known medieval texts, including both romance and heroic epics. Through characters such as Brienne of Tarth, Sandor Clegane and Jaime Lannister, Martin variously challenges, upholds and deconstructs chivalry as depicted in the literature of the Middle Ages.
