**Family and Friends:  
3: Teacher's Book**  
Harvard University

Press  
First Friends (American  
English) has a strong  
and clear structure  
that makes it easy for  
teachers to teach and  
learners to learn in a  
fun, friendly and  
familiar way. With the

help of mascots, games, songs and stories young learners will soon be confident in their use of everyday English and grasp of the Roman alphabet. This flexible package offers DVD, iTools, picture cards and the choice of combined student and workbook packs and teacher's books in languages other than English, so you can use what suits you and your students best.

Grammar Friends 1

OUP Oxford

A two-level beginners' course for young children that integrates the teaching of phonics, reading, writing, and numeracy.

**First Friends, Level 1** Oxford ELT

The Heinemann Plays series offers contemporary drama and classic plays in

durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

Family and Friends: 4:

Workbook Carson-Dellosa Publishing

The Songbook provides the words and music for all 60 songs and chants from the Tiny Talk series. It can be used in conjunction with the series, or alongside any kindergarten material. The songs and chants have been specially written for 3-6 year olds by world-famous songwriter Carolyn Graham. Charming illustrations set the context and bring the songs to life for young

children. Melody lines and guitar chords in the Songbook enable teachers to play their own instruments in the classroom. Spiral binding allows the book to lie flat on a piano or music stand, freeing the teacher's hands for playing an instrument or using the Tiny Talk puppets. A section of suggested activities for each song is provided at the back of the book. The songs are presented by level with an alphabetical index for easy reference. The accompanying Cassettes/CDs feature two versions of each song: first a model with voices and music, followed by a karaoke (music only) version. The Cassettes are available in American and British English versions. The CDs are available in American

English only.  
**Family and Friends 1 Classbook** OUP Oxford  
 We all know that kindergarten is such a key year - it shapes children's attitudes to learning and English for years to come. You are also teaching something incredibly important - reading. First Friends is here to help. The phonics progression is very important, and has been designed especially for children who do not use the Roman alphabet. The pacing and order of the letters has all been carefully researched. The handy alphabet, at the top of every phonics page, highlights the letter you're studying so learners can see their progress, and all the letters are taught in upper and lower

case. But that's not all - the catchy phonics chants, colourful Alphabet poster and interactive digital material make your lessons even more motivating and fun, ensuring happy learners. Parents will also appreciate the Audio CD with songs, chants, and stories to practise at home ... So, with a reliable structure, rich resources, and a successful methodology, First Friends is the ideal course for you. Try it, and you'll soon see why it's first for English and first for fun!

Family & Friends 1 Wb

Houghton Mifflin  
Harcourt

Six teaching units with 7 lessons in each provide the core material. Lessons 1-4 concentrate on

oral/aural practice only. Three episodes of the revision story The Toys Festival Units: Christmas and Carnival. Picture dictionary for each unit. Plus cut-out activities, picture stickers and word stickers.

**Little Friends** OUP  
Oxford

New Family and Friends 2nd Edition combines brand-new fluency, culture, assessment, and digital resources with the features teachers love from the first edition; fast-paced language, strong skills training, unique phonics programme, civic education and comprehensive testing. Features for Family and Friends 2nd edition include real-world fluency development with supporting DVD,

interactive Online Practice, new and updated assessment and testing material, and additional culture focus sections.

*Selected Principally from Modern Authors of Great Britain and America, and Designed for the Use of the Highest Class in Publick and Private Schools*  
Oxford University Press, USA

A fun two-level course for very young learners that develops vocabulary practises phonics and teaches family values. First Friends an easy-to-follow structure, successful methodology, cultural suitability and rich resources. 2nd Edition now has an expanded vocabulary syllabus, values lessons in every unit, practical cross-curricular lessons that

link in with other subjects and engaging activities to improve critical thinking skills. Use with Little Friends for a three-level pre-primary course or with Family and Friends 2nd Edition to make a nine-level course.

*First Friends 1: Numbers Book* OUP Oxford

No other course offers you the same benefits as Family and Friends. The exceptionally strong skills training programme includes a focus on real speaking and writing output. Plus - the integrated print and digital resources suit all teaching situations and learner types, supporting students, teachers, and parents. Use it with Little Friends and First Friends to make it an

eight or nine-year course.

The Play of Daniel Keyes' Flowers for Algernon OUP Oxford Illustrations and rhyming text introduce young readers to the idea of friendship.

*First Friends Second Edition: Level 1:*

*Activity Book* Oxford University Press, USA A two-level beginners' course for young children that integrates the teaching of phonics, reading, writing, and numeracy.

Class book OUP Oxford What do we like about school? How do we have fun? How are people and animals different? With a strong focus on the development of reading and writing skills through interactive learning, Bright Ideas Level 1 offers extensive exam

and literacy support with the benefit of innovative content and familiar topics. Using "Big Questions" to challenge students and promote the development of 21st century skills in areas such as critical thinking, the course links the classroom with the "real world" and encourages the sharing of ideas through communication and collaboration. The comprehensive package of integrated print and digital material challenges traditional methods of learning with exciting new resources and activities that are adaptable to all teaching situations. This seven-level course provides a flexible package that ensures exam success

and encourages students to develop 21st century skills through creative games and activities.

First Friends, Level 1 OUP Oxford  
 In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

**Starter class book**

OUP Oxford

An NPR Favorite Book of the Year Winner of the Critics' Choice Book Award, American Educational Studies Association Winner of the Mirra Komarovsky Book Award Winner of the CEP-Mildred García Award for Exemplary Scholarship "Eye-opening...Brings home the pain and reality of on-campus poverty and puts the blame squarely on elite institutions."

—Washington Post "Jack's investigation redirects attention from the matter of access to the matter of inclusion...His book challenges universities to support the diversity they indulge in advertising." —New Yorker "The lesson is plain—simply admitting low-income students is

just the start of a university's obligations. Once they're on campus, colleges must show them that they are full-fledged citizen."

—David Kirp, American Prospect "This book should be studied closely by anyone interested in improving diversity and inclusion in higher education and provides a moving call to action for us all." —Raj Chetty, Harvard University The Ivy League looks different than it used to. College presidents and deans of admission have opened their doors—and their coffers—to support a more diverse student body. But is it enough just to admit these students? In this bracing exposé, Anthony Jack shows that many students'

struggles continue long after they've settled in their dorms.

Admission, they quickly learn, is not the same as acceptance. This powerfully argued book documents how

university policies and campus culture can exacerbate preexisting inequalities and reveals why some students are harder hit than others.
