 From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis.

While she was in hiding, Anne wrote diaries which described her secret life, and the loves, hopes, fears and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.

I did not see any more. Already strong hands were pulling me away. Then something hit my head; I saw a great flash of fire, and fell to the ground . . .' And so begin David Balfour's adventures. He is kidnapped, taken to sea, and meets many dangers. He also meets a friend,

Alan Breck. But Alan is in danger himself, on the run from the English army across the wild Highlands of Scotland . . .

 “The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of Crazy Rich Asians
 Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new

documentary
 Amy Tan: Unintended Memoir on Netflix
 Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To

despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and

daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.
