An orphan raised in
Valparaiso, Chile, by a
Victorian spinster and her

rigid brother, vivacious
young Eliza Sommers
follows her lover to
California during the Gold
Rush of 1849. Entering a
rough-and-tumble world
of new arrivals driven
mad by gold fever, Eliza
moves in a society of
single men and
prostitutes with the help
of her good friend and
savior, the Chinese doctor
Tao Chi'en. California
opens the door to a new

life of freedom and
independence to the
young Chilean, and her
search for her elusive
lover gradually turns into
another kind of journey.
By the time she finally
hears news of him, Eliza
must decide who her true
love really is.

From internationally
bestselling author Isabel
Allende comes an
exquisitely crafted love

story and multigenerational epic that sweeps from present-day San Francisco to Poland and the United States during WWII. In 1939, as Poland falls under the shadow of the Nazis and the world goes to war, young Alma Belasco's parents send her away to live in safety with an aunt and uncle in their opulent mansion in San Francisco. There she meets Ichimei Fukuda, the son of the family's Japanese gardener, and between them a tender love blossoms. Following

Pearl Harbor, the two are cruelly pulled apart when Ichimei and his family - like thousands of Japanese Americans - are declared enemies by the US government and relocated to internment camps. Throughout their lifetimes, Alma and Ichimei reunite again and again, but theirs is a love they are forever forced to hide from the world. Decades later, Alma is nearing the end of her long and eventful life. Irina Bazili, a care worker struggling to come to terms with her own

troubled past, meets the older woman and her grandson, Seth, at Lark House nursing home. As Irina and Seth forge a friendship, they become intrigued by a series of mysterious gifts and letters sent to Alma, and learn about Ichimei and this extraordinary secret passion that has endured for nearly seventy years. life spans one hundred years and bears witness to the greatest upheavals of the twentieth century"--

Island Beneath the Sea

White Pine Press

A historical study of Chile's twin experiments with cybernetics and socialism, and what they tell us about the relationship of technology and politics. In *Cybernetic Revolutionaries*, Eden Medina tells the history of two intersecting utopian visions, one political and one technological. The first was Chile's experiment with peaceful

socialist change under Salvador Allende; the second was the simultaneous attempt to build a computer system that would manage Chile's economy. Neither vision was fully realized—Allende's government ended with a violent military coup; the system, known as Project Cybersyn, was never completely implemented—but they hold lessons for today about the relationship between technology and politics. Drawing on extensive archival

material and interviews, Medina examines the cybernetic system envisioned by the Chilean government—which was to feature holistic system design, decentralized management, human-computer interaction, a national telex network, near real-time control of the growing industrial sector, and modeling the behavior of dynamic systems. She also describes, and documents with photographs, the network's Star Trek-like operations room, which featured swivel chairs

with armrest control panels, a wall of screens displaying data, and flashing red lights to indicate economic emergencies. Studying project Cybersyn today helps us understand not only the technological ambitions of a government in the midst of political change but also the limitations of the Chilean revolution. This history further shows how human attempts to combine the political and the technological with the goal of creating a more just society can open new

technological, intellectual, and political possibilities. Technologies, Medina writes, are historical texts; when we read them we are reading history. Forest of the Pygmies HarperTorch Eliza Sommers es una joven chilena que vive en Valparaiso en 1849, el año en que se descubre oro en California. Su amante, Joaquín Andieta, parte hacia el norte dispuesto a encontrar fortuna, y ella decide seguirlo. El viaje infernal, escondida en la cala de un velero, y la búsqueda

de su amante en una tierra de hombres solos y prostitutas atraídos por la fiebre del oro, transforman a la joven inocente en una mujer fuera de lo común. Eliza recibe ayuda y efecto de Tao Chi`en, un medico chino, quien la conducirá en un itinerario memorable por los misterios y contradicciones de la condición humana. *A Novel* Scribner Gregory Reeves, the son of a self-styled preacher, struggles to overcome his childhood of poverty and

neglect and to take control of his destiny. By the author of House of the Spirits. 100,000 first printing. \$125,000 ad/promo. BOMC. QPB. Tour.

This collection reflects the author's deeply rooted passion for nature, for life, and for being. Agosín spent her summers at the Chilean seaside, near

Neruda's home at Isla Negra. "The sea, the rocks, marine images became important elements in my creative work," she said recently. Here she creates a world where everything touches the sea and is, in turn, touched by it, a world peopled by those who "carry the scents of the river and the sign of water." "Agosín's voice [is] ripe with sensuality."—Booklist

 "Literary icon Isabel Allende mesmerizes . . . this race-against-the-clock thriller is pure magic."-- People Magazine, Four Stars NOW WITH A NEW DEAR READER LETTER
 New York Times bestselling author Isabel Allende demonstrates her remarkable literary versatility with this atmospheric, fast-paced mystery involving a brilliant teenage sleuth

who matches wits with a serial killer in San Francisco. Though they are as different as night and day, Indiana and Amanda Jackson have always shared a strong, mother-daughter bond. Beautiful and free-spirited, Indiana is a holistic healer. Teenage Amanda is a natural sleuth fascinated by the dark side of human nature like her father, the SFPD's deputy chief of homicide. She also loves playing Ripper, an online mystery game. When a serial killer strikes San Francisco, the

young amateur detective plunges into her own investigation. But the case becomes all too personal when Indiana vanishes. Could her mother's disappearance be linked to the murders? With Indiana's life on the line, Amanda must solve this perplexing mystery . . . before it's too late.

On a rainy December day in 1992, Isabel Allende and her family went to the forest near their home in northern California to scatter her daughter Paula's ashes to the wind.

This text recounts the intimate and heartfelt story of what happened to them in the years that followed Paula's death. *A Long Petal of the Sea* G K Hall & Company
"In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life

intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, they embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: 'the long petal of sea and wine and snow.' As unlikely partners, they embrace their exile as the rest of Europe erupts in world war. Starting over on a new continent, Roser

and Victor face trial after trial. But they will also find joy as they await the day when they might go home. Through it all, their hope of returning to Spain keeps them going.

Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along."--

"Allende is a master storyteller at the peak of her powers."--Los Angeles

Times The New York Times bestselling author of *The House of the Spirits* and *A Long Petal of the Sea* tells the story of one unforgettable woman--a slave and concubine determined to take control of her own destiny--in this sweeping historical novel that moves from the sugar plantations of Saint-Domingue to the lavish parlors of New Orleans at the turn of the nineteenth century. The daughter of an African mother she never knew and a white sailor, Zarité--known as

Tété--was born a slave on the island of Saint-Domingue. Growing up amid brutality and fear, Tété found solace in the traditional rhythms of African drums and the mysteries of voodoo. Her life changes when twenty-year-old Toulouse Valmorain arrives on the island in 1770 to run his father's plantation, Saint Lazare. Overwhelmed by the challenges of his responsibilities and trapped in a painful marriage, Valmorain turns to his teenaged slave Tété, who becomes his

most important confidant. The indelible bond they share will connect them across four tumultuous decades and ultimately define their lives.
