Gandhi as a Political Strategist - Wikipediapolitical philosophy. The belief is entirely erroneous. In his political philosophy Gandhiji is basically a philosophical anarchist and a decentralist. His political theory of non-violence should be studied in the context of the growth of the philosophical tradition and application of non-violence in India and abroad since the earliest times. POLITICAL PHILOSOPHY OF MAHATMA GANDHI Gandhi may appear to be an unsystematic thinker, but his underlying concept of Truth (satya) provides a rationale and coherence to his political theory and practice. Gandhi frequently expressed his view of reality and of political truth in terms of the formulation "Truth is God." Gandhi, Contemporary Political Thinking and ... - Philosophy Gandhism is a body of ideas that describes the inspiration, vision, and the life work of Mohandas Gandhi. It is particularly associated with his contributions to the idea of nonviolent resistance, sometimes also called civil resistance. The two pillars of Gandhism are truth and nonviolence. The term "Gandhism" also encompasses what Gandhi's ideas, words, and actions mean to people around the world and how they used them for guidance in building their own future. Gandhism also ... Gandhism - Wikipedia In an increasingly multicultural world, political theory is presented with perhaps its most vigorous challenge yet. As radically different moral projects confront one another, the problem of competing claims of truth arising from particular views of the human good remains crucial for political philosophy and political action. In this way, it can be argued that Gandhi developed a distinctive as well as an alternative version of political theory compared to western notion of political theory. However, he himself did not believe in any such absolute predictions or prescriptive norms of truth.
