OSBORN MADELINE

10 Great Dates to Energize Your Marriage Bloomsbury Publishing

This book is the fifth in the Cambridge Socio-Legal Group series and it concerns the evolving notions and practices of kinship in contemporary Britain and the interrelationship of kinship, law and social policy. Assembling contributions from scholars in a range of disciplines, it examines social, legal, cultural and psychological questions related to kinship. Rising rates of divorce and of alternative modes of partnership have raised questions about the care and well-being of children, while increasing longevity and mobility, together with lower birth rates and changes in our economic circumstances, have led to a reconsideration of duties and responsibilities towards the care of elderly people. In addition, globalisation trends and international flows of migrants

and refugees have confronted us with alternative constructions of kinship and with the challenges of maintaining kinship ties transnationally. Finally, new developments in genetics research and the growing use of assisted reproductive technologies may raise questions about our notions of kinship and of kin rights and responsibilities. The book explores these changes from various perspectives and draws on theoretical and empirical data to describe practices of kinship in contemporary Britain.

In the first biography of Joan Crawford to give the full, uncensored story, bestselling author David Bret tells Crawford's rags to riches climb, from working in a Kansas City laundry to collecting an Oscar for her defining role in *Mildred Pierce*, and on to her devotion to Christian Science and reliance on vodka. He discusses the star's legendary relationship with Clark Gable, her countless love affairs, her marriages -- three of them to gay men -- and her obsession with rough sex. Bret divulges what really happened that led her to disinherit two of her four children, earning her the nickname "Mommie Dearest," as well as how her loathed mother forced Crawford to work as a prostitute, appear in pornographic

films, and sleep her way to the top. Bret analyzes Crawford's films, many of which were constructed purely as vehicles where actress and character were often indistinguishable. Overtly generous towards her coterie of gay friends, she was heartless towards her enemies, particularly Bette Davis, her co-star in *Whatever Happened to Baby Jane*, with whom she shared a lifelong feud. Drawing on a wealth of unpublished material and interviews, David Bret presents a unique, fascinating portrait of a single-minded, uncompromising woman.

When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set

decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

"Local editors Schaper and Horwitz have assembled a noteworthy collection of noir-infused stories mixed with laughter...The Akashic noir short-story anthologies are avidly sought and make ideal samplers for regional mystery collecting." --Library Journal "The best pieces in the collection turn the clichés of the genre on their head . . . and despite the unseemly subject matter, the stories are often surprisingly funny." —City Pages (Minneapolis) Brand-new stories from John Jodzio, Tom Kaczynski, and Peter Schilling, Jr., in addition to the original volume's stories by David Housewright, Steve Thayer, Judith Guest, Mary Logue, Bruce Rubenstein, K.J. Erickson, William Kent Krueger, Ellen Hart, Brad Zellar, Mary Sharratt, Pete Hautman, Larry Millett, Quinton

Skinner, Gary Bush, and Chris Everheart. "St. Paul was originally called Pig's Eye's Landing and was named after Pig's Eye Parrant-trapper, moonshiner, and proprietor of the most popular drinking establishment on the Mississippi. Traders, river rats, missionaries, soldiers, land speculators, fur trappers, and Indian agents congregated in his establishment and made their deals. When Minnesota became a territory in 1849, the town leaders, realizing that a place called Pig's Eye might not inspire civic confidence, changed the name to St. Paul, after the largest church in the city . . . Across the river, Minneapolis has its own sordid story. By the turn of the twentieth century it was considered one of the most crooked cities in the nation. Mayor Albert Alonzo Ames, with the assistance of the chief of police, his brother Fred, ran a city so corrupt that according to Lincoln Steffans its 'deliberateness, invention, and avarice has never been equaled.' As recently as the mid-'90s, Minneapolis was called 'Murderopolis' due to a rash of killings that occurred over a long hot summer . . . Every city has its share of crime, but what makes the Twin Cities unique may be that we have more than our share of good writers to chronicle it. They are homegrown and they know the territory--how the cities look from the inside, out . . ."

Paintings, magisterial and universal, that capture the essence of a vibrant African American community In his art Jonathan Green paints the world of his childhood and an ode to a people imbued with a profound respect for the dignity and value of others—the Gullah people of the South Carolina barrier islands. His canvases, beloved for their sense of jubilation and rediscovery, evoke the meaning of community in Gullah society and display a reverence

for the rich visual, oral, and spiritual traditions of its culture. His art also reveals a keen awareness of the interpersonal, social, and natural environments in which we live. The 180 images assembled in this collection showcase the meaning, purpose, and beauty that Green finds in the small but critical tasks of life. His work elevates the everyday—preparing morning meals, doing the wash, accomplishing farming chores, finishing a day's work, relaxing in the evening—and celebrates the social and religious—community dances, baptisms, weddings, funerals. Green allows his audience the space and silence to observe people unobtrusively as they pursue life's mission of labor, love, and belonging and as they work in harmony with nature's mysterious, ever changing fabric. While Green's paintings speak specifically to his own upbringing, they transcend racial, cultural, and ethnic boundaries, thus allowing individuals of all backgrounds to recall fond memories and to reflect on the place that purpose and dignity hold in their lives. In addition to a foreword by Pat Conroy, essays by Bettye J. (Mbitha) Parker Smith, Lynn Robertson, and Ronne Hartfield complement Green's images. They tell of the vitality of the Gullah community, the progression of Green's career, and the authenticity of his work.

Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of

the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.
