Crossroads Of American
ReligiousThe year 1950
saw the height of the
postwar religious boom in
America and also the
depths of the Cold War. It
was a year when religious
enthusiasm and postwar

affluence coexisted with
anxiety about global
communism and an ever-
present nuclear threat.
McCarthyism, the advent
of the hydrogen bomb,
and the onset of the
Korean War provoked
ardent and diverse
responses from religious
leaders and ...1950,

It’s sometimes hard to understand how the idyllic home life of the Baby Boomers in the 1950s turned into the counter-cultural

revolution of the 1960s, though if we know the economy of the gospel, we know that moralism is often the mother of licentiousness. Religion in the American Family in the 1950s Six in ten (60%) black Americans and a majority (54%) of Hispanic Americans believe that American culture has mostly changed for the better since the 1950s. In contrast, only 42% of white Americans agree, and 57% say that the American way of life has mostly changed for the worse over the last sixty

years. | Changes in American Culture Since the 1950s - American ...American Judaism had actually been gaining strength since the late 1930s, partly as a form of spiritual resistance to Nazism and anti-Semitism. Now with the war over, the nation as a whole turned increasingly toward religion — a response, some believed, to wartime horrors and to the postwar threat from “godless” Communism. 1950s America: A 'Golden Age' for Jews | My Jewish

LearningIn 2007, 56 percent of Americans said religion was very important in their lives. Measures of this question from the 1950s and 1960s showed that at that time, over 70 percent of Americans said religion was very important in their daily lives. American Religion Has Never Looked Quite Like It Does ... "The single most significant trend in American religion from 1900 to the present has been the steady and spectacular decline in the percentage of religiously

unaffiliated people in the American population," J. Gordon Melton, founding director of the Institute for the Study of American Religion in Santa Barbara, Calif., wrote in a recent ARDA paper on "American Religion's Mega-Trends." Is Religion In America in Decline? | HuffPostThe 1950s were also a time when America began to see itself as a Christian nation in a cold war with atheistic communism. President Eisenhower joined a church after being elected, becoming the ... Why 1940s America

wasn't as religious as you think -- the ... Religion scholar Rodger Payne writes that surprisingly, "Catholic moral attitudes governed the content of most American films from the 1930s to the 1960s and, in the process, helped transform American attitudes towards Catholicism." 30 In his view, how Catholicism was represented in American film was closely tied to the moral guardian role the church played.
