The Ecumenical Edwards Simon and Schuster

This is a celebration of falling in love and partaking of the Wine of the Beloved. It is both a meditation on the Song of Solomon, the Song of Songs and a celebration, a rumination on the love of the ancient Persian poet and Sufi mystic Rumi for the Divine in ways that bridge divides between faiths as the realization of the desire of nations.

John's Gospel of Belief vs. Thomas' Gospel of "Knowledge" Penguin

30 rich, engaging travel stories that capture uplifting scenes from everyday life and deliver sensitive, bittersweet renderings of people and landscapes often shaken by conflict. This book features original takes on commonplace "things to do" for the traveler in the Middle East--from marveling at the brilliance of the bazaars to drifting down the Nile in a felucca. It also provides intimate portrayals of people and traditions too often absent from books on the region.--From publisher description.

The Life, Teachings, and Poetry of Jalal al-Din Rumi Penguin

From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 14th century Sufi mystic. Rumi's Little Book of Life is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. Rumi's Little Book of Life is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within - out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all.

**Rumi's Four Essential Practices** Wipf and Stock Publishers

Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume Masnavi, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi.

Inside A Lover's Heart There's Another World, And Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry

exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights.

Soulshaping is the inspiring memoir of an archetypal "male warrior"—a trial lawyer-who struggled to find his heart and a more authentic, soulful path. Rivetingly personal and profoundly universal, this book is for anyone who has heard a whisper of something truer calling out to them amid the distractions of modern life. Jeff Brown's dramatic and often funny story takes readers through remarkably human experiences—emotional, physical, and economic—as he vividly recounts his troubled childhood, his success in apprenticing with Canada's top criminal lawyer, and his ultimate decision to leave the law and begin an inner journey to discover his soul's purpose. A work of courageous self-creation, Soulshaping reminds us that we are all truly connected, that our seemingly isolated struggles are actually part of the shared human challenge to live a life that is heart-centered and soul-driven. Both down-to-earth and magically mystical, Soulshaping will meet you where you live—and where you long to live.

**Words to Help in Times of Sorrow: Affirmations and Meditations** Copper Canyon Press

Spiritual seekers across faith traditions share a fierce yearning for mystical unity with their God. While beliefs and practices differ, what ignites the human heart to quest for the mystical, the unknowable, the holy just beyond understanding, is the same. The Call of the Mourning Dove: How Sacred Sound Awakens Mystical Unity offers a new paradigm, the Sonic Trilogy of Love, that details how sacred sound, embedded in the ancient canons across faith traditions, creates just such a portal into this unmitigated experience of God. Because the experience is ubiquitous across faith traditions, it does not matter whether a seeker has embarked on an eclectic quest for God or remains deeply committed to questing within one particular faith tradition. All seekers, known as Lovers within the Trilogy, discover that by intoning the sacred sounds, the Love embedded in the ancient languages, the conditions are set to experience unity with God, the Beloved. This unity occurs in unforeseen moments, as love, the core organizing principle of the Trilogy, circles in on itself, dissolving all distinctions, leaving the Lover filled with only the silent wonder of God. And, graciously, nothing is the same.

*The Book of Rumi* Harper Collins

Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the

soul. The stories are exuberant, earthy, and bursting with vitality—much like a painting by Hieronymus Bosch or Chaucer's Canterbury Tales. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw—intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."—Rumi

**In the Light of Eastern and Western Scholarship** Church Publishing, Inc.

The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other.

**The Call of the Mourning Dove** Trafford Publishing

This book celebrates the diverse and unique perspectives of spirituality, as expressed by the world's major religions. At the same time, it explores the similarities between the major religions with respect to the transcendental experience itself. There are many paths that lead up to the mountain, and from its summit one can appreciate them all. Whatever your current spiritual practice may be, the intention of this book is to help you deepen it. It was written to support mutual respect and tolerance between different cultures and their spiritual ideologies. We can even find ways to appreciate one another. For those of us who follow the spiritual journey, there is more that unites us than separates us. And the diversity between us can open us to new inspiration and to closer union with Spirit, as we listen to one another with an open heart.

*Mindfulness, Day by Day* Simon and Schuster

Philosopher Jacob Needleman's groundbreaking study of America's alternative spiritual movements is back in print with a new introduction by the author. Originally published in 1970, *The New Religions* was the first full-scale study of alternative spirituality in America. It remains unparalleled for the intellectual depth and seriousness with which it regards Eastern, New Age, and alternative faiths on the American landscape. Needleman's writing and reportage are unfailingly thoughtful and incisive as he illuminates topics that other scholars failed to consider or could not fully grasp.

These aphoristic gleanings of ancient and mystical philosophy—written in the form of haiku by award-winning novelist Richard Zimler—capture the heart of the tradition in ways that are personally awakening. *Love's Voice* is a doorway to Kabbalah for readers at all levels of experience. Acclaimed novelist Richard Zimler uses the form of haiku to distill Kabbalistic philosophy into its most essential form, providing a rare and deeply affecting experience of the wisdom of the ages. These seventy-two haiku require no special knowledge of Kabbalah or, indeed, of Jewish culture. Readers who do have some background in Kabbalah will find additional—and sometimes hidden—references and meanings in many of these verses. Every passage in *Love's Voice* verse is a memorable meditation that will touch each reader in a different way. Here is a greatly original yet historically framed entry point to an extraordinary mystical tradition.
