SOSA TORRES

Pudd'nhead Wilson and
Those Extraordinary
Twins Farrar, Straus
and Giroux
From the creator of the

popular website Ask a
Manager and New
York's work-advice
columnist comes a
witty, practical guide to
200 difficult
professional
conversations—featur
ing all-new advice!
There's a reason Alison
Green has been called

“the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you’re being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate’s loud speakerphone is

making you homicidal

- you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work

experience.”—Library Journal (starred review)
 “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Good Night, Mr. Tom
 Random House
 Australia
 THE MIND-BENDING CULT CLASSIC ABOUT A HOUSE THAT’S LARGER ON THE INSIDE THAN ON THE OUTSIDE • A masterpiece of horror and an astonishingly immersive, maze-like reading experience that redefines the boundaries of a novel. “Simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.”
 —Michiko Kakutani,
 The New York Times

"Thrillingly alive, sublimely creepy, distressingly scary, breathtakingly intelligent—it renders most other fiction meaningless." —Bret Easton Ellis, bestselling author of *American Psycho* "This demonically brilliant book is impossible to ignore." —Jonathan Lethem, award-winning author of *Motherless Brooklyn* One of *The Atlantic's* Great American Novels of the Past 100 Years Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command.

Starting with an odd assortment of marginalized youth—musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies—the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices, the story remains unchanged. Similarly, the cultural fascination with *House of Leaves* remains as fervent and as imaginative as ever. The novel has gone on

to inspire doctorate-level courses and masters theses, cultural phenomena like the online urban legend of “the backrooms,” and incredible works of art in entirely unreal mediums from music to video games. Neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home, until the day their two little children wandered off and their voices eerily began to return another story—of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their

dreams.

Character Building

Harper Collins

From the author of the acclaimed *Simply Christian* and *Surprised by Hope* comes a book that addresses the question that has plagued humans for centuries—what is our purpose? As Christians, what are we to do with that ambiguous time between baptism and the funeral? It's easy to become preoccupied with who gets into heaven; the real challenge is how we are going to live in the here and now. Wright

dispels the common misconception that Christian living is nothing more than a checklist of dos and don'ts. Nor is it a prescription to "follow your heart" wherever it may lead. Instead, *After You Believe* reveals the Bible's call for a revolution—a transformation of character that takes us beyond our earthly pursuit of money, sex, and power into a virtuous state of living that allows us to reflect God and live more worshipful, fulfilling lives. We are all spiritual seekers, intuitively knowing there is more to life than we suspect. This is a book for anyone who is hoping there is something more while we're here on Earth. There is. We are being called to join the

revolution, and Wright insightfully encourages readers to find new purpose and clarity by taking us on an eye-opening journey through key biblical passages that promise to radically alter the work of the church and the direction of our lives.

The Bonfire of the Vanities defined an era--and established Tom Wolfe as our prime fictional chronicler of America at its most outrageous and alive. With *A Man in Full*, the time the setting is Atlanta, Georgia--a racially mixed late-century boomtown full of fresh wealth, avid speculators, and worldly-wise politicians. Big men. Big money. Big games.

Big libidos. Big trouble. The protagonist is Charles Croker, once a college football star, now a late-middle-aged Atlanta real-estate entrepreneur turned conglomerate king, whose expansionist ambitions and outsize ego have at last hit up against reality. Charlie has a 28,000-acre quail-shooting plantation, a young and demanding second wife--and a half-empty office tower with a staggering load of debt. When star running back Fareek Fanon--the pride of one of Atlanta's grimmest slums--is accused of raping an Atlanta blueblood's daughter, the city's delicate racial balance is shattered overnight. Networks of illegal Asian immigrants crisscrossing the

continent, daily life behind bars, shady real-estate syndicates, cast-off first wives of the corporate elite, the racially charged politics of college sports--Wolfe shows us the disparate worlds of contemporary America with all the verve, wit, and insight that have made him our most phenomenal, most admired contemporary novelist. *A Man in Full* is a 1998 National Book Award Finalist for Fiction.

Creating Stylized Animals Macmillan + ORM

Right from the start, Bigger Thomas had been headed for jail. It could have been for assault or petty larceny; by chance, it was for murder and rape. *Native Son* tells the story of this young black man caught in a

downward spiral after he kills a young white woman in a brief moment of panic. Set in Chicago in the 1930s, Wright's powerful novel is an unsparing reflection on the poverty and feelings of hopelessness experienced by people in inner cities across the country and of what it means to be black in America.

The Improv Handbook

Bloomsbury Publishing
The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical,

timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all

the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. “[Ray] Bradbury is an authentic original.”—Time

Creating Animated Cartoons with

Character Harper Perennial Modern Classics
Provides comprehensive, step-by-step guidelines for creating a quality animated series and getting it shown, drawing on examples from such programs as *Spongebob Squarepants* and

Rocko's Modern Life. *Prepare to Board!* Taylor & Francis
Packed with illustrations, this book explains the methods and techniques of animation preproduction, with a focus on story development and character design. *The Silver Way* Chronicle Books
From a longtime script consultant, “a vital aid to all writers, novelists, and screenwriters . . . invaluable” (Gale Anne Hurd, producer, *The Walking Dead* and *Aliens*). In this book, Linda Seger, author of *Making a Good Script Great*, shows how to create strong, multidimensional characters in fiction, covering everything from research to character block. She introduces concepts

designed to stimulate the creative process, combining them with practical techniques and exercises. She also offers specific advice on creating nonfiction and fantasy characters, and case studies of such classics as *Ordinary People* and the sitcom *Cheers*. Addressing topics from backstory development to character psychology to avoiding stereotypes, *Creating Unforgettable Characters* is an excellent resource for writers in any genre or creative field. Interviews with successful professional writers complete this essential volume. *The Complete Writer's Guide to Heroes & Heroines* Sterling Publishing Company, Inc. Covers the basic

techniques beginning cartoonists need to get started drawing both comic strips and animation.

Native Son 3dtotal Publishing

Learn to make your characters unique, compelling and lifelike with these 75 exercises for all skill levels, including beginners. Topics include tools and materials; shapes; personalities; facial expressions; body language; character interaction; and costuming. Character types featured include more than just humans; learn how to draw animals, plants, creatures and more. Hart Books

#1 NEW YORK TIMES BESTSELLER • David Brooks challenges us to rebalance the scales between the focus on external success—"résumé virtues"—and our core principles. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ECONOMIST With the

wisdom, humor, curiosity, and sharp insights that have brought millions of readers to his New York Times column and his previous bestsellers, David Brooks has consistently illuminated our daily lives in surprising and original ways. In *The Social Animal*, he explored the neuroscience of human connection and how we can flourish together. Now, in *The Road to Character*, he focuses on the deeper values that should inform our lives. Looking to some of the world's greatest thinkers and inspiring leaders, Brooks explores how, through internal struggle and a sense of their own limitations, they have built a strong inner character. Labor activist Frances Perkins

understood the need to suppress parts of herself so that she could be an instrument in a larger cause. Dwight Eisenhower organized his life not around impulsive self-expression but considered self-restraint. Dorothy Day, a devout Catholic convert and champion of the poor, learned as a young woman the vocabulary of simplicity and surrender. Civil rights pioneers A. Philip Randolph and Bayard Rustin learned reticence and the logic of self-discipline, the need to distrust oneself even while waging a noble crusade. Blending psychology, politics, spirituality, and confessionals, *The Road to Character* provides an opportunity for us to

rethink our priorities, and strive to build rich inner lives marked by humility and moral depth. “Joy,” David Brooks writes, “is a byproduct experienced by people who are aiming for something else. But it comes.” Praise for *The Road to Character* “A hyper-readable, lucid, often richly detailed human story.”—The New York Times Book Review “This profound and eloquent book is written with moral urgency and philosophical elegance.”—Andrew Solomon, author of *Far from the Tree* and *The Noonday Demon* “A powerful, haunting book that works its way beneath your skin.”—The Guardian “Original and eye-opening . . . Brooks is a normative version of

Malcolm Gladwell, culling from a wide array of scientists and thinkers to weave an idea bigger than the sum of its parts.”—USA Today
