Dental assistants have to work as part of a team every day to provide patients with the best possible care and ensure that the dental office runs smoothly. As an instructor, you prepare students to have the skills and abilities they will need to be a successful part of this dental team. As a publisher, we play a role on this team as well, by providing the tools and materials you need to educate new dental assistants. We have actively listened to dental assistants, faculty, and students discuss their

textbook needs, and have created a better dental assisting textbook, one that brings the voice of the dental assistant and dental team to the resources used in your classroom. And so, we're excited to introduce you to Comprehensive Dental Assisting, Enhanced Edition, an exciting first edition textbook written in the voice of dental assistants - your voice. Comprehensive Dental Assisting, Enhanced Edition is an exciting, first-edition textbook based on our collaboration with professionals and educators in the dental assisting field to address the challenges you face as an instructor. This engaging, comprehensive title delivers all of the coverage you and your students need, information on accreditation and

certification, and all the tools students need to prepare for a successful career in dental assisting. The text's reader-friendly and engaging style, dynamic colorful design, and comprehensive electronic media help to maintain students' interest, while improving their retention of essential information. Unique features emphasize critical thinking and help students apply what they learn in the classroom to real-world challenges in their careers. This text includes several distinctive features to help maintain interest and engage students more deeply in the learning process.

The contents of this message upon prayer should be read alike by preacher

and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. This is the only resource you will need to prepare for and pass your certification exams. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition is designed around the Dental Assisting National Board (DANB) Examination

blueprint. Its fresh approach centers on how and what to study to pass a variety of state and regional exams, while eliminating tangential material that can bog down the study process. Exam-focused chapters cover General Chairside Assisting, Infection Control, and Radiation Safety, including photos, procedures, and terminology.

CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition also lays a foundation for the testing experience with an overview of the CDA, RHA, and ICE exams, exam study techniques and tips, and a discussion of other certifications offered by the DANB. Every chapter begins with a pre-test test containing a variety of exam questions on a particular topic area of the exam and concludes with answers, and rationales

for each of the questions presented.
