Affaires extérieures  
Canada

The objective of this  
study is to provide a  
preliminary indication  
of potential  
opportunities for the  
expansion of Canadian  
exports into the United  
States. The findings in  
each report are based  
on an analysis of US  
trade statistics and a  
limited survey of US  
importers and trade  
associations from a  
broad cross-section of  
US industry. The  
purpose of each report  
is to assist Canadian

companies in identifying potential export opportunities that may justify further investigation.

Excerpt from Economic Plants of Porto Rico

This paper includes miscellaneous information on the principal cultivated plants of Porto Rico, brief notes on many of the minor economic plants, and a list of all the native names of plants which have thus far been recorded from the island, with references to the scientific names of the species to which they are applied as far as these have been determined. As there are no botanical

publications in either English or Spanish which give an even approximately complete treatment of the flora, it is believed that the present list of names and the brief notes accompanying will be found of use both to visitors and to residents of the island. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school

mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only

revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.
