Shadow Jumper City Lights Books

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad came of age in an

era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

Sweet, bookish Neve Slater always plays

by the rules. And the number one rule is that good-natured fat girls like her don't get guys like gorgeous, handsome William, heir to Neve's heart since university. But William's been in LA for three years, and Neve's been slimming down and re-inventing herself so that when he returns, he'll fall head over heels in love with the new, improved her. So she's not that interested in other men. Until her sister Celia points out that if Neve wants William to think she's an experienced love-goddess and not the fumbling, awkward girl he left behind, then she'd better get some, well, experience. What Neve needs is someone to show her the ropes, someone like Celia's colleague Max. Wicked, shallow, sexy Max. And since he's such a man-slut, and so not Neve's type, she certainly won't fall for him. Because William is the man for her... right? Somewhere between losing weight and losing her inhibitions, Neve's lost her heart - but to who?

Awards: One Book South Dakota Common Read, South Dakota Humanities Council, 2022. PEN Oakland/Josephine Miles

Literary Award, PEN America, 2020. One Book One Tribe Book Award, First Nations Development Institute, 2020. Finalist, Stubbendieck Great Plains Distinguished Book Prize, 2019. Shortlist, Brooklyn Public Library Literary Prize, 2019. *Our History Is the Future* is at once a work of history, a personal story, and a manifesto. Now available in paperback on the fifth anniversary of its original publication, *Our History Is the Future* features a new afterword by Nick Estes about the rising indigenous campaigns to protect our environment from extractive industries and to shape new ways of relating to one another and the world. In this award-winning book, Estes traces traditions of Indigenous resistance leading to the present campaigns against fossil fuel pipelines, such as the Dakota Access Pipeline Protests, from the days of the Missouri River trading forts through the Indian Wars, the Pick-Sloan dams, the American Indian Movement, and the campaign for Indigenous rights at the United Nations. In 2016, a small protest encampment at the Standing Rock reservation in North Dakota, initially established to block construction of the

Dakota Access oil pipeline, grew to be the largest Indigenous protest movement in the twenty-first century, attracting tens of thousands of Indigenous and non-Native allies from around the world. Its slogan “Mni Wiconi”—Water Is Life—was about more than just a pipeline. Water Protectors knew this battle for Native sovereignty had already been fought many times before, and that, even with the encampment gone, their anti-colonial struggle would continue. While a historian by trade, Estes draws on observations from the encampments and from growing up as a citizen of the Oceti Sakowin (the Nation of the Seven Council Fires) and his own family’s rich history of struggle.

In the Distance Turtleback Books
A New York Times Notable Book, an NPR Best Debut of the Year, and a PEN/Hemingway finalist. These linked stories follow Sabina as she navigates her shifting identity as a daughter of the Colombian diaspora, and struggles to find her place within and beyond the net of her strong, protective, but embattled family. In “Lucho,” Sabina’s family—already “foreigners in a town of blancos”—is shunned by the community when a

relative commits an unspeakable act of violence, but she is in turn befriended by the town bad boy, who has a secret of his own. In “Desaliento,” Sabina surrounds herself with other young drifters who spend their time looking for love and then fleeing from it—until reality catches up with one of them. And in “Vida,” the urgency of Sabina’s self-imposed exile in Miami fades when she meets an enigmatic Colombian woman with a tragic past. “Vida calls to mind some of the best fiction from recent years. Like Elizabeth Strout’s *Olive Kitteridge*, Engel uses stories about connected characters to illuminate her main subject, in this case Sabina, who moves with her family from Bogotá, Colombia, to New Jersey. Engel brings Sabina’s family and culture to life with a narrative style reminiscent of Junot Díaz’s *The Brief Wondrous Life of Oscar Wao* . . . Vivid, memorable . . . An exceptionally promising debut.” —*The Plain Dealer*

City of God MSU Press

Three classic novellas from "one of our master chroniclers of human hungers, flaws, and frustrations." (The Kansas City Star). Jim Harrison's vivid, tender, and deeply felt fictions have won him acclaim as an American master of the novella. His highly acclaimed volume of novellas, *The Summer He Didn't Die*, is a sparkling and exuberant collection about love, the senses, and family, no matter how untraditional. In the title novella, Brown Dog, a hapless Michigan Indian, is trying to parent his two stepchildren and take care of his family's health on meager resources. (It helps a bit that his charms are irresistible to the new dentist in town.) *Republican Wives* is a wicked satire on the

sexual neuroses of the right, the emptiness of a life lived for the status quo, and the irrational power of love that, when thwarted, can turn so easily into an urge to murder. And *Tracking* is a meditation on Harrison's fascination with place, telling his own familiar mythology through the places his life has seen and the intellectual loves he has known. With wit as sharp and prose as lush as any Harrison has yet written, *The Summer He Didn't Die* is a resonant, warm, and joyful ode to our journey on this earth. "Harrison has proved to be one of our finest storytellers. These novellas are urgent and contemporary, displaying his marvelous gifts for compression and idiosyncratic language." —Los Angeles Times

The Lone Ranger and Tonto Fistfight in Heaven Bold Type Books

What if we could travel back in time to save our heroes from painful deaths? What if we could rewrite history to protect and reward the innocent victims of injustice? In Alfredo Vea's daring new novel, one man does just that, taking readers on a series of remarkable journeys. Abandoned as a child, brooding and haunted as an adult, Simon Vegas, "the Mexican Flyboy," toils for years to repair a time machine that fell into his hands in Vietnam. With the help of his friend, eccentric Hephaestus Segundo, Simon uses the device to fly through time. Wherever acts of human cruelty take place, in the past or in the present, the machine lets him lift the suffering away and deliver them to a utopian afterlife. Blending magical realism, science fiction, history, and comic-book fantasy, *The Mexican Flyboy* swoops readers from the jungles of Southeast Asia to the vineyards of Northern California, from Ethel Rosenberg's execution to Joan of Arc's pyre, in a tale of justice, trauma, regret,

and redemption. The dead pass through the narrative in a parade at once heartbreaking and hopeful, among them Vincent van Gogh and Malcolm X, Ernest Hemingway and Amadou Diallo. But the living—Simon’s pregnant wife, Elena, his old friend Ezekiel Stein, prisoner Lenny Hudson—all throw doubt onto Simon’s story. Is Simon truly a “magus,” transporting martyrs to a shared community in paradise? Or is he just a man broken by loss, guilt, and the trauma of war, hopelessly lost in an illusion of his own making? Crossing genres and blending comedy with tragedy, Alfredo Véa imagines a world where we can rewrite our pasts and heal the wounds inflicted by history. Inviting comparisons to the work of James Joyce and Jorge Luis Borges, Junot Díaz and Michael Chabon, this powerful book is like nothing else you have ever read.

The Summer of Black Widows Simon and Schuster

Interviews with the Native American author of the short story collections *Ten Little Indians* and *The Lone Ranger and Tonto Fistfight in Heaven*; the National Book Award-winning young adult novel *The Absolutely True Diary of a Part-Time Indian*; and the screenplay *Smoke Signals*: Blue Horses Rush In University of Utah Press

Wrapped in blankets and looking at the stars, a young Navajo girl listened long ago to stories that would guide her for the rest of her life. "Such summer evenings were filled with quiet voices, dogs barking far away, the fire crackling, and often we could hear the faint drums and songs of a ceremony somewhere in the distance," writes Luci Tapahonso in this compelling collection. *Blue Horses Rush In* takes its title from a poem about the birth of her granddaughter Chamisa, whose heart "pounded quickly and we recognized / the sound of horses running: / the thundering of hooves on the desert floor." Through such personal insights, this collection follows the cycle of a woman's life and underlines what it means to be Navajo in

the late twentieth century. The book marks a major accomplishment in American literature for its successful blending of Navajo cultural values and forms with the English language, while at the same time retaining the Navajo character. Here, Luci Tapahonso walks slowly through an ancient Hohokam village, recalling stories passed down from generation to generation. Later in the book, she may tell a funny story about a friend, then, within a few pages, describe family rituals like roasting green chiles or baking bread in an outside oven. Throughout, Tapahonso shares with readers her belief in the power of pollen and prayer feathers and sacred songs. Many of these stories were originally told in Navajo, taking no longer than ten minutes in the telling. "Yet, in recreating them, it is necessary to describe the land, the sky, the light, and other details of time and place," writes Tapahonso. "In this way, I attempt to create and convey the setting for the oral text. In writing, I revisit the place or places concerned and try to bring the reader to them, thereby enabling myself and other Navajos to sojourn mentally and emotionally in our home,

Dinétaḥ."

Black Elk Speaks, the story of the Oglala Lakota visionary and healer Nicholas Black Elk (1863–1950) and his people during momentous twilight years of the nineteenth century, offers readers much more than a precious glimpse of a vanished time. Black Elk met the distinguished poet, writer, and critic John G. Neihardt in 1930 on the Pine Ridge Reservation in South Dakota and asked Neihardt to share his story with the world. Big Mushy Happy Lump Open Road Media Arrowsmith has been inspirational for several generations of med students. Martin Arrowsmith agonizes over his career and life decisions never sure if he's making the correct descisions. While the book details Arrowsmith's pursuit of the noble ideals of medical research for the benefit of mankind and of selfless devotion to the care of patients, Lewis throws many less noble temptations and self deceptions in Arrowsmith's path. The attractions of financial security, recognition, even wealth and power distract Arrowsmith from his original plan to follow in the footsteps of his first mentor, Max Gottlieb, a brilliant but abrasive bacteriologist. How I Became a Famous Novelist

Andrews McMeel Publishing

Winner of the American Book Award and the Murray Morgan Prize, Sherman Alexie's brilliant first novel tells a powerful tale of Indians, rock 'n' roll, and redemption. Coyote Springs is the only all-Indian rock band in Washington State—and the entire rest of the world. Thomas Builds-the-Fire takes vocals and bass guitar, Victor Joseph hits lead guitar, and Junior Polatkin rounds off the sound on drums. Backup vocals come from sisters Chess and Checkers Warm Water. The band sings its own brand of the blues, full of poverty, pain, and loss—but also joy and laughter. It all started one day

when legendary bluesman Robert Johnson showed up on the Spokane Indian Reservation with a magical guitar, leaving it on the floor of Thomas Builds-the-Fire's van after setting off to climb Wellpinit Mountain in search of Big Mom. In Reservation Blues, National Book Award winner Alexie vaults with ease from comedy to tragedy and back in a tour-de-force outing powered by a collision of cultures: Delta blues and Indian rock. This ebook features an illustrated biography including rare photos from the author's personal collection.
