Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work--a treasure that will be passed down for many generations to come. Sanger Rainsford is a big-game hunter, who finds himself washed up on an island owned by the eccentric General Zaroff. Zaroff, a big-game hunter himself, has heard of Rainsford's abilities with a gun and organises a hunt. However, they're not after animals – they're after people. When he protests, Rainsford the hunter becomes Rainsford the hunted. Sharing similarities with "The Hunger Games", starring Jennifer Lawrence, this is the story that created the template for pitting man against man. Born in New York, Richard Connell (1893 – 1949) went on to become an acclaimed author, screenwriter, and journalist. He is best remembered for the gripping novel "The Most Dangerous Game" and for receiving an Oscar nomination for the screenplay "Meet John Doe".

A Night to Remember Harper

In *Jesus the Bridegroom*, Brant Pitre once again taps into the wells of Jewish Scripture and tradition, and unlocks the secrets of what is arguably the most well-known symbol of the Christian faith: the cross of Christ. In this thrilling exploration, Pitre shows how the suffering and death of Jesus was far more than a tragic Roman execution. Instead, the Passion of Christ was the fulfillment of ancient Jewish prophecies of a wedding, when the God of the universe would wed himself to humankind in an everlasting nuptial covenant. To be sure, most Christians are familiar with the apostle Paul's teaching that Christ is the 'Bridegroom' and the Church is the 'Bride'. But what does this really mean? And what would ever possess Paul to compare the death of Christ to the love of a husband for his wife? If you would have been at the Crucifixion, with Jesus hanging there dying, is that how you would have described it? How could a first-century Jew like Paul, who knew how brutal Roman crucifixions were, have ever compared the execution of Jesus to a wedding? And why does he refer to this as the "great mystery" (Ephesians 5:32)? As Pitre shows, the key to unlocking this mystery can be found by going back to Jewish Scripture and tradition and seeing the entire history of salvation, from Mount Sinai to Mount Calvary, as a divine love story between Creator and creature, between God and Israel, between Christ and his bride--a story that comes to its climax on the wood of a Roman cross. In the pages of *Jesus the Bridegroom*, dozens of familiar passages in the Bible--the Exodus, the Song of Songs, the Wedding at Cana, the Woman at the Well, the Last Supper, the Crucifixion, and even the Second Coming at the End of Time--are suddenly transformed before our eyes. Indeed, when seen in the light of Jewish Scripture and tradition, the life of Christ is nothing less than the greatest love story ever told.

God raises up Methodists for such a time as this. Here is a ditty Len Sweet's Methodist grandfather used to sing: A Methodist, a Methodist will I be A Methodist will I die. I've been baptized in the Methodist way And I'll live on the Methodist side. What "genius" of Methodism inspired this kind of love and loyalty in the earlier years of the faith? What did it mean to live in "the Methodist way" and to die on "the Methodist side?" Perhaps it is time to resurrect a neo-Wesleyan identity and to challenge the prevailing "one-calorie Methodism" that characterizes so much of our tribe today. What makes a Methodist? How can we re-ignite the spark of genius that motivated such commitment in our cloud of witnesses? The essence of Methodism's genius resides in two famous Wesleyan mantras: "heart strangely warmed" (inward experiences with a fire in the heart) and "the world is our parish" (outward experiences with waterfalls of cutting-edge intelligence). For Wesley, internal combustion, the former, led to external combustion, the latter. In the 18th century, Methodists in general (and in their younger years, the Wesley brothers themselves) were accused of being too "sexy." What else could all those "love feasts" and "strangely warmed hearts" be about? Why else were all those women in positions of leadership? With this book the author hopes to bring back to life some of Methodism's sexiness so that our current reproduction crisis can be reversed.

It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read."—Paul J. Meyer, President of Success Motivation Institute, Inc. "I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it."—Robert B.
