From traditional toffee, fluffy clouds of marshmallow and creamy maple and pecan fudge to sherbet with lolly dippers, the recipes in *Sweet Things* are the stuff of childhood dreams. Soft, delicately flavoured nougat bars, topped with vanilla caramel and covered in chocolate are just big enough for three or four (big) bites and far surpass the shop-bought equivalent. Crisp butterscotch popcorn with just a hint of sea salt is the perfect adult indulgence, a box of Praline Hearts makes a delightful Valentine's Day gift and chocolate dipped honeycomb is tailor-made for Father's Day. The recipes come with failsafe instructions that will ensure success every time, even for novice confectioners, plus creative packaging ideas, making this the ideal book whether you want an imaginative present for someone special or merely to treat yourself.

When Simon Rimmer bought a small vegetarian restaurant, he had no idea how to cook. Armed with two cookbooks and heaps of enthusiasm, he and a friend created the best vegetarian restaurant in Manchester, famous for its unusual food and lovely atmosphere. A confirmed meat eater, Simon had to rethink his cooking and has created vegetarian recipes to please even the most dedicated carnivore. This book is a collection of some of his recipes that are quick to prepare but totally delicious. From good old favourites like macaroni cheese to Simon's more exotic fusion creations such as spicy beetroot and coconut soup, *The Accidental Vegetarian* will kill the lentil and sandal image of vegetarianism forever!

Inspired by Jane Austen's *Persuasion*. She returned to save her family's dying legacy—but found the ghosts of her past alive and well. Susan Napier's family once lived on the success of the high-end restaurants founded by her late grandfather. But bad luck and worse management has brought the business to the edge of financial ruin. Now it's up to Susan to save the last remaining restaurant: Elliot's, the flagship in Edinburgh. But what awaits Susan in the charming city of Auld Reekie is more than she bargained for. Chris Baker, her grandfather's former protégé—and her ex-boyfriend—is also heading to the Scottish capital. After finding fame in New York as a chef and judge of a popular TV cooking competition, Chris is returning to his native Scotland to open his own restaurant. Although the storms have cleared after their intense and rocky breakup, Susan and Chris are re-drawn into each other's orbit—and their simmering attraction inevitably boils over. As Chris's restaurant opens to great acclaim and Susan tries to haul Elliot's back from the brink, the future brims with new promise. But darkness looms as they find themselves in the crosshairs of a gossip blogger eager for a juicy story—and willing to do anything to get it. Can Susan and Chris reclaim their lost love, or will the tangled past ruin their last hope for happiness? *More than 700 Quick and Easy, Soft and Chewy, Hard and Crunchy Sweets and Treats* St. Martin's Press

Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of *What Is Not Yours Is Not Yours*, *Gingerbread*, and *Peaces* There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins

suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, *White* is for Witching is a boldly original, terrifying, and elegant novel by a prodigious talent.

Stubborn food critic Miranda Storme has reached her limit with infuriating restaurateur Gavin Luciano. Nicknaming her Red was just the tip of the iceberg—and not because her pulse races every time he uses it. She'd rather poke her eye out with a fork than let him know he affects her. Now he's trying to charm a good review out of her? Last. Straw. Gavin can have any woman he wants, but he only wants Red. The problem? He's spent a good amount of time convincing her he's a horse's ass. Her words. Risking upsetting the feisty critic further could ruin his family's business, but sometimes, when you know you've met your match, there's nothing left to do but play dirty and go all the way...

Post-Cinematic Affect is about what it feels like to live in the affluent West in the early 21st century. Specifically, it explores the structure of feeling that is emerging today in tandem with new digital technologies, together with economic globalization and the financialization of more and more human activities. The 20th century was the age of film and television; these dominant media shaped and reflected our cultural sensibilities. In the 21st century, new digital media help to shape and reflect new forms of sensibility. Movies (moving image and sound works) continue to be made, but they have adopted new formal strategies, they are viewed under massively changed conditions, and they address their spectators in different ways than was the case in the 20th century. The book traces these changes, focusing on four recent moving-image works: Nick Hooker's music video for Grace Jones' song Corporate Cannibal; Olivier Assayas' movie Boarding Gate, starring Asia Argento; Richard Kelly's movie Southland Tales, featuring Justin Timberlake, Dwayne Johnson, and other pop culture celebrities; and Mark Neveland and Brian Taylor's Gamer. *A Definitive Encyclopaedia Of Existing Information* iUniverse Winner of the 2018 International Association of Culinary Professionals (IACP) Cookbook Award for "Baking" category This game-changing candy cookbook from the owner of Quin, a popular Portland-based candy company, offers more than 200 achievable recipes using real, natural ingredients for everything from flavor-packed fruit lollipops to light-as-air marshmallows. Chai Tea Lollipops, Honey and Sea Salt Marshmallows, Chocolate Pretzel Caramels, Cherry Cola Gumdrops—this is not your average candy, or your average candy book. Candy-maker extraordinaire Jami Curl breaks down candy making into its most precise and foolproof steps. No guess work, no expensive equipment, just the best possible ingredients and stop-you-in-your-tracks-brilliant flavor combinations. She begins with the foundations of candy; how to create delicious syrups, purees, and “magic dusts” that are the building blocks for making lollipops, caramels, marshmallows, and gummy candy. But even more ingeniously, these syrups, purees, and magic dusts can be used to make a myriad of other sweet confections such as Strawberry Cream Soda, Peanut Butter Hot Fudge, Marshmallow Brownies, and Popcorn Ice Cream. And what to do with all your homemade

candy? Jami has your covered, with instructions for making candy garlands, tiny candy-filled pinatas, candy ornaments, and more—you are officially party ready. But this is just the tip of the deliciously sweet iceberg--packed with nearly 200 recipes, careful step-by-step instruction, tips for guaranteed success, and flavor guides to help you come up with own unique creations—Candy is Magic is a candy call to action!

A New York Times Bestseller If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...
