Suzuki GS500E Twin Haynes Manuals N. America, Incorporated
 Davin Jamison is already burned out when he receives an honorable discharge from the United States Army. After he lands a job in Manhattan, Kansas, his life seems to be on track until his boss lays him off. As a father and husband, Davin already feels the pressure as the provider. But when his wife continually reminds him of his failed military career, an angry David abandons his family for a new beginning in Arkansas.

Anxious to see Kansas in his rear mirror, Davin pushes his motorcycle to its limits. After he speeds past a trooper, the officer pursues him on a death-defying chase into Topeka that grabs news coverage and the attention of two men who bail him out of jail. Donald Walker and Richard Sharpe have been searching for the right driver to represent them in the Transcontinental American Race. As an alternative to prison, they invite Davin to participate in a coast-to-coast race with sixteen others that include an Englishman, an ex-marine, and a beautiful Porsche test driver. As the race begins, Davin soon learns that speed limits are simply suggestions. In this fast-paced tale, a young man leaves everything behind to learn what he is truly

made of during a transcontinental race through America.

A life taken to extremes... on and off the
bike Haynes Manuals N. America,
 Incorporated

Injury. Adrenaline. Addiction. These are
 the things that fuelled one man's race to
 international stardom as he pushed
 boundaries and took life on and off the
 bike to the limits. Starting out as a
 talented youth riding the desert tracks of
 California, his reckless nature and
 incredible talent earned him a position in

the rarefied world of professional
 motorcycle racing. Despite the success in
 his professional life, his personal life was
 crumbling around him - John was battling
 with depression and temptation, which
 began to threaten his career, health and
 marriage, ultimately bringing him to a life
 of alcoholism, addiction and even
 smuggling. In his remarkable memoir, one
 of the world's most renowned riders takes
 us on a raw and unique journey to the
 extremes of fast living. John 'Hopper'
 Hopkins is an icon for motorsport fans
 worldwide. He won't let anything hold him
 back. He has broken almost every bone in
 his body (twice), suffered a bleed on the
 brain, and had a finger amputated... yet
 he continued to race. Finally, at the age of
 35 - with his latest crash at Brands Hatch
 in 2017 putting him in rehab for two years
 - he decided to hang up his helmet.

Leathered tells the incredible story of an
 unparalleled career. From bone-crunching
 injuries and alcohol-fuelled antics to the
 breakdown of his marriage, it unveils the
 true stories behind the lurid headlines.

You Drive Me Wild Trail Blazer Publications

Whether it's a big-bore, high-end custom
 sportbike you're after, or a naked, bare
 knuckles streetfighting drag racer, this
 book has the goods for getting you there.
 In three different scenarios, the nation's
 top builders give blow-by-blow instructions
 for completely rebuilding three popular
 streetbikes -- from performance
 modifications and exhaust systems to
 flawless finishes and detail work. Focusing
 on highly customized Hayabusa drag
 bikes, including a slammed and lowered
 Suzuki GSX1300R Hayabusa, John Dantzler
 of the Charlotte, North Carolina, shop Two
 Wheel Customs outlines the suspension
 and engine modifications that the serious
 street and quarter-mile racer can make.

He takes a salvaged, late-model four-
 cylinder street machine and transforms it
 into the kind of machine that both
 professional stunt riders and corner-
 carving enthusiasts favor. Next, author
 Mike Seate covers the details on
 constructing and installing popular
 modifications -- everything from engine
 crash guards and wheelie bars to
 motocross-style handlebars and bikini
 fairings -- while stunt riders and
 streetfighter builders from the United
 States and Europe weigh in with tips and
 advice. Last but not least, the builders at
 Wisconsin's Patrick's Performance and
 South Carolina's Coastal Motorcycles
 provide a step-by-step account of the
 construction of two high-end custom
 sportbikes -- transforming a Yamaha YZF
 R-1 and a Suzuki GSX-R 1000 into the kind
 of machines that are eye-popping

everywhere-on the streets or on the motorcycle show circuit.
