The Attributes of God Sophia Institute Press

NEW YORK TIMES BESTSELLER • In his first book published as Pope, and in conjunction with the Extraordinary Jubilee of Mercy, Pope Francis here invites all humanity to an intimate and personal dialogue on the subject closest to his heart—mercy—which has long been the cornerstone of his faith and is now the central teaching of his papacy. In this conversation with Vatican reporter Andrea Tornielli, Francis explains—through memories from his youth and moving anecdotes from his experiences as a pastor—why “mercy is the first attribute of God.” God “does not want anyone to be lost. His mercy is infinitely greater than our sins,” he writes. As well, the Church cannot close the door on anyone, Francis asserts—on the contrary, its duty is to go out into the world to find its way into the consciousness of people so that they can assume responsibility for, and move away from, the bad things they have done. The first Jesuit and the first South American to be elected Bishop of Rome, Pope Francis has traveled around the world spreading God’s message of mercy to the largest crowds in papal history. Clear and profound, *The Name of God Is Mercy* resonates with this desire to reach all those who are looking for meaning in life, a road to peace and reconciliation, and the healing of physical and spiritual wounds. It is being published in more than eighty countries around the world. “The name of God is mercy. There are no situations we cannot get out of, we are not condemned to sink into quicksand.”—Pope Francis Praise for *The Name of God Is Mercy* “Francis speaks succinctly—and with refreshing forthrightness. . . . He emphasizes moral sincerity over dogma, an understanding of the complexities of the world and individual experience over rigid doctrine. . . . The pope has an easy conversational style that moves effortlessly between folksy sayings and erudite allusions, between common-sense logic and impassioned philosophical insights.”—Michiko Kakutani, *The New York Times* “What makes his book most moving is the way in which this man, without disrespecting his own privacy or offering false bromides of modesty, opens the sacred space of his conscience to explain how he came to center his ministry, and now his papacy, around mercy.”—James Carroll, *The New Yorker*

“As he has done throughout his papacy, Pope Francis shows in this book a compelling way to present God’s love anew to a skeptical world without denying the ancient teachings of faith. But now he is challenging the entire Church to trek a new way forward.”—*Time* “Francis enjoys sharing personal stories of God’s grace and mercy in the lives of parishioners from his native Argentina, people he has known and who have recognized themselves as sinners.”—*The Washington Post* “Powerful . . . Francis’s book signals a plea for a change of attitude on the part of the faithful and their pastors. . . . Bishops and priests will talk and quarrel over the text for months, even years to come. And that, perhaps, is what Francis intends.”—*Financial Times* “Deepens his calls for a more merciful Catholic Church . . . The question-and-answer book is told in simple, breezy language, with the pope referring to experiences and people in his own life.”—*Newsday* “Francis has offered his most detailed outline yet for the role of the Catholic church in the modern era.”—*National Catholic Reporter* Translated by Oonagh Stransky

God's Mercy in Our Suffering: Lamentations for Pastors and Counselors Ignatius Press

We are living in an extraordinary time: A Time of Mercy. But what is mercy? What does it mean to be living in a Time of Mercy? How can we receive God’s Mercy? And how should we respond? In *Doors of Mercy*, authors Fr. Jeffrey Kirby and Brian Kennelly answer these important questions. They act as your tour guides on a whirlwind tour of salvation history, from Adam and Eve to the coming of the Savior, and into the present day with the beautiful story of St. Faustina and the Divine Mercy message and devotion. You’ll discover the intricate stitching of a divine rescue plan that would not be stopped by anything. Across countless generations the Lord’s mercy acted as the lifeblood of this rescue plan, so that neither our own weakness, nor the devil himself, could thwart it. He would deliver us a Savior and a King of Mercy no matter what it took, one who would bring His Kingdom to the ends of the earth, and who would smash the very gates of hell. You’ll discover: -How the rebellion of Adam and Eve in the Garden affects our relationships with each other, with God, and with the world around us -Why God chose a rainbow as the sign of the covenant with Noah -The purpose behind Abram’s name being changed to Abraham -How the plagues in the time of Moses were not random but had symbolic meaning -How David’s Kingdom

serves as a template, or blueprint, for the Church -The hidden meaning behind some of Jesus’s well known parables and why the Eucharist is the sign of the new and eternal covenant -How the Church and her saints have spread mercy throughout the centuries, with short biographies of Sts. Vincent, Camillus, Margaret Mary, Maria Goretti and more -The history behind St. Faustina’s visions of Jesus and the spreading of the Divine Mercy message and devotion -How you can continue Christ’s mission of mercy in your own life...

Astra Publishing House

In five interwoven meditations, *Mystical Hope* shows how to recognize hope in our own lives, where it comes from, how to deepen it through prayer, and how to carry it into the world as a source of strength and renewal.

CONNECTING TO THE MERCY SEAT OF GOD XinXii

“Wherever there are Christians, everyone should find an oasis of mercy.” —Pope Francis Whether dealing with adoption, sobriety, bullying, the Boston Marathon bombing, or friendship with a Jehovah’s Witness, Mathew Schmalz’s own life serves as the backdrop for his reflections on the complex nature of mercy—how we give it, and how we receive it. From a home for lepers in India to a halfway house in the Bronx, the author probes his experiences to reveal mercy as a virtue that doesn’t necessarily come easily, but is infinitely rewarding. Discussion and reflection questions at the end of each chapter allow you to dig deeper into your own ideas about mercy, what it looks like in your life, and how to move toward a more merciful existence. Perfect for individual or group study.

A Centurial Sermon, on the Revival of Religion, A.D. 1740, Inscribed to the Memory of the Rev. Nathan Strong Random House

Offers “new possibilities of interpretation for religious pluralism.” Covers topics like God’s global reach in salvation, a Christology of Grace, and how Scripture views other religions.

God of Mercy Worthy Books

New York Times Best Seller! 1500 5-Star Reviews! From the author that brought you NEW YORK TIMES best selling books *The Harbinger*, *The Mystery of the Shemitah*, and *The Paradigm* selling over 3 MILLION copies Imagine if you discovered a treasure chest in which were hidden ancient mysteries, revelations from heaven, secrets of the ages, the answers to man’s most enduring,

age-old questions, and the hidden keys that can transform your life to joy, success, and blessing...This is *The Book of Mysteries. The Appalling Strangeness of the Mercy of God* Our Sunday Visitor The words of Job, in an epic poem by the talented John Piper, will touch readers' hearts. For while the story of Job's misery is not unfamiliar, we don't often think of God's mercy in the midst of it. Piper's beautiful words, combined with the stunning photography of Ric Ergenbright, will remind readers of the Lord's sovereignty, and His provision for His servant--and for us all.

The Book of God's Promises B&H Publishing Group

Collection of Bible promises taken from "The Book" Topics grouped alphabetically for easy reference 200 pp.

Finding Your Path to Forgiveness, Peace, and Joy Chapel Library

When I think about the mercy of God especially toward this generation where there is less or no more regard for God Almighty as it were in those days; where everyone indulge themselves in evil act, where religion has become an excuse for an act of terror, where the love of money has replaced the love of God even in the heart of the believers, where corruption has become the order of the day, where youth idolizes the things of the world and lust after its immorality, where knowledge has become a snare and wisdom a pestilence to the citizen of the world. Then this I concluded in my heart that if God can be patient enough to delay His wrath of His judgement over the world in general, then I think it is an understatement to say He is merciful but I will rather say God Himself is the definition, the true depiction and the description of mercy. This book reveals the deep things about the mercy of God which many Christians don't really realize. What more did you know about the mercy of God and what can we say about its efficacy. But the mercy of God is way beyond what we think and we need to learn a little more about it, that we might appreciate God.

A Novel Baker Books

In this vision our heavenly Father reveals to His children Satan's secret celestial activities unknown to many Christians today. This vision shows how Satan's maneuvers in the heavens can hinder the progress, and even lead to the total failure of a very faithful and spiritually hardworking Christian. Drawing from the personal experiences of our Lord Jesus Christ, this message gives every believer a weapon to prevent temptations and trials from taking place in their lives.

The Mystery of Divine Mercy Ave Maria Press

Breathtaking expose on the depths to which God goes to express His mercy to us. It will increase the reader's awe and appreciation for a God Who has extended Himself in such a way to man.

Marvelous Mercy uncovers the wealth of God but that wealth is not in how men measure wealth. God measures not His wealth in mutual stocks or corporate bonds. He is rich in mercy. God invests His wealth of mercy for the benefit of fallen humanity.

Creation and the Cross The Church of Jesus Christ of Latter-day Saints

Sister Faustina Kowalska, the Polish nun who had mystical encounters with the merciful Christ in the early 20th century, was canonized a saint by Pope John Paul II. The Pope also declared the first Sunday after Easter to be Divine Mercy Sunday, and it was during the vigil Mass of this feast that the Holy Father received his last Holy Communion and drew his last breath. The message of Divine Mercy as communicated through Sister Faustina is both a starting point and a recurring theme for Cardinal Sch nborn's discussion of God's merciful love. The Archbishop of Vienna explores the presence of God's great mercy in the Scriptures, Tradition, the life of Christ, and the sacraments and works of the Church, while raising important questions along the way, such as, "What is the relationship between mercy and justice?" "Mercy is the central nucleus of the Gospel message. In our time humanity needs a strong proclamation and witness of God's mercy . . . Go forth and be witnesses of God's mercy, a source of hope for every person and for the whole world." -- Pope Benedict XVI

Bloomsbury Publishing

If God is truly merciful and loving, perfect in goodness, how can he consign human beings created in his own image to eternal torment in hell? God's goodness seems incompatible with inflicting horrible evil upon those who oppose his will and defy his law. If to this paradox we add the metaphysical requirement that God be perfect in goodness, the eternal evil of hell seems to be contradictory to God's own nature. Catholic philosopher Adrian Reimers takes on these challenges in *Hell and the Mercy of God*, drawing on relevant sources from Aristotle to Aquinas, from Dante to Tolkien, from Wagner to John Paul II, along with Billie Holiday, The Godfather, and the music of George Gershwin. He presents a philosophical theology, grounded in Scripture, of the nature of goodness and evil, exploring various types of pain, the seven

capital sins, the resurrection of the body, the meaning of mammon, the core meaning of idolatry, the psychology of Satan and those who choose his path, and the moral responsibility of the human person. These reflections illuminate the intelligibility of orthodox Catholic teachings on the goodness of God and the reality of hell. Hell is not an arbitrary imposition set up for human rule-breakers but a continuation of a freely chosen way of life manifest even in this world. Examples from history, art, and contemporary culture lead the author to conclude that anyone who does not believe in the reality of hell is not paying enough attention. And yet, mercy and hope remain triumphant, because, just as Christ offers entrance into paradise to the "good thief" Dismas on the cross, God continues to offer repentance and salvation to all who live.

Running from Mercy Charisma Media

By Fr. George Kosicki, CSB and Vinny Flynn. Sold in 5-packs. Moving conversations between the Merciful Savior and five kinds of souls: sinful, despairing, suffering, striving and perfect. All taken from the Diary of Saint Faustina.

The Mercy That Endureth GENERAL PRESS

St Augustine's insight was that it is only the merciful humility of God that could penetrate our armoured pride. As we follow this book through Lent and through the Biblical narrative what begins to emerge is that God's merciful humility is the source of life. The chapters of Jane Williams's book include: 'Humble Beginnings'; 'How to win friends and influence nobody'; 'Reigning from a tree' and 'Risen and ascended into humility'. Her reflective Lent book will be a trusted guide for anyone seeking a deeper understanding of God's humility during this religious period. *A Journey Through Salvation History* Good Book Company Thirty short but profound reflections that help you to meditate on and marvel at the sacrificial love of Jesus. This book also works fantastically as a devotional. These short but profound reflections from David Mathis, author of *The Christmas We Didn't Expect*, will help you to look deeper at Jesus' life, sacrificial death and spectacular resurrection--enabling you to treasure anew who Jesus is and what he has done for us. Many of us are so familiar with the Easter story that it becomes easy to miss subtle details and difficult to really enjoy its meaning. This book will help you to pause and marvel at Jesus, whose now-glorified wounds are a sign of his unfailing love and the decisive victory that he has won: "He

was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." (Isaiah 53:5) This book works fantastically as a devotional at any time of year. The chapters on Holy Week make it especially helpful during the Lent season and at Easter.

[The Mercy of God for a Planet in Peril](#) Crossway Bibles

Leading Reformed voice offers a revised and updated edition of his landmark publication about the freeing message of saving grace.

The Embrace of God's Mercy Random House

The story of Jonah the prophet is familiar to us. It's full of unforgettable images, ironic twists and turns, and dramatic encounters between humanity, nature, and God. Most importantly, it is a microcosm of the human story. Your story. My story. The story of Jonah. In these pages, you will meet a prophet not so different from yourself. The prophet's rebellious spirit is astounding, but more astounding still is the surprising grace of God. The same God who relentlessly pursued Jonah and who relentlessly pursued the Ninevites is pursuing you. May this story

cause you to rest in his unstoppable grace.

Jonah and the Surprising Story of God's Unstoppable Grace Destiny Image Publishers

This book is the powerful story of an amazing woman who converts to Catholicism at Harvard University, marries her college sweetheart and joyfully welcomes several children. After some successful forays into pro-life activism in New England, Ruth Pakaluk is struck with breast cancer and dies at the young age of forty-one. Ruth's story is told primarily through her humorous, sparkling and insightful letters, through which her realistic cheerfulness shines. A biographical sketch by her husband, Michael Pakaluk, fills in the needed background information, while a collection of her talks on abortion and on being a Catholic wife and mother round out the volume. Ruth Pakaluk exemplified the powerful integrity of someone who lives what she believes. She was steadfastly committed to Christ and to the culture of life, and this commitment was manifested in her consistent affirmation of life in her family, in her society and even in the face of her own death. Peter Kreeft, Professor of Philosophy and widely published author, referred to Ruth Pakaluk as the best and most effective and inspiring pro-life speaker he had ever heard. She was so

renowned as a pro-life debater in New England, that eventually Planned Parenthood spokeswomen refused to spar with her in public. The forceful logic of her arguments was made even more compelling by the strength of her personality. All of Ruth's virtues - her love as a devoted wife and mother, her zeal for the truth and her hope while battling a terminal illness - offer inspiration and encouragement to anyone striving to put Christian faith into action.

Doors of Mercy Rowman & Littlefield

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. The perfect introductory text, 'The Attributes of God' also has enough depth and meat to satisfy the more experienced reader.
