Guilt* Random

When a mysterious serial killer known as "M" launches a deranged "investigation" , Alex Cross and his partner must unearth long-forgotten secrets to survive -- or risk getting buried themselves. In a Virginia penitentiary, Alex Cross and his partner, John Sampson, witness the execution of a killer they helped convict. Hours later, they are called to the scene of a copycat crime.

A note signed "M" rests on the corpse. "You messed up big time, Dr. Cross." Was an innocent man just put to death? Alex soon realizes he may have much to answer for, as "M" lures the detective out of the capital to the sites of multiple homicides, all marked with distressingly familiar details -- details that conjure up decades-old cases. Details that conjure up Cross family secrets. Details that make clear

that M is after a prize so dear that -- were the killer to attain it -- Alex's heart would no longer have reason to beat.

*The Girls*  
BookShots

Desperate for a conviction the police deemed the investigation an open-and-shut case and sent her spurned boyfriend, Danny Momrak, down for murder. But twenty years later William Wisting receives a puzzling letter. It suggests the wrong man was convicted for Tone's death and the real murderer is still out there. Wisting is quickly thrown into a terrifying race against time

where he must find the sender, decipher this mysterious letter and catch the real killer before they strike again."--
