 Lear | Encyclopedia.com
 Edward Bond is an English playwright, theatre director, poet, theorist and screenwriter. He is the author of some fifty plays, among them *Saved*, the production of which was instrumental in the abolition of theatre censorship in the UK. Bond is broadly considered one among the major living dramatists but he has always been and remains highly controversial because of the violence shown in his plays, the radicalism of his statements about modern theatre and society, and his theories on drama.
 Edward Bond - Wikipedia
 Edward Bond's version of Lear's story embraces myth and reality, war and politics, to reveal the violence endemic in all unjust societies. He exposes corrupted innocence as the core of social morality, and this false morality as a source of the aggressive tension which must ultimately destroy that society. In a play in which blindness becomes a dramatic metaphor for insight, Bond warns that 'it is so easy to subordinate justice to power, but when this happens power takes on the dynamics and dialectics of aggression, and then nothing is really changed'.
 Lear (Student Editions) Edward Bond: Methuen Drama
 Lear is a re-telling of the story of Lear, premiered at the Royal Court in 1971. With a brief passage before the cast list Bond reminds the reader that: According to ancient chronicles Lear lived about the year 3100 after the creation. He built Leicester and was buried under the River Soar.
