Edythe Amsel
is delighted
with her first
teaching

assignment: a
one-room
schoolhouse
in Walnut Hill,
Nebraska.
Independent,
headstrong,
and a strong
believer in a
well-rounded
education,
Edythe is
ready to open
the world to
the students
in this tiny
community.
But is Walnut
Hill ready for
her? Joel
Townsend is
thrilled to
learn the town
council hired a
female
teacher to

replace the
ruthless man
who terrorized
his nephews
for the past
two years.
Having raised
the boys on
his own since
their parents'
untimely
deaths, Joel
believes they
will benefit
from a
woman's
influence. But
he sure didn't
bargain on a
woman like
Miss Amsel.
Within the first
week, she has
the entire
town up in
arms over her
outlandish
teaching
methods,
which include
collecting
leaves,

catching bugs,
making snow
angels, and
stringing
ropes in
strange
patterns all
over the
schoolyard.
Joel can't help
but notice that
she's also
mighty pretty
with her rosy
lips,
fashionable

fancy way of

When Edythe

take her

the town's
outcry
reaches new

Joel isn't sure

can he trust
her with his

Memoir of
Growing Up
Gypsy Mikey
Walsh was
born into a
Romany
Gypsy family.
They live in a
secluded
community,
and little is
known about
their way of

life. After centuries of persecution, Gypsies are wary of outsiders, and if you choose to leave you can never come back. This is something Mikey knows only too well. Growing up, he didn't go to school, he seldom mixed with non-Gypsies, and the caravan became his world. It was a rich and unusual upbringing, but although Mikey inherited a vibrant and loyal culture his family's

legacy was bittersweet, with a hidden history of violence and grief. Eventually Mikey was forced to make an agonizing decision—to stay and keep secrets, or escape and find somewhere to belong. Gypsy Boy shows, for the first time, what life is really like among the Romany Gypsies. A surprise #1 bestseller in Great Britain, this is a one-of-a-kind memoir of a little-seen

world, one both fascinating and heartbreaking. *Panic Room* Sourcebooks, Inc. NOW A SUNDAY TIMES TOP 10 BESTSELLER FROM THE NUMBER ONE BESTSELLING AUTHOR OF THE TEA PLANTER'S WIFE Dinah Jefferies' stunning new novel is a gripping, unforgettable tale of a woman torn between two worlds... 1952, French Indochina. Since her mother's

death, eighteen-year-old half-French, half-Vietnamese Nicole has been living in the shadow of her beautiful older sister, Sylvie. When Sylvie is handed control of the family silk business, Nicole is given an abandoned silk shop in the Vietnamese quarter of Hanoi. But the area is teeming with militant rebels who want to end French rule, by any means possible. For the first time,

Nicole is awakened to the corruption of colonial rule - and her own family's involvement shocks her to the core... Tran, a notorious Vietnamese insurgent, seems to offer the perfect escape from her troubles, while Mark, a charming American trader, is the man she's always dreamed of. But who can she trust in this world where no one is what they seem? The Silk Merchant's

Daughter is a captivating tale of dark secrets, sisterly rivalry and love against the odds, enchantingly set in colonial era Vietnam. *My Life in the Secret World of the Romany Gypsies* The Films of Roger Corman Brilliant on a Budget The Pohutukawa Tree A story of courage and bravery from a Jew behind enemy lines during the Second World War. How many secrets can one family hold? Levi

Horowitz isn't a natural-born soldier. But in November 1938, Berlin is a volatile place for a Jew, and the talented young musician secures passage to Switzerland. Instead, Levi is taken to a Danish border checkpoint and from then on his war becomes secret, even from those he loves best. In 2017, a recording emerges, showing Levi in 1945 and revealing a story in equal parts shocking

and heroic. It is a journey that leads him face-to-face with Hitler, and into a position to change the final outcome of the war. Levi's War follows on from the enthralling historical novels The Keeper of Secrets and Rachel's Legacy, this time tracing the story of the eldest Horowitz son. Whether you're discovering Julie Thomas's books for the first time, or making a return visit to

the saga of the Horowitz family, Levi's War will leave you utterly breathless. Praise for The Keeper of Secrets 'Thomas's writing comes alive when describing the glories of music and the alchemy of its extraordinary practitioners. She has also managed to portray the horror of life in Dachau with pinpoint accuracy and emotional conviction.' NZ Listener 'Originally self-published as an ebook, gaining

widespread popularity and rave reviews, *The Keeper of Secrets* is the culmination of years of meticulous research, for which the reader reaps the rewards. Prepare to be swept up in a captivating story that both entertains and informs.' Australian *Women's Weekly* 'I can see why it's been so successful. *The Keeper of Secrets* is Holocaust fiction with a difference, a compelling tale about a

precious violin and the people who love, play and covet it.' *Herald on Sunday A Novel* *Random House* From #1 New York Times bestselling author Marieke Nijkamp (*This Is Where It Ends*) comes *Before I Let Go*, an emotional thriller about a suspicious death, a friend desperate for answers, and their small town's sinister secrets. Best friends Corey and Kyra were inseparable in

their tiny snow-covered town of Lost Creek, Alaska. But as Kyra starts to struggle with her bipolar disorder, Corey's family moves away. Worried about what might happen in her absence, Corey makes Kyra promise that she'll stay strong during the long, dark winter. Then, just days before Corey is to visit, Kyra dies. Corey is devastated—and confused, because Kyra said she wouldn't hurt herself. The entire Lost

<p>community speaks in hushed tones, saying Kyra's death was meant to be. And they push Corey away like she's a stranger. The further Corey investigates—and the more questions she asks—the greater her suspicion grows. Lost is keeping secrets—chilling secrets. Can she piece together the truth about Kyra's death and survive her visit? But just when it seems it might finally become a

reality, she's summoned to a family reunion organized by her formidable Great Aunt Aurelia. Annoyed that she must again put her life on hold, Claire begrudgingly agrees, but what she discovers there could challenge everything she thought she knew about the station, her family, and even herself. *Stromboli* Vandenhoeck & Ruprecht "The satisfying conclusion to

Gardam's Old Filth trilogy offers exquisite prose, wry humor, and keen insights into aging and death" (The New Yorker). While Old Filth introduced readers to Sir Edward Feathers, his dreadful childhood, and his decades-long marriage, The Man in the Wooden Hat was his wife Betty's story. Last Friends is Terence Veneering's turn. His beginnings were not those of the usual

establishment grandee. Filth's hated rival in court and in love is the son of a Russian acrobat marooned in the English midlands and a local girl. He escapes the war and later emerges in the Far East as a man of panache and fame. The Bar treats his success with suspicion: Where did this handsome, brilliant Slav come from? This exquisite story of Veneering, Filth, and their circle tells a bittersweet

tale of friendship and grace and of the disappointments and consolations of age. They are all, finally, each other's last friend as this magnificent series ends with the deep and abiding satisfaction that only great literature provides. "[Gardam's] prose sparkles with wit, compassion and humor. She keeps us entertained, and she keeps us guessing. Be thankful for her books. Be thankful for

this trilogy, which is ultimately an elegy, created with deep affection." —The Washington Post "Restores us to an era rich in spectacle and bristling with insinuation and intrigue. Vivid, spacious, superbly witty, and refreshingly brisk . . . the story (and the author) will endure." —The Boston Globe "All three Gardam books are beautifully written but it's a pleasure to note that Last

Friends is the most enjoyable, the funniest and the most touching.”

An Experiment in Love

Bloomsbury Publishing
A wave of babynappings has terrified parents from San Diego to Portland. And when the Pied Piper--named for the penny flute he leaves in the cribs of his victims--claims his first Seattle infant, the investigation draws in homicide detective Lou Boldt.

Assigned temporarily to Intelligence so he can spend more time with his kids while his wife is hospitalized for chemotherapy , Boldt's role is to keep the FBI out of the Seattle Police Department's way. But FBI special agent Gary Flemming is a tough adversary--so tough it almost seems as if he's intentionally sabotaging the SPD's investigation. Then the Pied Piper snatches Boldt's own daughter,

promising that unless Boldt throws both the Feds and the SPD off his trail he'll never see his child again. Caught between his professional obligations and his fear for Sarah's life, Boldt launches his own private manhunt with the help of John La Moia, his replacement in homicide, and police psychologist Daphne Matthews, his closest friend in the department. They form a sub rosa task

force under the noses of the Feds and the SPD, and soon discover how the Piper has managed to stay a step ahead of the police, elude capture, and find his small victims. The chase moves from Seattle to Portland to New Orleans, culminating in a thrilling denouement in the daffodil fields of Washington's Skagit Valley. Combining strong characterizations with an impressive command of both policing and pacing,

Ridley Pearson, author of Chain of Evidence and Beyond Recognition, delivers another sure winner in this outing for Lou Boldt. --Jane Adams

 A story about anger, aggression and the desire for intimacy by a rising star of modern Dutch literature. A professional boxer and a family man meet by chance on a journey to the Pamplona Bull Run. The

boxer is fleeing an unhappy love. The father hopes to escape his dull routine. Both know that, eventually, they will have to return to the place each calls 'home'. Why Peirene chose to publish this book: 'I adore the deceptive simplicity of this story. On the surface, the fast moving plot, the short sentences, the ordinary words make the text as straightforward as punches in a boxing match. But

just as physical conflict stirs deep emotions, so too does this book as it focuses on a single question: how do you choose between flight and fight?' Meike Ziervogel 'An impressive work.' Harry Ritchie, Daily Mail 'As he tracks back and forth between the dual narratives, moving inexorably to the double climax, Van Mersbergen skilfully builds emotional intensity until

the point when the boxer and bulls' fury are finally unleashed.' Lucy Popescu, Independent on Sunday 'An intriguing and intricate gem of a novel . . . Van Mersbergen's tightly controlled prose skilfully conveys the overriding sense of repressed emotion and sheer physicality that drive a compelling and complex story.' Spiritual
Healing for

Personal Prosperity CUP Archive After celebrated author Jasper Gwyn suddenly and publicly announces that he will never write another book, he embarks on a strange new career path as a “copyist,” holding thirty-day sittings in a meticulously appointed room and producing, at the end, brief but profoundly rich portraits in prose. The surprising, beautiful, and even frightening

results are received with rapture by their subjects—among them Gwyn’s devoted assistant, Rebecca; a beautiful fabric importer; a landscape painter; Gwyn’s own literary agent; two wealthy newlyweds; a tailor to the Queen; and a very dangerous nineteen-year-old. Then Gwyn disappears, leaving behind only a short note to his assistant—and the portraits.

As Rebecca studies his words, she realizes that the mystery is larger than the simple fact of Gwyn’s whereabouts, and she begins to unravel a lifetime’s worth of clues left by a man who saw so much but said so little, a man whose solitude masked a heart as hungry as hers.
