But all the kids are wearing them! Any child who has ever craved something out of reach will relate to this warm, refreshingly realistic story. Features an audio read-along. "I have dreams about those shoes. Black high-tops. Two white stripes." All Jeremy wants is a pair of those shoes, the ones everyone at school seems to be wearing. But Jeremy's grandma tells him they don't have room for "want," just "need," and what Jeremy needs are new boots for

winter. When Jeremy's shoes fall apart at school, and the guidance counselor gives him a hand-me-down pair, the boy is more determined than ever to have those shoes, even a thrift-shop pair that are much too small. But sore feet aren't much fun, and Jeremy comes to realize that the things he has -- warm boots, a loving grandma, and the chance to help a friend -- are worth more than the things he wants.

The Burlington Magazine Shambhala Publications

Wemberly worried about everything. Big things. Little things. And things in between. Then it was time for school to start. And Wemberly worried even more.

If you ever worry (or know someone who does), this is the book for you.

Here is everything you need to know about getting into oil painting—and

maintaining a safe, solvent-free oil painting practice—in a slim, sophisticated guide. Oil painting is an exciting and adventurous medium, but aspiring artists can feel daunted by complex setups and the thought of using harsh chemicals. All of that changes now. The New Oil Painting walks you step-by-step through oil painting fundamentals—which materials you actually need, how to mix paint, how to set up your painting space—and, most revolutionary of all, how to eliminate harmful solvents from your work and replace them with safe, effective substitutes. This instructional handbook is organized into chapters with helpful diagrams throughout illustrating various techniques and tools. Whether you're a true beginner or have been painting with

oils for years, you will find that this book has everything you need to build a new, thriving, toxin-free practice. • **UNIQUE APPROACH:** Not only does this book help aspiring artists build a repertoire of skills and materials, it also offers all artists, regardless of their experience levels, methods for eliminating solvents and other toxic substances from their oil painting practices. What was once a dangerous pastime is now a guilt-free, health-conscious, and rewarding activity. And using safe, nontoxic materials is better for the environment! • **LONG-TERM USE:** Good art instruction can deliver over a long period of time, and this handy guide is no exception. Along with being able to use this as an entryway into oil painting, you can also use it for reference or reread sections

when you need a brushup. • **EXPERT AUTHOR WITH IMPRESSIVE CREDENTIALS:** Painter Kimberly Brooks was the founding arts editor at Huffington Post. As a painter, she exhibits her work frequently throughout the United States and was a featured artist with the National Endowment for the Arts. She has led oil painting workshops, and now she shares her vast knowledge of the subject in this accessible and comprehensive handbook. Perfect for: • Artists and art aspirants interested in exploring a new medium • Experienced oil painters looking to eliminate solvents from their practices • Painting students and teachers

Creating the Artful Home: the Aesthetic

Movement and Its Influence on Home Decor covers the history of a movement that emphasized "art for art's sake"-and the influence it had on home decor. The Aesthetic Movement in America lasted just a few decades (1870-1900), and served mainly as a bridge between the high Victorian sensibility and the radical shift to the Arts & Crafts style. The movement germinated among artists who used opulent color, decorative patterning, and lavish materials simply for the aesthetic effects they could evoke. It was commonly held that a home that expressed an artful, harmonious soul would instill high aesthetic and moral merit in its inhabitants. The Aesthetic Movement in America helped to popularize the idea that everyone should be able to enjoy

beautiful, well-made homes and furnishings-not just the very wealthy. Artful homes could be composed from brilliant antique store finds, discriminating department store purchases, and gems hand-made by the ladies of the house. It was the moment when people embraced the idea that only a beautiful home could be a happy home. Karen Zukowski delves into the movement's establishment, evolution, and main characters, and shows how today's homes can incorporate Aesthetic principles: Through suggestion rather than statement, sensuality, massive use of symbols, and synaesthetic effects-that is, correspondence between words, colors and music. How influential designers such as Clarence Cook and Charles Eastlake popularized the idea

that beautiful homes with tasteful furnishings could be available to practically everyone How today's designers, manufacturers, and retailers deploy the very same stylistic markers of the Aesthetic Movement: rich color, layered pattern and texture, mixtures of historical motifs

*Bulletin* Knopf Books for Young Readers The bestselling picture book that Publisher's Weekly calls "simultaneously sassy and sweet." Rabbit loves carrots and that's a big problem! In this phenomenal bestseller, Rabbit loves carrots a little too much. In fact, his carrots are crowding him out of his cozy burrow. When his friends offer to help, they're just asking for trouble, a lot of trouble! This charming and lovingly illustrated children's book, by acclaimed

author Katy Hudson (A Loud Winter's Nap and Bear and Duck), shows how friendships get us over the rough spots in life, even if the going gets a little bumpy. Too Many Carrots is the perfect springtime, Eastertime, and anytime gift.

*The New Oil Painting* HarperCollins

Working up the courage to take a big, important leap is hard, but Jabari is almost absolutely ready to make a giant splash. Jabari is definitely ready to jump off the diving board. He's finished his swimming lessons and passed his swim test, and he's a great jumper, so he's not scared at all. "Looks easy," says Jabari, watching the other kids take their turns.

But when his dad squeezes his hand, Jabari squeezes back. He needs to figure out what kind of special jump to do anyway, and he should probably do some stretches before climbing up onto the diving board. In a sweetly appealing tale of overcoming your fears, newcomer Gaia Cornwall captures a moment between a patient and encouraging father and a determined little boy you can't help but root for.

Acclaimed artist Faith Ringgold seamless

weaves fiction, autobiography, and African American history into a magical story that resonates with the universal wish for freedom, and will be cherished for generations. Cassie Louise Lightfoot has a dream: to be free to go wherever she wants for the rest of her life. One night, up on “tar beach,” the rooftop of her family’s Harlem apartment building, her dreams come true. The stars lift her up, and she flies over the city, claiming the buildings and the city as her own. As Cassie learns, anyone can fly. “All you need is somewhere to go you can’t get to any other way. The next thing you know, you’re flying among the stars.”

 Love And Labor is written with so much love for life, human beings, and the written word, that it never feels laborious. The pages and years fly by- from the Depression and sexual revolution of the 30s, through WWII, to the present. Doris Murphy is, of course, at the heart of this memoir, but she shares her story with Joe Murphy, the love of her life, a legend who helped change the course of labor history. - Jonah Raskin, author of American Scream: Allen Ginsberg's 'Howl' and Making of the Beat Generation. An

engaging, frank story of an independent young woman's explorations with life and romance culminating in her marrying an equally independent labor leader. There's a rich lode of 20th century cultural history here and a wonderful picture of San Francisco in the 30s, 40s and 50s. What a time to have been young! -Robin Beeman, author of The Lost Art of Desire In a crisp, authoritative and compassionate voice, Doris Murphy records California labor history and her private loves as well. Love And Labor deserves a place in history and writing classes in every high school and college in America. -Chester Aaron, author of Symptoms of Terminal Passion.
