Written by one
of the best
known and

most respected evangelical biblical scholars of all time, "Paul" explores the primary themes in Paul's thought as they developed in the historical context of his life and travels. *Luke-Acts Scm Press* This new edition of Arnold Rhodes's *The Mighty Acts of God* is an essential tool for learning more about the Bible. The original volume, which has been well-loved as a

guide for Bible study, has been carefully revised by W. Eugene March to incorporate the most up-to-date historical and theological research. From the beginnings of creation to final consummation and hope, readers will find the same easily readable quality as in the first edition along with helpful questions for either group or individual study. Paul Baker Books Published in

conjunction with The Proclamation Trust. There are commentaries, and there are books on preaching - but very few books that are specifically geared to the preacher or Bible teacher tackling a series on a Bible book or doctrinal theme. Key features of books in this series are introductory chapters on 'getting our bearings in the book' and 'planning a series'. The 'meat of the book' then

<p>works systematically through a suggested series, working with the Bible teacher from text to sermon or talk. Each chapter ends with a suggested preaching / teaching outline and a detailed Bible study which would be ideal for small groups. Books in this series are aimed at developing confidence in handling God's Word in a variety of contexts. Whether you are a preacher, a</p>	<p>small group leader or youth worker, these books will give you the necessary tools for teaching. Teaching Acts is a welcome addition to the series. Acts is a tough book to teach, but vital to the church in every generation. <i>Popular Lectures on the Books of the New Testament</i> Harper Collins THE NEW AMERICAN COMMENTARY is for the minister or Bible student who wants to understand</p>	<p>and expound the Scriptures. Notable features include:* commentary based on THE NEW INTERNATIONAL VERSION;* the NIV text printed in the body of the commentary;* sound scholarly methodology that reflects capable research in the original languages;* interpretation that emphasizes the theological unity of each book and of Scripture as a whole;* readable and</p>
--	---	--

<p>applicable exposition. <u>The Acts of the Apostles</u> Zondervan Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction</p>	<p>by P.D. James <i>The Index of Self-Destructive Acts</i> Westminster John Knox Press "... . . . undertaken to provide earnest students of the New Testament with an exposition that is thorough and abreast of modern scholarship and at the same time loyal to the Scriptures as the infallible Word of God." "This statement reflects the underlying</p>	<p>purpose of The New International Commentary on the New Testament. Begun in the late 1940s by an international team of New Testament scholars, the NICNT series has become recognized by pastors, students, and scholars alike as a critical yet orthodox commentary marked by solid biblical scholarship within the evangelical Protestant tradition. While based on a thorough study of the</p>
---	---	---

Greek text, the commentary introductions and expositions contain a minimum of Greek references. The NICNT authors evaluate significant textual problems and take into account the most important exegetical literature. More technical aspects — such as grammatical, textual, and historical problems — are dealt with in footnotes, special notes, and appendixes. Under the general editorship of three outstanding New Testament scholars — first Ned Stonehouse (Westminster Theological Seminary, Philadelphia), then F. F. Bruce (University of Manchester, England), and now Gordon D. Fee (Regent College, Vancouver, British Columbia) — the NICNT series has continued to develop over the years. In order to keep the commentary “new” and conversant with contemporary scholarship, the NICNT volumes have been — and will be — revised or replaced as necessary. The newer NICNT volumes in particular take into account the role of recent rhetorical and sociological inquiry in elucidating the meaning of the text, and they also exhibit concern for

the theology and application of the text. As the NICNT series is ever brought up to date, it will continue to find ongoing usefulness as an established guide to the New Testament text. Smart Guide to the Bible Canongate Books Highly respected scholar Carl R. Holladay offers an in-depth critical commentary on the book of Acts in this new work from the acclaimed

New Testament Library series. Holladay offers a theological, contextual, and literary interpretation, paying attention to Acts as a rich narrative that accounts for the development of the early Christian church. He sees Luke's literary style as an expression of its theological purpose. Holladay writes, "Convinced that Jesus' life and death and the emergence of

the early Christian movement occurred under divine guidance and continued the biblical story by fulfilling God's ancient promises, Luke decided to incorporate them into a grandly conceived narrative told in a dignified yet dramatic style. Acts reflects the close relationship between medium and message, yet it also illustrates how the medium is the message." Holladay's commentary

is theologically rich and steeped in narrative analysis that understands the high level of literary style as an expression of the theological content and the telling of the Christian origin. The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. The contributors are scholars of international standing. The editorial board consists of C. Clifton Black, Princeton Theological Seminary; M. Eugene Boring, Brite Divinity School; and John T. Carroll, Union Presbyterian Seminary. *Reading Acts* InterVarsity Press Leading biblical scholar Thomas Schreiner provides an easy-to-navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters. This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp

the sense of particular passages. This is the first volume in the Handbooks on the New Testament series, which is modeled after Baker Academic's successful Old Testament handbook series. Series volumes are neither introductions nor commentaries, as they focus primarily on the content of the biblical books without getting bogged down in historical-critical questions or detailed

verse-by-verse exegesis. The series will contain three volumes that span the entirety of the New Testament, with future volumes covering the Gospels and Hebrews through Revelation. Written with classroom utility and pastoral application in mind, these books will appeal to students, pastors, and laypeople alike.

The Book Acts for Today Saint

Andrew Press
This substantive yet highly accessible commentary leads readers through all aspects of the book of Acts--sociological, historical, and theological.

Against Heresies
Westminster John Knox Press
Insights on Acts explores the expansion of the early church throughout the Roman world in the continuing 15-volume Swindoll's Living Insights New Testament

Commentary series. This never-before-released volume draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience with studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries. Each volume combines verse-by-verse commentary,

charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word. *Insights on Acts* Wipf and Stock Publishers The earliest of

the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave *The Acts of the Apostles* InterVarsity Press Highly respected New

Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary available. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the third of four, Keener

continues his detailed exegesis of Acts, utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries. **The Mighty Acts of God, Revised Edition** The Book of Acts This is a revision of the

Gold Medallion Award-winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint. [Acts: An Exegetical Commentary](#) Lulu.com This lively, engaging introduction to the New Testament is critical yet faith-friendly, lavishly illustrated, and accompanied by a variety of pedagogical aids, including sidebars, maps, tables,

charts, diagrams, and suggestions for further reading. The full-color interior features art from around the world that illustrates the New Testament's impact on history and culture. The first edition has been well received (over 60,000 copies sold). This new edition has been thoroughly revised in response to professor feedback and features an updated interior design. It

offers expanded coverage of the New Testament world in a new chapter on Jewish backgrounds, features dozens of new works of fine art from around the world, and provides extensive new online material for students and professors available through Baker Academic's Textbook eSources. An Introduction and Commentary Lulu.com Discusses the

background of the Book of Acts and includes a detailed exposition and notes on the text. The Message of Acts Wm. B. Eerdmans Publishing If there ever was a hostile environment for the gospel, it was strife-torn, ethnically diverse Palestine following the ascension of Jesus. In Acts, the sequel to his Gospel, Luke tells how the Holy Spirit transformed a ragtag band of believers into a unified,

world-changing church. William Larkin explores this narrative of the early church. *Acts* Wm. B. Eerdmans Publishing
The Bible is the best-selling book in history, but it can also be hard to understand. *The Smart Guide to the Bible: The Bible* guides you through all 66 books of the Old and New Testaments, so you can see both the big picture and the Divine details that

support and carry forth God's master plan. From "In the beginning" to the final "Amen" you will gain the knowledge, confidence, and clarifications you've always wanted about God's words to you. **Introducing the New Testament** Baker Academic Experience Pentecost. Look on as 130 converts shake a city. Meet Paul. Go with him as he plants the first Gentile church. Extend the

kingdom's power and see the enemy upset. Walk with Paul as he travels to Corinth, Antioch, Ephesus and beyond. For those desiring to be a part of God's action in their churches, their communities and throughout the world, there is nothing that will help more than thoroughly understanding the book of Acts and applying what we can learn from it. Acts was designed

<p>to be God's training manual for Christians. It worked in the early church, and it works in the postmodern world. The reader's study of Acts in The Book of Acts</p>	<p>will bring new intimacy with the Spirit and new joy in doing His will. <u>Unlocking the Book of Acts for the Bible Teacher</u> Thomas Nelson Peterson focuses on</p>	<p>how Luke framed his narrative and speeches as well as his theology, demonstrating that Acts was written for Christian edification and to encourage mission.</p>
