 "God is a Gamer" by Ravi Subramanian: Book Review Friday, September 26, 2014 I just finished reading "God is a Gamer"- Ravi Subramanian's latest thriller. *GOD IS A GAMER by Ravi Subramanian - The official book video* God Is A Gamer is a new thriller from Ravi Subramanian. Although i dont have

much experience of reading thrillers but Gone Girl and God Is A Gamer have me a convert. I reviewed Private India last time and this book is way better than that book. This book cannot be put down because of such fast pace and the thrill of reaching the end so that the actual mastermind behind the whole crime comes out.
