### **A Romance in Stitches and Embroidery from Alabama Chanin and The School of Making** Chronicle Books

"Excellent instructions augmented by clear illustrations, graphics, and photographs."—Booklist. "This unique book is highly recommended."—Library Journal. "Whether you're looking to create keepsakes for yourself or for a friend, you're sure to cherish the creative ideas offered by Evershed."—Country Victorian. Take your cross-stitching skills into the third dimension. All these imaginative and attractive finished pieces do more than just hang on the wall. Some, including a jewelry box and flower vase, can serve very practical purposes; others, such as the amazing decorative cross-stitch country village with an array of buildings, should be picked up and viewed from all four sides. Stitch colorful, scented town houses, keepsake clocks, charming dolls' house furniture, and more.

*Simple One- and Two-Color Embroidery Motifs and Small Crafts* Search PressLtd

Clever greeting cards, embellished with hand stitching, are so unique they'll become keepsakes! Our fabulous mother-daughter design duo has created 30 original cards for all occasions, including holidays, birthdays, births, graduations, anniversaries, get well, thank you, congratulations, and general note cards. A detailed basics section includes general embroidery information plus an overview of all the techniques and tools necessary for embroidering on paper. Embroidery stitches are taught with watercolor how-to illustrations, step-by-step instructions, and close-up photos. Full-size patterns for all projects are provided for easy transfer. Also included is a website link to download the patterns so you can print them directly on your special paper. Embroidering on paper and card stock is a relatively new idea, and this book hits the market as the cross-over craft gains momentum. Fresh, original card designs have wide appeal. Only book available dedicated to cards that feature hand-embroidery. Link to site for downloading patterns

### **New Designs, New Projects for Embroidery on Paper** Lulu Press, Inc

Embroidery is a type of stitching that can be found all over the world. It has long been a tradition for making various types of arts in different cultures. Many hobby shops offer patterns for embroidery. You can make great looking designs by following the layout of the colors on the fabric. You can make pictures to frame, tea towels, and works of art to display around your home. You can also create your own custom embroidery designs to place on things. Many people look for someone who can customize this type of work for them. It is a great gift to give someone an embroidered project that has the names and birthdates of their children or their grandchildren.

### **Early American Embroidery Designs** Penguin

Offers a collection of ideas for personalized greeting cards featuring traditional paper embroidery techniques, showcases different patterns and inspirational templates for each design, and includes diagrams to help with stitching.

paper art.

*Cross Stitch Cards 100* Shambhala Publications

A guide to embroidering hand drawn designs onto clothing, accessories and home accents. Also, shows how to transfer your own doodles onto fabric.

### **Alphabets and Festive Motifs** Pimpernel Press

This rare treasury of original embroidery designs dates from early days of the Republic. Nearly 200 beautiful and functional floral, vine, and basket motifs are featured in repeat patterns, spot designs, and more. While most of the patterns were probably intended for use with silk threads, several are particularly effective worked in wool.

*Cross Stitch Kit Design* Search PressLtd

This is a collection of 100 cross stitch card designs to celebrate every occasion, from christenings and Christmas to Mother's Day and moving home.

### **New Needle Techniques and Original Designs** Stackpole Books

With tips for combining paper piercing with other techniques such as embossing, quilling, embroidery, and using pressed flowers, this crafting guide contains projects for creating elegant and stunning cards. The step-by-step photographs show cardmakers, scrapbookers, and papercrafters how to make subtle yet gorgeous cards for any occasion. The easy-to-follow directions are accessible for beginners, yet the variety of projects will challenge even the most experienced crafter. Creative, unique, and fun, these cards complement any gift—or stand alone as artistic masterpieces.

*Embroidered Life* Abrams

Whether you are a beginner or more experienced, any stitching project, no matter how simple, can be enhanced by a well-chosen colour palette, however, many people are nervous or even scared of colour. Textile designer Karen Barbe regularly teaches embroidery workshops and knows first-hand the fears and frustrations of beginners - as well as accomplished crafters - when starting a new project. Karen makes choosing and creating colour palettes a fun and enjoyable part of the design process. Colour Confident Stitching is divided into three parts: Understanding

Colour; Feeling Colour and Stitching with Colour. The first two sections guide the reader through colour theory as well as choosing and using colour more instinctively. *Stitching with Colour* includes five stitching projects that will encourage the reader to explore colour and build confidence through exercise and experiment. Inspirational photographs are accompanied by stitching illustrations and step-by-step photographs for the colour choosing process as well as stitching projects.

*An 1815 Manuscript Album with Over 190 Patterns* Sterling Publishing Company Incorporated

Using just a piercing tool, needle and thread, a whole range of beautiful patterns can be made for all occasions. In this practical and inspirational guide, Erica Fortgens shows how easy it is to create cards, frames, bookmarks, and gift tags. Embellishing her projects with metallic threads, embossing, beads, and ribbons, she offers an exciting guide packed with fresh and original ideas. By simply following the patterns you can embroider flowers, leaves, animals, butterflies, party and wedding motifs, borders, and more.

*A Guide to Designing and Embroidering a Portrait of Your House* Courier Corporation

A modern refresh of an age-old craft! Author Libby Moore teaches basic embroidery stitches and how to choose materials, and shares original patterns with easy-to-remove perforated pages. Thread Folk Includes: • 15 embroidery projects • Step-by step instructions & modern patterns • 14 different stitches, from straight stitch to lazy daisy • Techniques to stitch on clothes, shoes, tote bags, and pillows Thread Folk also features Artist Collaborations, a series of projects based on the curated artwork of several distinctive, talented artists, including clothing designer Audrey Smit, and illustrators Alli Koch and Lauren Merrick.

Materials Used: • Thread (Embroidery Floss or Metallic Thread) • Fabric (Quilting Cotton or Calico) • Embroidery Hoop • Embroidery Needle • Embroidery Scissors • Needle Minder

*60 Projects for the Discriminating Crafter* Basics of Embroidery on Paper

As makers, we tend to learn different stitches over time without thinking much about how they relate to one another. But when Natalie Chanin and her Alabama Chanin and The School of Making teams began to look at needlework closely, they realized all stitches are based on geometric grid systems—and by using grids

as guides, they could make learning stitches, even seemingly elaborate ones, as easy as child's play. In *The Geometry of Hand-Sewing* Chanin presents their breakthrough method, featuring illustrated instructions (for both right- and left-handed stitchers) for more than 100 stitches—from the most basic straight and chain to the more fanciful feather and herringbone; photos of both right and wrong sides; and guidelines for modifying stitches to increase one's repertoire further. To simplify learning, the book also offers downloads for two stitching cards with the grids on which every stitch in the book is based. These printable cards can be used as stencils for transferring grids to fabric.

*25 Cross-Stitch Patterns for Book Lovers* Paige Tate & Company An eye-catching collection of 27 handmade, cross-stitched greeting cards and gift tags to craft and share with friends and family, this carefully selected assortment of holiday and special occasion items provides hours of stitching and paper-crafting enjoyment. Simple stitching instructions and charts combine with clear, comprehensive card-making instructions to make it easy for crafters of all skill levels to enjoy this creative adventure. A helpful Getting Started section contains basic information for cross-stitch and card-making tools, terminology, and techniques, and detailed finishing instructions with step-by-step photographs are included for each project. Create stylish, meaningful gifts all year round with these impressive beginning to intermediate patterns.

**3-D Cross Stitch** Search PressLtd

The art of hand-crafted cards comes to life in a richly illustrated guide to a growing craft form, presenting sixty designs, as well as a variety of patterns and techniques that can be used to create these beautiful, personalized cards. Reprint.

**Creative Haven An Old-Fashioned Christmas Coloring Book** Courier Dover Publications

Basics of Embroidery on Paper Search PressLtd

**Creating Embroidery Patterns and Needlework Design Large Print Din A4, 100 Pages, 2 Grids in One, Keep All Your Projects Grouped in One Notebook** Search PressLtd

More and more sewists and quilters are adding embroidered details to their work. While there are a bevy of stitch dictionaries currently available, *Bead Embroidery Stitch Samples* goes beyond basic and traditional embroidery stitches to incorporate beads, allowing readers to create delicate and striking trims and

embellishments. Stitch patterns range from elegantly simple single motifs, to complex all over patterns to three-dimensional designs. Along with step-by-step instructions are numerous examples of how to use and place the motifs on hems, pockets, cuffs, collars and handbags; or as home decor trim on pillows, curtains, or lampshades. Patterns emphasize beaded edgings and trims, as opposed to heavy, solid beaded fabric motifs found in other beaded embroidery books. Using nothing more than embroidery threads and simple beads, *Bead Embroidery Stitch Samples* offers beginner and advanced embroidery enthusiasts alike new ways to set their work apart.

**A NeedleKnowledge Book** Sterling Publishing Company

The Cross Stitch Kit Design book's sized 8.5"x11" (or 21.59 x 27.94 cm.) with 150 paper graph pages, graph separate to 75 pages per each ratio. You can making framed pieces, embellishing garments, covering a photo album, decorating a pillow, making a gift bag, and creating an ornament with edged. Designs include angels, snowmen, Santas, bears, reindeer, mermaids, penguins, cats, dogs, mice, stockings, trees, candles, wreaths, quote of holiday greetings and more. All are similar in size (with a stitch count of approximately ratio: 9 and 10 lines per inch for each graph respectively.), so all you have to do is choose a design and then choose your favorite finishing technique and start stitching. This book contains: - 150 blank cross stitch design pages. - Grid has ratio: 9 and 10 lines per square inch (with lines showing every squares/stitches), and not to scale, so you can create patterns to whichever scale you prefer. - Glossy paperback cover wipes easily clean. This cross stitch design workbook is the ideal cross stitcher's gift for any occasion.

*Handmade Paper Pierced Cards* Search PressLtd

This book shows how to make beautiful cards and even picture frames by combining paper pricking, cardmaking and embroidery techniques. The embroidery stitches are all explained at the beginning using clear diagrams. All the cards featured are accompanied by patterns and full instructions. Beginners and experienced cardmakers will enjoy creating the lovely flower, Christmas, animal and abstract designs.

*Colour Confident Stitching* Independently Published

Embroidery on paper is a very sophisticated and easy way of making greetings cards for all occasions. The technique is simple and not many materials are needed - just a piercing tool, needle

and thread and you can start making beautiful cards everyone will love. This book contains all the patterns on actual size for all occasions - Christmas, birth, marriage, birthday, and many more.
