DIAZ SIERRA

Richard Nixon Thomas Dunne Books
“Informative, explicit, even suspense-
ridden....An important source for students
of the Nixon presidency.” —The New York
Times Former President Richard Nixon's
bestselling autobiography is an intensely
personal examination of his life, public
career, and White House years. With
startling candor, Nixon reveals his beliefs,
doubts, and behind-the-scenes decisions,
shedding new light on his landmark

diplomatic and domestic initiatives,
political campaigns, and historic decision
to resign from the presidency. Memoirs,
spanning Nixon’s formative years through
his presidency, reveals the personal side
of Richard Nixon. Witness his youth,
college years, and wartime experiences,
events which would shape his outward
philosophies and eventually his
presidency—and shape our lives. Follow
his meteoric rise to national prominence
and the great peaks and depths of his
presidency. Throughout his career Richard
Nixon made extensive notes about his
ideas, conversations, activities, meetings.

During his presidency, from November
1971 until April 1973 and again in June
and July 1974, he kept an almost daily
diary of reflections, analyses, and
perceptions. These notes and diary
dictations, quoted throughout this book,
provide a unique insight into the
complexities of the modern presidency
and the great issues of American policy
and politics.

Richard Nixon Penguin

A biography of the thirty-seventh
president of the United States describes
his personal life and political career,
including the Watergate scandal, and

includes Internet links to web sites, source documents, and photographs related to Richard Nixon.

The Biography of Richard Nixon Hourly History

He's the president with the asterisk by his name: Richard Milhous Nixon, the only U.S. president to resign from office. But Richard Nixon's legacy to the history of the United States is much more complicated than the scandal of Watergate. His is the classic story of American legend, of a young man who rose from his humble roots to achieve power and influence. Inside you will read about... ✓ The "Have-Not" Nixon ✓ Nixon Rising ✓ Vice President ✓ The Election of 1960 ✓ President at Last ✓ Watergate ✓ Nixon in Disgrace And much more! The story has tinges of Horatio Alger, but also of Machiavelli, and that may be the enigma of Richard Nixon, the student who was offered scholarships to Ivy League schools but couldn't afford to go there, forever embedding within him the resentment against his political opponents, such as John F. Kennedy, who did; the politician who helped to bring the Republican Party back into power after the

Roosevelt years, but who didn't shy away from "dirty tricks" in order to win election; the dogged, diligent candidate who had his facts in order, but couldn't compete on television with the telegenic JFK; the anti-communist who negotiated treaties with the Soviet Union and opened the door to China; the stigma of presidential abuse during the Watergate investigation, and the rehabilitation as the elder statesmen of American politics in the post-Watergate years. Was Nixon a villain or a hero? Meet the president whose personality consisted of conflicting layers of pragmatism, patriotism, self-doubt and a fall from grace that roiled American democracy.

Nixon and the Mob John Wiley & Sons
Richard Milhous Nixon was an American politician who served as the 37th President of the United States from 1969 until 1974, when he became the only U.S. president to resign from office. He had previously served as the 36th Vice President of the United States from 1953 to 1961 under the presidency of Dwight D. Eisenhower, and prior to that as a U.S. Representative and also Senator from California.

[The Rise of an American Politician](#) Richard

M. Nixon A Life in Full

An exciting e-format containing 27 video clips taken directly from the CBS news archive of a brilliant, best-selling account of the Nixon era by one of America's most talented young historians. Between 1965 and 1972 America experienced a second civil war. Out of its ashes, the political world we know today was born. Nixonland begins in the blood and fire of the Watts riots-one week after President Johnson signed the Voting Rights Act, and nine months after his historic landslide victory over Barry Goldwater seemed to have heralded a permanent liberal consensus. The next year scores of liberals were thrown out of Congress, America was more divided than ever-and a disgraced politician was on his way to a shocking comeback: Richard Nixon. Six years later, President Nixon, harvesting the bitterness and resentment borne of that blood and fire, was reelected in a landslide even bigger than Johnson's, and the outlines of today's politics of red-and-blue division became already distinct. Cataclysms tell the story of Nixonland: • Angry blacks burning down their neighborhoods, while suburbanites defend home and hearth

with shotguns. • The civil war over Vietnam, the assassinations, the riot at the Democratic National Convention. • Richard Nixon acceding to the presidency pledging a new dawn of national unity--and governing more divisively than any before him. • The rise of twin cultures of left- and right-wing vigilantes, Americans literally bombing and cutting each other down in the streets over political differences. • And, finally, Watergate, the fruit of a president who rose by matching his own anxieties and dreads with those of an increasingly frightened electorate--but whose anxieties and dreads produced a criminal conspiracy in the Oval Office.

An Intimate Biography McClelland & Stewart

In time for the 50th anniversary of President Nixon's epic trips to China and Russia, as well as his incredible Watergate downfall, the man who was at his side for a decade as his aide and White House Deputy takes readers inside the life and administration of Richard Nixon. From Richard Nixon's "You-won't-have-Nixon-to-kick-around-anymore" 1962 gubernatorial campaign through his world-changing trips to China and the Soviet Union and epic

downfall, Dwight Chapin was by his side. As his personal aide and then Deputy Assistant in the White House Chapin was with him in his most private and most public moments. He traveled with him, assisted, advised, strategized, campaigned and learned from America's most controversial president. As Bob Haldeman's protege, Chapin worked with Henry Kissinger in opening China--then eventually went to prison for Watergate although he had no involvement in it. In this memoir Chapin takes readers on an extraordinary historic journey; presenting an insider's view of America's most enigmatic President. Chapin will relate his memorable experiences with the people who shaped the future: Henry Kissinger, his close friend Bob Haldeman, Choi En-lai, Pat Nixon, the embittered Spiro Agnew, J. Edgar Hoover, Frank Sinatra, Mark "Deep Throat" Felt, young and ambitious Roger Ailes, and John Dean. It's a story that ranges from Coretta Scott King to Elvis Presley, from the wonder of entering a closed Chinese society to the Oval Office, and concludes with startling new insights and conclusions about the break-in that brought down Nixon's presidency.

The Fall of Richard Nixon Franklin Watts
Richard NixonA biography of Richard Nixon. Covering the life and times of Richard Nixon, what was it that made him great?What were the triumphs and the failures? What were the successes and the failures? What were the driving motivations behind the presidency of Richard Nixon?This biography answers these questions and more. A comprehensive overview of Richard Nixon, a must read for all with a history enthusiasm.

The Rise of a President and the Fracturing of America Simon and Schuster

The complex man at the center of America's most self-destructive presidency In this provocative and revelatory assessment of the only president ever forced out of office, the legendary Washington journalist Elizabeth Drew explains how Richard M. Nixon's troubled inner life offers the key to understanding his presidency. She shows how Nixon was surprisingly indecisive on domestic issues and often wasn't interested in them. Turning to international affairs, she reveals the inner workings of Nixon's complex relationship with Henry Kissinger, and

their mutual rivalry and distrust. The Watergate scandal that ended his presidency was at once an overreach of executive power and the inevitable result of his paranoia and passion for vengeance. Even Nixon's post-presidential rehabilitation was motivated by a consuming desire for respectability, and he succeeded through his remarkable resilience. Through this book we finally understand this complicated man. While giving him credit for his achievements, Drew questions whether such a man—beleaguered, suspicious, and motivated by resentment and paranoia—was fit to hold America's highest office, and raises large doubts that he was.

A Reporter Remembers Watergate
 Simon and Schuster

This companion offers an overview of Richard M. Nixon's life, presidency, and legacy, as well as a detailed look at the evolution and current state, of Nixon scholarship. Examines the central arguments and scholarly debates that

surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics, from his campaigns for Congress, to his career as Vice-President, to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project [RN Myreportlinks.Com](http://RN.Myreportlinks.Com) Chronicles Nixon's rise to political prominence, from his pre-World War II government service to his under-the-table stab at the vice-presidency in 1952, in the first of a projected three-volume biography *The Arrogance of Power* HarperCollins The landmark New York Times bestselling biography of Richard M. Nixon, a political savant whose gaping character flaws would drive him from the presidency and forever taint his legacy. "A biography of eloquence and breadth . . . No single volume about Nixon's long and interesting life could be so comprehensive."—Chicago Tribune One of Time's Top 10 Nonfiction Books of the Year In this revelatory biography, Evan Thomas delivers a radical, unique portrait of America's thirty-seventh president, Richard Nixon, a contradictory

figure who was both determinedly optimistic and tragically flawed. One of the principal architects of the modern Republican Party and its "silent majority" of disaffected whites and conservative ex-Dixiecrats, Nixon was also deemed a liberal in some quarters for his efforts to desegregate Southern schools, create the Environmental Protection Agency, and end the draft. The son of devout Quakers, Richard Nixon (not unlike his rival John F. Kennedy) grew up in the shadow of an older, favored brother and thrived on conflict and opposition. Through high school and college, in the navy and in politics, Nixon was constantly leading crusades and fighting off enemies real and imagined. He possessed the plainspoken eloquence to reduce American television audiences to tears with his career-saving "Checkers" speech; meanwhile, Nixon's darker half hatched schemes designed to take down his political foes, earning him the notorious nickname "Tricky Dick." Drawing on a wide range of historical accounts, Thomas's biography reveals the contradictions of a leader whose vision and foresight led him to achieve détente with the Soviet Union and reestablish

relations with communist China, but whose underhanded political tactics tainted his reputation long before the Watergate scandal. A deeply insightful character study as well as a brilliant political biography, *Being Nixon* offers a surprising look at a man capable of great bravery and extraordinary deviousness—a balanced portrait of a president too often reduced to caricature. Praise for *Being Nixon* “Terrifically engaging . . . a fair, insightful and highly entertaining portrait.”—*The Wall Street Journal* “Thomas has a fine eye for the telling quote and the funny vignette, and his style is eminently readable.”—*The New York Times Book Review*

The American Presidents Series: The 37th President, 1969-1974 Knopf

RICHARD NIXON: A Richard Nixon Biography This is the story of an ambitious, scrappy kid overcoming humble origins to somehow become The Most Powerful Man in the World at a time when the United States was at the top of the global totem pole. This is the story of a man who was an advocate for peace and first to make major breakthroughs to pierce the Iron Curtain of a divided world.

The story of a man who steered America at a time of heady, history-making change... who has since been largely reduced to a cartoon caricature, a Halloween mask, and trivia answer with a title no one wants to ever hold: The Only U.S. President Ever to Resign from Office. This is the story of former U.S. President Richard Nixon beyond Watergate. This is Richard Nixon, revealed, a sensation even without the event that pushed him out of office and that he would always be known for. This is Nixon gate - the scandal! the revelation! that there is more to a man than the biggest of his mistakes.

Richard Nixon Times Books

In *Richard Nixon and the Vietnam War*, accomplished foreign relations historian David F. Shmitz provides students of US history and the Vietnam era with an up-to-date analysis of Nixon’s Vietnam policy in a brief and accessible book that addresses the main controversies of the Nixon years. President Richard Nixon’s first presidential term oversaw the definitive crucible of the Vietnam War. Nixon came into office seeking the kind of decisive victory that had eluded President Johnson, and went about expanding the war, overtly and

covertly, in order to uphold a policy of “containment,” protect America’s credibility, and defy the left’s antiwar movement at home. Tactically, politically, Nixon’s moves made sense. However, by 1971 the president was forced to significantly de-escalate the American presence and seek a negotiated end to the war, which is now accepted as an American defeat, and a resounding failure of American foreign relations. Schmitz addresses the main controversies of Nixon’s Vietnam strategy, and in so doing manages to trace back the ways in which this most calculating and perceptive politician wound up resigning from office a fraud and failure. Finally, the book seeks to place the impact of Nixon’s policies and decisions in the larger context of post-World War II American society, and analyzes the full costs of the Vietnam War that the nation feels to this day.

The Tragedy of Richard Nixon Simon and Schuster

ONE OF USA TODAY'S BEST BOOKS OF THE YEAR • A riveting account of the crucial

days, hours, and moments when the Watergate conspiracy consumed, and ultimately toppled, a president—from the best-selling author of *One Minute to Midnight*. In January 1973, Richard Nixon had just been inaugurated after winning re-election in a historic landslide. He enjoyed an almost 70 percent approval rating. But by April 1973, his presidency had fallen apart as the Watergate scandal metastasized into what White House counsel John Dean called “a full-blown cancer.” King Richard is the intimate, utterly absorbing narrative of the tension-packed hundred days when the Watergate conspiracy unraveled as the burglars and their handlers turned on one another, exposing the crimes of a vengeful president. Drawing on thousands of hours of newly-released taped recordings, Michael Dobbs takes us into the heart of the conspiracy, recreating these traumatic events in cinematic detail. He captures the

growing paranoia of the principal players and their desperate attempts to deflect blame as the noose tightens around them. We eavesdrop on Nixon plotting with his aides, raging at his enemies, while also finding time for affectionate moments with his family. The result is an unprecedentedly vivid, close-up portrait of a president facing his greatest crisis. Central to the spellbinding drama is the tortured personality of Nixon himself, a man whose strengths, particularly his determination to win at all costs, become his fatal flaws. Rising from poverty to become the most powerful man in the world, he commits terrible errors of judgment that lead to his public disgrace. He makes himself—and then destroys himself. Structured like a classical tragedy with a uniquely American twist, King Richard is an epic, deeply human story of ambition, power, and betrayal.
