After You Believe Thomas Nelson

Christians often spend time arguing that Jesus rose, but we forget to appreciate why it actually matters. In the follow-up to his brilliant book on the cross, *Passion*, US pastor and well-known author Mike McKinley considers the revolutionary consequences for each of us of Christ's resurrection, ascension and the sending of his Spirit. Walk through Luke 24 and Acts 1-2 and discover how the reality that Jesus lives can and should change every aspect of our world. Whether you're a new or a mature Christian, let the joy, peace, confidence and purpose of the resurrection flood into your everyday life. *You Tell the Stories You Need to Believe:*

*on the Four Seasons, Time and Love, Death and Growing Up* Lifeway Church Resources

The classic text on examining the evidence for the Resurrection. Convinced that the story wasn't true, Frank Morison started to write about Jesus' last days. However, as he studied this crucial period something happened. . . First published in 1930, this is an in-depth exploration of what happened between the death of Jesus and the resurrection as recorded in the Bible. Using many information sources, this is crammed with vital detail that every Christian should know and is also a powerful tool for persuasion of those questioning Christianity. Writing this book changed Morison's life. Will you let it change yours?

Know why You Believe Harvest House Publishers

When you have questions about your faith, turn to *Explore Your Faith*—it provides concise, biblical answers to 75 common questions about the Christian faith. This easy-to-understand guide to faith addresses topics from “How can I know God exists?” and “How can I figure out what God’s will is?” to “Why do we have to keep praying for the same thing?” Each entry also includes discussion questions that are great for further study. *Explore Your Faith* will encourage you to dig deeper into your faith—and enhance your spiritual growth!

**What We Believe and Why** WaterBrook  
Take a guided tour of the Book of James and learn how you can embrace a hands-on, concrete faith that enables you to live out what you say you believe.

**Hearing from God** Westminster John Knox Press

See Yourself Through God's Eyes Who are you? You carry your answer to that question around your home, community, workplace, and church. But how does your self-image compare to God's perfect understanding of you? In *Do You Believe What God Says About You?*, pastor and Christian counselor Stephen Viars encourages you to trade misgivings about your identity for the Bible's life-changing affirmations of who you were made to be. You will let go of the painful thoughts and feelings that accompany a broken self-image develop positive habits for your mind and body that empower you to daily put God's truths about your worth into practice grow in your love for Jesus as you realize how His death, burial, and resurrection have eternally changed who you are able to be Perfect for personal use or group study, and an ideal resource for biblical counselors, this book offers 31 chapters that feature inspiring insights, practical illustrations, helpful journaling questions, and guided prayers that will help you define your identity as God does. [Know What You Believe](#) Multnomah From the author of the bestselling novel *The Shack* and the New York Times bestsellers *Cross Roads* and *Eve* comes a compelling, conversational exploration of twenty-eight assumptions about God—assumptions that just might be keeping us from experiencing His unconditional, all-encompassing love. In his wildly popular novels, Wm. Paul Young portrayed the Triune God in ways that challenged our thinking—sometimes upending long-held beliefs, but always centered in the eternal, all-encompassing nature of God's love. Now, in Wm. Paul Young's first nonfiction book, he invites us to revisit our assumptions about God—this time using the Bible, theological discussion, and personal anecdotes. Paul encourages us to think through beliefs we've presumed to be true and consider whether some might actually be false. Expounding on the compassion fans felt from the "Papa" portrayed in *The Shack*—now a major film starring Sam Worthington and Octavia Spencer—Paul encourages you to think anew about important issues including sin, religion, hell, politics, identity, creation, human rights, and helping us discover God's deep and abiding love. [What's the Least I Can Believe and Still be a Christian?](#) Christian Focus You Can Thrive—Not Just Survive—in An Unequally Yoked Marriage Marriage is challenging, even under the best of circumstances. But for those of us whose husbands don't believe or are not growing spiritually, marriage brings difficulties

unlike those faced by other women of faith. If you love a man who is not committed to Christ, you may feel frustrated, guilty, or anxious; discouraged and lonely. You likely worry about how your husband's beliefs—or lack of them—will affect your children. Perhaps you, like so many women, have tried to "help" your husband find or deepen his relationship with God—only to find that you have, unbelievably, pushed him farther away. You may be wondering, "What do I do now?" Or, worse, you may have lost all hope. God is still in control. Speaking from experience, Nancy Kennedy offers biblical truth, practical help, and comforting insight from women who have walked in your shoes—and who have come to better trust God and more fully understand what to do (and what not to do) When He Doesn't Believe.

**Or You Won't Be Free to Believe It Much Longer** Dorling Kindersley Ltd

A national worship and preaching consultant offers a provocative look at the core elements of Christian faith, articulating centrist, mainline Christianity in a way that is fresh and easy to understand. Original.

[How to Know that You Believe](#) Crossway The Bible isn't just a big book full of stories from a long time ago. It also tells us what we are to believe about God, life and what happens after this life. Christians sometimes use a lot of complicated words to describe these things, but this brief breakdown of everything you need to know is easy to understand. Chapter Headings include: Who is God? Who is God the Son? Who is God the Spirit? Angels and Demons Creation and Fall Atonement and Election Sanctification and Perseverance Heaven and Hell The Return of Jesus Post Hill Press

This book is intended to help you live your life, and to shed some light on your own values and ethics, if you don't believe in God. More than just a primer on Humanism, but not quite a full-blown treatise on philosophy, it offers some answers to those crucial questions Socrates asked: What is true? And how shall we live our lives? Those of us who don't believe in the supernatural sometimes struggle to understand how we can ground ourselves ethically, and how to find truth, meaning, purpose and joy. This book offers ideas about how to know, without depending on Holy Scriptures or guidance from a deity, what it means to lead a good and ethical life. "Humanism is a value system whose time has come: a positive philosophy for the surging proportion of the world's population who

indicate 'None' as their religion but seek meaning, morality, and purpose in their lives. Michael Werner's statement of Humanism is clear, effective, and graceful, just right for our times." Steven Pinker, professor of psychology, Harvard University author, "The Better Angels of Our Nature" and "How the Mind Works." "Mike Werner captures the depth and breadth of Humanism in his latest work. He shows us what love, reason, imagination and science can have in common. In doing so, he demonstrates what we all have to live for, strive for, and believe in." Roy Speckhardt, executive director, American Humanist Association "Outstanding and a must read for everyone who takes life seriously." Rev. William R. Murry, former president, Meadville Lombard Theological School, University of Chicago

For anyone who feels caught in the tension between the beauty of God's story and the ugliness of human hypocrisy, *Why I Still Believe* offers a stirring story of hope. Why would anyone be a Christian when there is so much hypocrisy in the church? Mary Jo Sharp shares her journey as a skeptical believer who still holds to a beautiful faith despite wounding experiences in the Christian community. At a time when de-conversion stories have become all too common, this is an earnest response - the compelling conversion of an unlikely believer whose questions ultimately led her to irresistible hope. Sharp addresses her own struggle with the reality that God's people repeatedly give God's story a bad name and takes a careful look at how the current church often inadvertently produces atheists despite its life-giving message. For those who feel the ever-present tension between the beauty of salvation and the dark side of human nature, *Why I Still Believe* is a candid and approachable case for believing in God when you really want to walk away. With fresh and thoughtful insights, this spiritual narrative presents relevant answers to haunting questions like: Isn't there too much pain and suffering to believe? Is it okay to have doubt? What if Jesus' story is a copy of another story? Is there any evidence for Jesus' resurrection? Does atheism explain the human experience better than Christianity can? How can the truth of Christianity matter when the behaviors of Christians are reprehensible? At once logical and loving, Sharp reframes the gospel as it truly is: the good news of redemption. With firmly grounded truths, *Why I Still Believe* is an affirming reminder

that the hypocrisy of Christians can never negate the transforming grace and truth of Christ.

**Help My Unbelief** Compendium Incorporated

When we're going through challenging times, we tend to think we're alone. In the middle of the bad times, it's difficult to see how life could ever be even just okay again, never-mind good. The purpose of this book is to provide encouragement and inspiration for those who are going through challenges from which they can currently see no relief. Reading stories of ordinary people overcoming extraordinary challenges using a technique you can use to achieve the same results is one of the most empowering gifts you can give to yourself. "It's 2 a.m. I am in Hawaii. And I'm dying. The pain comes in my body and the voice in my mind confirms it. This is real. Cancer is real. As I look down the barrel of my own emotional gun, my mind flashes back to conversations with another practitioner when I recall saying to her of her Fibromyalgia recovery account - "It's alright for you - You've got a story! I don't have one! " Well, be careful what you ask for - because you just might get it. I'll rephrase that. Be careful what you ask for -you will definitely get it. I definitely had a story now. The question was would I live to tell it?" Foreword by Robert G. Smith (Founder of FasterEFT)

*Meditations of a Christian Hedonist* Dog Ear Publishing

Truly a Book For All Seasons In her new nonfiction work *You Tell the Stories You Need To Believe*, queer novelist Rebecca Brown turns her attention to life's biggest questions: time, love, and how we endure. Since 1984, and most known for a novel written and set during the AIDS crisis (*The Gifts of the Body*), Rebecca Brown has been on the forefront of the avant-garde of American letters. *You Tell the Stories You Need to Believe* is an exploration of the meaning of life-as told through the cycles of the year, and the art that has been produced about each of the seasons. As Brown fans know, her distinctive sentences are reason enough to read her. One of the gifts of this book is getting to read about the artists who inspire her—from Melville to Denise Levertov, from Stravinsky to the Monkees. Not to mention the cunning and imaginative ways mythology and religion enter the mix.

NEW YORK TIMES BESTSELLER • From one

of the world's most influential spiritual thinkers, a long-awaited book exploring what it means that Jesus was called "Christ," and how this forgotten truth can restore hope and meaning to our lives. "Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book."—Melinda Gates In his decades as a globally recognized teacher, Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality. Yet Rohr has never written on the most perennially talked about topic in Christianity: Jesus. Most know who Jesus was, but who was Christ? Is the word simply Jesus's last name? Too often, Rohr writes, our understandings have been limited by culture, religious debate, and the human tendency to put ourselves at the center. Drawing on scripture, history, and spiritual practice, Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant, unfolding work in the world. "God loves things by becoming them," he writes, and Jesus's life was meant to declare that humanity has never been separate from God—except by its own negative choice. When we recover this fundamental truth, faith becomes less about proving Jesus was God, and more about learning to recognize the Creator's presence all around us, and in everyone we meet. Thought-provoking, practical, and full of deep hope and vision, *The Universal Christ* is a landmark book from one of our most beloved spiritual writers, and an invitation to contemplate how God liberates and loves all that is.

*Help and Encouragement for Women Who Feel Alone in Their Faith* Zebra Books  
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

*When You Believe* Harper Collins  
Best-Selling Author Paul David Tripp Unpacks 12 Doctrines for Everyday Christian Living Doctrine—what Christians believe—directly influences how they live. The biblical truths about God, humanity, and the world are not merely about knowing more—they are also about loving God and making sense of this life and the life to come. But what happens when there is disparity between what believers confess and how they live? In his latest book, *Do You Believe?*, pastor and best-selling author Paul David Tripp takes a close look at 12 core doctrines and how they engage and transform the human heart and mind. According to Tripp, "true

belief is always lived." To demonstrate, he unpacks each doctrine and presents its relevance for the Christian life. As readers explore topics such as the doctrine of God, the holiness of God, and the doctrine of Scripture, they will be fueled to fall deeper in love with and stand in awe of their Creator and Father—putting the truths of God's word on display for all the world to see.

Change Your Beliefs, Change Your Life We all have times in our lives when the results of our behavior don't seem to be meeting our needs. In this new book, Hyrum Smith does two things that are invaluable to people who wish to make their lives less painful. First, he reveals, through a clear and simple model, how we get to the point where our behaviors cause these kinds of problems. Then, with a simplicity that is impressive in itself, he describes the steps we must take to identify and rectify the beliefs leading to our painful behavior. The result is a powerful process for transforming your habits and relationships and achieving lasting personal and career success.
