A Novel LuciferThe  
Untold StoryLucifer's  
Banker UncensoredThe  
Untold Story of How I  
Destroyed Swiss Bank  
SecrecyUpdated and

Uncensored! As a  
private banker working  
for the largest bank in  
the world, UBS, Bradley  
Birkenfeld was an  
expert in Switzerland's  
shell-game of offshore  
companies and secret  
numbered accounts.  
He wined and dined  
ultrawealthy clients

whose millions of dollars were hidden away from business partners, spouses, and tax authorities. As his client list grew, Birkenfeld lived a life of money, fast cars, and beautiful women, but when he discovered that UBS was planning to betray him, he blew the whistle to the US Government. The Department of Justice scorned Birkenfeld's unprecedented whistle-blowing and attempted to silence him with a conspiracy charge. Yet Birkenfeld would not be intimidated. He took his secrets to the US Senate, the Securities and Exchange Commission, and the Internal Revenue Service, where he prevailed. His bombshell revelations helped the US Treasury recover over \$15

billion (and counting) in back taxes, fines, and penalties from American tax cheats. But Birkenfeld was shocked to discover that at the same time he was cooperating with the US Government, the Department of Justice was still doggedly pursuing him. He was arrested and served thirty months in federal prison. When he emerged, the Internal Revenue Service gave him a whistle-blower award for \$104 million, the largest such reward in history. A page-turning real-life thriller, *Lucifer's Banker Uncensored* is a fascinating behind-the-scenes look at the secret Swiss high-net worth banking industry and a harrowing account of our government's justice

system. Readers will follow Birkenfeld and share his outrage with the incompetence and possible corruption at the Department of Justice, and they will cheer him on as he "hammers" one of the most well-known and powerful banks in the world. Creation Lucifer's Rebellion

What if you call for Death, but the Devil shows up instead? Life sucks, and then you die, at least you try to. Or, if you're James Rucker, Lucifer, aka The Devil, shows up at your door instead of Death, job offer in hand. An offer Rucker can't refuse. Not if he wants his family safe and fully souled. Rucker is sentenced to hell, writing Lucifer's memoir. The hours are brutal. His demonic colleagues are lousy

conversationalists, and the health benefits are still up in the air. But after his first live showing of the fall of Lucifer Morningstar and the sins of the Garden, he discovers there is more to history than what he'd learned in university, and his own past isn't what he thought it was. The bets are on the table as heaven and hell roll the dice for Rucker's future. SATAN'S HISTORIAN is the first novella in the new series, THE LUCIFER CHRONICLES.

*Riding Lucifer's Line*  
 Novel from Hell's Library

"A fiendishly sharp, intelligent examination of modern human life that is as funny as hell" (The Times, London). The end is nigh and the Prince of Darkness has just been offered one

hell of a deal: reentry into Heaven for eternity—if he can live out a well-behaved life in a human body on earth. It's the ultimate case of trying without buying and, despite the limitations of the human body in question (previous owner one suicidally unsuccessful writer, Deelan Gunn), Luce seizes the opportunity to run riot through the realm of the senses. This is his chance to straighten the biblical record (Adam, it's hinted, was a misguided variation on the Eve design), to celebrate his favorite achievements (everything from the Inquisition to Elton John), and, most important, to get Julia Roberts attached to his screenplay. But the experience of walking

among us isn't what His Majesty expected: instead of teaching us what it's like to be him, Lucifer finds himself understanding what it's like to be us. By an author hailed by the *The Times Literary Supplement* as one of Britain's top twenty young novelists, I, Lucifer is "a masterpiece . . . Startlingly witty, original and beautifully written" (*Good Book Guide*). "Duncan's witty and perverse, yet somehow life-affirming, Lucifer is powerful indeed." —*Booklist Weekly World News* Macmillan  
In January 2010, Bradley C. Birkenfeld, an internationally-successful banker from suburban Boston, entered the Schuylkill Federal Correctional Facility, where he was

cuffed, processed, and issued standard prison garb. Nearly three years later, soon after being released, he was issued a United States government check from the Internal Revenue Service for \$75 million. Why? With Lucifer's Banker, Birkenfeld reveals how he became the single most important whistleblower in financial history. Birkenfeld exposed-and finally helped bring down-the Swiss banking system that allowed plutocrats, drug lords, art collectors, politicians, terrorists, and hundreds of thousands of dishonest rich people to conceal and grow their wealth. In the United States alone, Birkenfeld assisted the Treasury in recovering over \$10

billion in back taxes, fines, and penalties from Americans who had been cheating the IRS by hiding cash, gold, silver, and other precious metals, artwork, antiques, and a range of valuable assets in the secret underground vaults of Swiss accounts-including those of his employer, UBS, then the largest bank in the world. Part Wolf of Wall Street, part Confessions of an Economic Hit Man, Lucifer's Banker is a dramatic, entertaining, and enraging expose of international fraud, financial scandal, wild parties, high-stakes espionage, and the ongoing collusion between our government and some of the wealthiest people in the world.

The Holy Quest The  
Untold Story Of Joshua  
ben Joseph 'THE' JESUS  
(These are some of the  
questions that may be  
answered by this  
historical novel - on  
the back dust cover)

Who IS Joshua ben  
Joseph; 'The' Jesus of  
Nazareth? Who were  
his brothers and Sisters  
in the flesh? What were  
the original followers  
Of 'The' Jesus called  
before the Sect called  
Christians? Who were  
the twelve male  
apostles of 'The' Jesus?  
Who were the twelve  
women apostles of  
'The' Jesus? What did  
'The' Jesus really teach

when the messenger was killed, was the message? Whom did Mary, from Magdala wed and was Lazarus a mistake? Who were the Ambassadors of 'The' Jesus?

### **The American Spy Who Vanished in Iran**

Tmdoranbooks  
Between the two world wars, on a hike in the English countryside, Professor John Hill takes refuge from a violent storm in a cave. There he nearly loses his life, but he also makes an astonishing discovery -- an ancient manuscript housed in a cunningly crafted metal box. Though a philologist by profession, Hill cannot identify the language used in the manuscript and the time period in which it is was made, but he knows enough to make an educated

guess -- that the book and its case are the fruits of a long-lost, but advanced civilization. The translation of the manuscript and the search for its origins become a life-long quest for Hill. As he uncovers an epic that both enchants and inspires him, he tracks down scholars from Oxford to Paris who can give him clues. Along the way, he meets several intriguing characters, including a man keenly interested in obtaining artifacts from a long-lost civilization that he believes was the creation of a superior race, and will help him fulfill his ambition to rule other men. Concluding that Hill must have found something that may help him in this quest, but knowing not what it

is and where it is hidden, he has Hill, his friends at Oxford, and his family shadowed and threatened until finally he and Hill face off in a final, climatic confrontation. A story that features a giant pirate and slaver, a human chameleon on a perilous metaphysical journey, a mysterious hermit, and creatures both deadly and beautiful, this is a novel that explores the consequences of the predominant ideas of the 20th Century. Xlibris Corporation

*Missing Man* Carmen Kern via PublishDrive  
 Lucifer Box - the gorgeous butterfly of King Bertie's reign, portraitist, dandy and terribly good secret agent - is feeling his age. Assigned to

observe the activities of fascist leader Olympus Mons and his fanatical Amber Shirts in a snow-bound 1920s New York, Box finds himself framed for a vicious murder. Using all his native cunning, Box escapes aboard a vessel bound for England armed only with a Broadway midget's suitcase and a string of unanswered questions. What lies hidden in the bleak Norfolk convent of St Bede? What is 'the lamb' that Olympus Mons searches for in his bid for world domination? And what has all this to do with a medieval prayer intended to summon the Devil himself? From the glittering sophistication of Art Deco Manhattan to the eerie Norfolk coast and the snow-capped peaks

of Switzerland The Devil in Amber takes us on a thrilling ride that pits Lucifer Box against the most lethal adversary of his career : the Prince of Darkness himself. *Lucifer's Flood*  
GENERAL PRESS  
The classic account of the abandonment of American POWs in Vietnam by the US government. For many Americans, the recent conflicts in Iraq and Afghanistan bring back painful memories of one issue in particular: American policy on the rescue of and negotiation for American prisoners. One current American POW of the Taliban, Sergeant Bowe Bergdahl, stands as their symbol. Thousands of Vietnam veteran POW activists worry that Bergdahl

will suffer the fate of so many of their POW/MIA comrades—abandonment once the US leaves that theater of war. *Kiss the Boys Goodbye* convincingly shows that a legacy of shame remains from America's ill-fated involvement in Vietnam. Until US government policy on POW/MIAs changes, it remains one of the most crucial issues for any American soldier who fights for home and country, particularly when we are engaged with an enemy that doesn't adhere to the international standards for the treatment of prisoners—or any American hostage—as the graphic video of Daniel Pearl's decapitation on various Jihad websites bears out. In this explosive

book, Monika Jensen-Stevenson and William Stevenson provide startling evidence that American troops were left in captivity in Indochina, victims of their government's abuse of secrecy and power. The book not only delves into the world of official obstruction, missing files, censored testimony, and the pressures brought to bear on witnesses ready to tell the truth, but also reveals the trauma on patriotic families torn apart by a policy that, at first, seemed unbelievable to them. First published in 1990, *Kiss the Boys Goodbye* has become a classic on the subject. This new edition features an afterword, which fills in the news on the latest verifiable scandal

produced by the Senate Select Committee on POWs. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

### **The Devil in Amber**

St. Martin's Press

In a fascinating change of view, the histories of the world, Christianity, and humanity are viewed through the eyes of Lucifer. God and Lucifer are fighting for control over the fate of humankind, and through the re-creation of poignant narratives from the Bible, the story of Lucifer is given a context that rivals his long-portrayed negative persona. This eye-opening portrayal of the "other side" is a treat for anyone who ever questioned the untold story of Lucifer. For those who enjoy religious studies or reading a juicy historical fiction novel, get ready for an eye-opening experience! *Satan* University of North Texas Press  
The Texas-Mexico

border is trouble. Haphazardly splashing across the meandering Rio Grande into Mexico is—or at least can be—risky business, hazardous to one's health and well-being. Kirby W. Dendy, the Chief of Texas Rangers, corroborates the sobering reality: "As their predecessors for over one hundred forty years before them did, today's Texas Rangers continue to battle violence and transnational criminals along the Texas-Mexico border." In *Riding Lucifer's Line*, Bob Alexander, in his characteristic storytelling style, surveys the personal tragedies of twenty-five Texas Rangers who made the ultimate sacrifice as they scouted and enforced laws throughout

borderland counties adjacent to the Rio Grande. The timeframe commences in 1874 with formation of the Frontier Battalion, which is when the Texas Rangers were actually institutionalized as a law enforcing entity, and concludes with the last known Texas Ranger death along the border in 1921. Alexander also discusses the transition of the Rangers in two introductory sections: "The Frontier Battalion Era, 1874-1901" and "The Ranger Force Era, 1901-1935," wherein he follows Texas Rangers moving from an epochal narrative of the Old West to more modern, technological times. Written absent a preprogrammed agenda, *Riding Lucifer's Line* is

legitimate history. Adhering to facts, the author is not hesitant to challenge and shatter stale Texas Ranger mythology. Likewise, Alexander confronts head-on many of those critical Texas Ranger histories relying on innuendo and gossip and anecdotal accounts, at the expense of sustainable evidence—writings often plagued with a deficiency of rational thinking and common sense. *Riding Lucifer's Line* is illustrated with sixty remarkable old-time photographs. Relying heavily on archived Texas Ranger documents, the lively text is authenticated with more than one thousand comprehensive endnotes.  
*Historical Deception*

Charisma Media  
 “A philosophical look at the history of our species which alternated between fascinating and frightening . . . like reading Dean Koontz or Stephen King.” —Rocky Mountain News  
*The Lucifer Principle* is a revolutionary work that explores the intricate relationships among genetics, human behavior, and culture to put forth the thesis that “evil” is a by-product of nature’s strategies for creation and that it is woven into our most basic biological fabric. In a sweeping narrative that moves lucidly among sophisticated scientific disciplines and covers the entire span of the earth’s—as well as mankind’s—history,  
 Howard Bloom

challenges some of our most popular scientific assumptions. Drawing on evidence from studies of the most primitive organisms to those on ants, apes, and humankind, the author makes a persuasive case that it is the group, or “superorganism,” rather than the lone individual that really matters in the evolutionary struggle. But biology is not destiny, and human culture is not always the buffer to our most primitive instincts we would like to think it is. In these complex threads of thought lies the Lucifer Principle, and only through understanding its mandates will we be able to avoid the nuclear crusades that await us in the twenty-first century. “A

revolutionary vision of the relationship between psychology and history, The Lucifer Principle will have a profound impact on our concepts of human nature. It is astonishing that a book of such importance could be such a pleasure to read.”—Elizabeth F. Loftus, author of *Memory*

The Untold Story of Jimmy Page and Led Zeppelin Macmillan

The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television seeks to provide one go-to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s, pop culture has focused on what makes a villain a villain. The Joker, Darth Vader, and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally, such bad guys as

Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption—in even the darkest of villains. Various incarnations of Lucifer/Satan have even gone so far as to explore the very foundations of what we consider "evil." The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television seeks to collect all of those stories into one comprehensive volume. The volume opens with essays about villains in popular culture, followed by 100 A-Z entries on the most notorious bad guys in film, comics, and more. Sidebars highlight ancillary points of interest, such as

authors, creators, and tropes that illuminate the motives of various villains. A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the "baddest" among us so bad. Examines in detail how villains and villainesses have appeared in comics and other media over the decades Shows how villains and villainesses have reflected the fears, anxieties, and hopes of American society at any given period Provides scholarly material that gives readers additional important historical context in five essays Ensures that diverse and obscure villains and villainesses are given equal coverage

### **The Library of the Unwritten** Simon and Schuster

At some point in the 21st century, the Christian God stopped listening to the prayers of humanity. Monsters with colossal strength and endurance began to emerge and humanity entered its darkest period.

However, to the delight of humanity, some people around the world began to receive powers, and so humanity was able to fight back against monsters, now seeing these people with powers as the heroes who fought for the good of the world. Among these people was Noah, who even though he gained powers, he knew that those powers did not make him stronger at all, making him just as

strong as a normal adult man. However, an unknown system awakens and declares him to be the descendant of Lucifer, completely changing his life to the path of the truth and true power. [2 Daily chapters + Extra releases] Lucifer | Descendant | System The Holy Quest The Untold Story Of Joshua ben Joseph 'THE JESUS' Penny A Page Marketing  
 This is the untold story about the one who was once the embodiment of perfection, born of the light and praised by it and yet so sinful and rebellious. It's the story of one who's been neglected and forgotten and now seeks to be whole once again with its other. This is a story about a

father who is filled with so much shining pride that it blinds him from seeing the darkness stained truth sitting under his very nose. It's a story about the first war as well as the first sin, told from the perspectives of those who were there to witness it. See how one person's cause created a ripple which affected so many things. You may think you know the store but sometimes a story is only as truthful as the mouth of the one who tells it, in this case, not from the mouth of the one whose story we follow, but rather from the mouth of another.
