A Summer Like No Other 21st Century Publications
 Have you ever wondered how guitarists like Joe Pass, Jim Hall and Wes Montgomery find such full, luscious voicings for their chord melody playing? Well, much of that sound is based on the "Drop 2" principle of chord voicings. In this book, veteran guitarist Randy Vincent explains exactly how you can get that same sound too. Endorsed by Julian Lage, John Stowell, Larry Koonse, etc.
Rhythm Guitar Encyclopedia Routledge

 Dive into a whirlwind of romance, dance, and undeniable attraction with the sizzling young adult romance, "A Summer Like

No Other", where a very off-limits brother's best friend may be breaking the bro code. Currently, we are offering this spellbinding tale of forbidden love for FREE! She's his best friend's little sister. He's the biggest player of them all. They shouldn't be together. But this summer's just too tempting. Emilia Moretti, a sixteen-year-old ballet dancer, is all set for a summer of perfect pirouettes and the quest to find her birth parents. But an unexpected twist threatens to shatter her plans—Nick Grawsky. He's her brother's best friend, the consummate player, and the one guy Emilia should forget. But this summer, forgetting just got a whole lot harder. Nick Grawsky, a charismatic professional dancer, is living a dual life. Striving to follow his dancing dreams while combating his father's expectations of a legal career, he's got enough on his plate. And then there's Emilia—the girl he can't have, the girl he can't stop thinking about. Bound by the unspoken bro code with his best friend Roberto, Nick knows Emilia is off-limits. But what happens when the rhythm of the heart drowns out the voice of reason? In this intoxicating dance of desire and restraint, "A Summer Like No Other" captures the essence of a quintessential brother's best friend romance, set against the vibrant backdrop of a New York summer. With the

heart-pounding allure of forbidden love and the captivating world of ballet, this story will pull you in and refuse to let go. Critics rave about it as a "beautiful teen romance" that keeps you on your edge of your seat. It's more than just a love story—it's a roller coaster ride of emotions, a symphony of moving parts, and a dance that's as complicated as it is beautiful. Will Emilia and Nick manage to navigate the tricky choreography of their tangled emotions? Or will the bro code and their own fears lead to a finale they're not ready for? Experience the passion, the heartbreak, and the thrill of first love with "A Summer Like No Other". Don't miss this chance to own a piece of this scintillating brother's best friend romance for FREE. Indulge in a summer love story that promises to be like no other!

A Modern Method for Guitar - Volume 1 (Music Instruction)

Berklee Press Publications

(Guitar Educational). Standard Tuning Slide Guitar is a compilation of slide guitar techniques accumulated by author and uber-guitarist Greg Koch for over 30 years. With detailed notation and tablature for over 100 playing examples and video demonstrations, Koch demonstrates how to play convincing blues, rock, country, and gospel-tinged slide guitar while in standard tuning by using techniques and approaches that emulate common altered slide tunings, such as open E or open G. Drawing from a well of influences, from Blind Willie Johnson and Elmore James to Duane Allman and Sonny Landreth, Greg will show you how to create these slide guitar sounds in standard tuning while also providing ideas to inspire the development of your own style.

Through the study of this method you will quickly master the fingerpicking technique. It is not a simple exposition of tedious exercises but rather a course of interest and learning. It will guide you through a step by step process that will allow the execution of complete songs of average technical difficulty. Is not important that you have a high level of ability at the start. The book is designed so that even absolute beginners can learn from using it. Every aspect of the technique is explained in detail and all the fingerings and techniques used are clearly indicated. The book is divided into three levels of increasing difficulty: - The first level is for absolute beginners and in it are numerous combinations of fingerings for the right hand. - The second level introduces new incremental technical difficulties and the first simple complete songs. - In the third level some intermediate guitar techniques are explained with some songs using these techniques. The method is completely written in tablature to be readily accessible to all students, many of whom can not read music. The use of tablature will allow everyone to play the music and do the exercises very quickly. Not only beginners but also intermediate level guitarists can find, especially in the second and third levels, exercises and songs useful to refine the technique of alternating bass. Once you have completed the book you will have acquired the basic technical skills needed to approach the study of advanced level songs
