You're strolling down the forest, chopping some wood, minding your own business... When all of a sudden, you hear a loud hissing noise from behind you. You turn, and see a creeper! What do you do? Do you run? Or do you stand and fight? Minecraft is a game full of perils and dangerous enemies - and dying often means that you lose everything you had with you - everything you spent so much time working for! And if you're playing on hardcore mode, it's even worse - your game ends right there, and your whole world is deleted, making you start everything from scratch! But did you know? It doesn't have to be that way! You can learn to defend yourself - to know your enemies, so that they never get the jump on you ever again. You can learn the best ways to prepare for battle, as well as the best techniques to ensure absolute victory. You can discover the hidden mechanics of combat in Minecraft, and enjoy the game in a way few people have learned to do it! This guide's here to help you achieve all of that, and more! In this guide you'll find: * Fun, illustrated

explanations that teach you how to fight - never fear another enemy again! * A full, illustrated bestiary featuring every enemy type, and tactics on how to beat them - wow your friends with your complete Minecraft knowledge! * Thorough explanations on how to use every weapon in the game - learn the hidden secrets of combat and become the best! * Bonus, creative ways to fight your enemies - Have lots of fun fighting and look cool while doing so! So, if you want to be the most powerful (and knowledgeable) warrior around, and get the most out of your Minecraft experience, you absolutely need to get Everything You Need to Know About Combat in Minecraft: Become an Expert in No Time! Learn every secret there is to fighting like a master, rule over every opponent in the game, and take your combat skills to the next level! Buy this ultimate combat guide today - and share your new knowledge with your friends!

With a bit of imagination and a heavy dose of artistic talent, Minecraft blocks can be used to build almost anything. But as you'll see, some artists are taking Minecraft building to a whole new level. Beautiful Minecraft is a compendium of stunning artwork built in Minecraft. Using millions of blocks and spending hundreds of hours, these artists have created floating steampunk cities, alien worlds, detailed classical sculptures, fantastical landscapes, architectural marvels, and more. The results are simply beautiful.

Minecraft Combat Handbook

Minecraft Del Rey

The incredible tale of a little game that shook the international gaming world--now with new material including a behind-the-scenes look at the sale to Microsoft. For this second edition, the story has been enriched with more Minecraft than ever--a new section describes Minecraft's sale to Microsoft, Notch's less than heartwarming last day in the office, and Mojang's final days of independence. His whole life, all Markus Persson wanted to do

was create his own games. Create his own games and get rich. Then in 2009 a strange little project of his quickly grew into a worldwide phenomenon and, in just a few short years, turned its maker into an international icon. Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game that Changed Everything is a Cinderella story for the Internet age--improbable success, fast money, and the power of digital technology to shake up a rock-solid industry. It's a story about being lost and finding your way, of breaking the rules and swimming against the current. It's about how the indie gaming scene rattled the foundations of corporate empires. But, above all, this is the story of how a creative genius chased down a crazy dream: the evolution of a shy amateur programmer into a video game god.
