*Chapter 27. Other cestodes:  
sparganosis, coenurosis and Taenia  
crassiceps cysticercosis* Horney Press  
Bestselling author Sherman Alexie tells  
the story of Junior, a budding cartoonist  
growing up on the Spokane Indian  
Reservation. Determined to take his  
future into his own hands, Junior leaves  
his troubled school on the rez to attend  
an all-white farm town high school where  
the only other Indian is the school  
mascot. Heartbreaking, funny, and  
beautifully written, *The Absolutely True  
Diary of a Part-Time Indian*, which is  
based on the author's own experiences,  
coupled with poignant drawings by Ellen  
Forney that reflect the character's art,  
chronicles the contemporary  
adolescence of one Native American boy  
as he attempts to break away from the  
life he was destined to live. With a  
forward by Markus Zusak, interviews  
with Sherman Alexie and Ellen Forney,  
and four-color interior art throughout,

this edition is perfect for fans and  
collectors alike.

E. H. Gombrich's *Little History of the  
World*, though written in 1935, has  
become one of the treasures of historical  
writing since its first publication in  
English in 2005. The Yale edition alone  
has now sold over half a million copies,  
and the book is available worldwide in  
almost thirty languages. Gombrich was  
of course the best-known art historian of  
his time, and his text suggests  
illustrations on every page. This  
illustrated edition of the *Little History*  
brings together the pellucid humanity of  
his narrative with the images that may  
well have been in his mind's eye as he  
wrote the book. The two hundred  
illustrations—most of them in full  
color—are not simple embellishments,  
though they are beautiful. They emerge  
from the text, enrich the author's  
intention, and deepen the pleasure of  
reading this remarkable work. For this  
edition the text is reset in a spacious  
format, flowing around illustrations that  
range from paintings to line drawings,  
emblems, motifs, and symbols. The book  
incorporates freshly drawn maps, a  
revised preface, and a new index.  
Blending high-grade design, fine paper,

and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Selected by the Modern Library as one of the 100 best novels of all time Published in 1975, Ragtime changed our very concept of what a novel could be. An extraordinary tapestry, Ragtime captures the spirit of America in the era between the turn of the century and the First World War. The story opens in 1906 in New Rochelle, New York, at the home of an affluent American family. One lazy Sunday afternoon, the famous escape artist Harry Houdini swerves his car into a telephone pole outside their house. And almost magically, the line between fantasy and historical fact, between real and imaginary characters, disappears. Henry Ford, Emma Goldman, J. P.

Morgan, Evelyn Nesbit, Sigmund Freud, and Emiliano Zapata slip in and out of the tale, crossing paths with Doctorow's imagined family and other fictional characters, including an immigrant peddler and a ragtime musician from Harlem whose insistence on a point of justice drives him to revolutionary violence.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have

shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Two teens must learn the “art of killing” in this Printz Honor-winning book, the first in a chilling new series from Neal Shusterman, author of the New York Times bestselling *Unwind* dystology. A world with no hunger, no disease, no war, no misery: humanity has conquered all those things, and has even conquered death. Now Scythes are the only ones who can end life—and they are commanded to do so, in order to keep the size of the population under control. Citra and Rowan are chosen to apprentice to a scythe—a role that neither wants. These teens must master the “art” of taking life, knowing that the consequence of failure could mean losing their own. *Scythe* is the first novel of a thrilling new series by National Book Award-winning author Neal Shusterman in which Citra and Rowan learn that a perfect world comes only with a heavy price.

This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the “age of Tumblr activism.” Perfect for those unfamiliar with the

platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

Infectious diseases are complex, interdependent events that can be described as networks over enormous scales of time and distance from the molecular to the societal, from the local microenvironment to the global stage. In this chapter, Teh and Rubin argue that meeting this challenge effectively requires a solution that engages networks. This network-based perspective must inform not only the development and distribution of drugs and vaccines for infectious diseases, but also the development of strategies of primary prevention that use the knowledge of such networks to disrupt

and limit disease spread. In this review, they analyze infectious diseases in the context of the networks underlying the evolution, establishment, and propagation of disease. They also review the network-based analyses for modeling disease spread and allowing a better understanding of the counter-interventions needed. Finally, they outline the future challenges in this area and propose a collaborative international solution based on a “global compact” that will allow effective diagnosis, prevention, and treatment of infectious diseases.

A highly respected, balanced, and thoroughly modern approach to US History, LIBERTY, EQUALITY, POWER, uses these three themes to show how the United States was transformed from hunter-gatherer and agricultural Native American societies into the most powerful industrial nation on earth. This approach helps students understand the impact of the notions of liberty and equality, which are often associated with the American story, and also how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power. The text integrates the best of recent social and cultural scholarship -- including fun material on music and movies -- into a political story, offering students the most comprehensive and complete understanding of American history available. Available in the following split options: LIBERTY, EQUALITY, POWER, Sixth Edition (Chapters 1-32), ISBN: 978-0-495-90499-1; Volume 1: To 1877 (Chapters 1-17), ISBN: 978-0-495-91587-4; Volume 2: Since 1863 (Chapters 17-32), ISBN: 978-0-495-91588-1. #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE

BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she’d traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And

how much must we betray them to grow up?”—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library
