Money - Master the Game Pocket Books

An expert guide for professionals seeking to understand how to navigate the world of work. Kimberly B. Cummings, author of Next Move, Best Move: Transitioning into a Career You'll Love, leaves no stone unturned with this thorough, expert guide for professionals seeking to understand how to navigate the world of work, from beginning to end, starting with uncovering personal and professional values in an effort to align their expertise and skills to roles and companies that will finally change the trajectory of their career and set them up to be leaders in the workforce. As a former career development adviser in some of the nation's top universities and a diversity + inclusion professional in a Fortune 100 company, Cummings has recognized that people work for the sake of working without understanding how to leverage their unique gifts and position themselves for success. As a result, Next Move, Best Move: Transitioning into a Career You'll Love shares transformational lessons to ensure success and puts the ball back in your court. In Cummings' highly acclaimed book, a specific, effective framework is unveiled to ensure each reader channels and utilizes their highest potential as they regain control and steer professional opportunities in their favor, gaining key information as to: Taking stock of their experiences to ensure strategic career moves Discovering how to cultivate and maintain fruitful relationships that support career growth Uncovering how to build a two-year career strategy to move you into future leadership positions Gaining a deeper look into personal and professional branding to ensure alignment with leadership capabilities and career goals Learning how to use their voice in the workplace to advocate for themselves Author, leadership expert, and entrepreneur, Kimberly B. Cummings, has been featured in Forbes, MONEY Magazine, The Wall Street Journal, CNBC, Fox 5, among many others, and is a proud graduate of Long Island University, earning a Bachelor of Science in business administration and Master of Science in counseling. Through Cummings' professional experiences as a career development adviser in some of the nation's top universities and a diversity + inclusion professional in a Fortune 100 company, her highly celebrated book works in tandem with her experiences and sought-after leadership development company, Manifest Yourself, which provides fail-proof solutions to companies looking to engage and retain their workforce. All of us have what it takes to make it in today's competitive and changing world. You may have doubted your ability to get the job done in the past, but something else may have been in the way of your success. The key to achievement has little to do with your education or skill level. The secret to accomplishing great things is simple: find and pursue the kind of work you are meant to do - your purpose. There are so many opportunities, it's difficult to choose, but understanding your life's real purpose will give you the power to have anything you want. So ask yourself: "What do I really want out of my life?" Les Brown will not only help you answer that question, he will also lead you step-by-step toward making each and every one of your dreams come true. This book will help you to: Experience the freedom and power of finding your life's work Focus and take action to pursue your greatness Measure and increase your self-motivation for ongoing success Guard against negative programming Live each day with integrity Separate what you've done from who you are Avoid people and situations that upset you Live in a spirit and attitude of gratitude Become a powerful presence in every area of your life And much, much more! When you choose an occupation that is truly compatible with your preferences, abilities and unique personality, you will at last begin to understand the meaning of true happiness and personal success!

The Science of Getting from Where You Are to Where You Want to Be Gildan Media LLC aka G&D Media

The author examines all 10 of the most common excuses for inaction, and gives you specific strategies for dealing with each one.

It's Not About the Money Simon and Schuster

Hailed by Tony Robbins as the "definitive breathwork handbook," Just Breathe will teach you how to harness your breath to reduce stress, increase productivity, balance your health, and find the path to spiritual awakening. Big meeting jitters? Anxiety over a test or taxes? Hard time focusing? What if you could control your outcomes and change results simply by regulating your breath? In this simple and revolutionary guide, world-renowned pioneer of breathwork Dan Brulé shares the Breath Mastery technique that has helped people in more than fifty countries reduce anxiety, improve their health, and tap infinite stores of energy. Just Breathe reveals the truth that elite athletes, champion martial artists, Navy SEAL warriors, first responders, and spiritual yogis have always known—when you regulate your breathing, you can moderate your state of well-being. So if you want to clear and calm your mind and spark peak performance, the secret is just a breath away. Breathwork gives you the tools to achieve benefits in a wide range of issues including: managing acute/chronic pain; helping with insomnia, weight loss, attention deficit, anxiety, depression, trauma, and grief; improving intuition, creativity, mindfulness, self-esteem, and leadership; and much more. Recommended "for those who wish to destress naturally" (Library Journal), Just Breathe will help you utilize your breath to benefit your body, mind, and spirit.

What people say is not always what they think or feel. But, their gestures do give away their true intentions. For those who know how to read it, the body speaks volumes. This book, packed with the latest research and detailed illustrations, has a strong focus on personal relationships and shows: • How to make a positive impression on others • How to interview and negotiate successfully • How to tell if someone is lying • How to read between the lines of what is said • How to use body language to get what you want • How to recognize love-signs and power-plays David Cohen is a psychologist and editor of Psychology Today. He is author of the best-seller How to Succeed in Psychometric Tests.

Simon and Schuster

Live pain free! Now fully updated and revised throughout, this million-copy bestseller will help you feel and move better. "This book is extraordinary, and I am thrilled to recommend it to anyone who's interested in dramatically increasing the quality of their physical health."—Tony Robbins With a new foreword by John Lynch, Hall of Fame NFL safety and general manager of the San Francisco 49ers Starting today, you don't have to live in pain. That is the revolutionary message of the Egoscue

Method, a breakthrough system for eliminating musculoskeletal pain without drugs, surgery, or expensive physical therapy. Developed by Pete Egoscue, an internationally renowned physiologist and injury consultant to some of the most successful performers in all walks of life, the Egoscue Method has helped millions of people with an astounding success rate of over 90 percent. The Method uses a series of gentle exercises and carefully constructed stretches called "E-cises" to teach the body to return to its natural, pain-free state. Inside, you'll find detailed photographs and step-by-step instructions for dozens of E-cises specifically designed to provide quick and lasting relief of • joint discomfort, including back and neck pain; achy knees, hips, and shoulders; arthritis; and injured ankles. • muscle and soft-tissue problems, including rotator cuff injuries, tendinitis, and common foot ailments. • shooting pains, including sciatica and carpal tunnel syndrome. • and much more, including headaches, vertigo, and fatigue. With this book, you're on your way to regaining the greatest gift of all: a pain-free body!

[The Power of Purpose](#) Penguin

NATIONAL BESTSELLER • "A startling vision of what the cycles of history predict for the future."—USA Weekend William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, *The Fourth Turning* illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America's past will predict its future. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four eras—or "turnings"—that last about twenty years and that always arrive in the same order. In *The Fourth Turning*, the authors illustrate these cycles using a brilliant analysis of the post-World War II period. First comes a High, a period of confident expansion as a new order takes root after the old has been swept away. Next comes an Awakening, a time of spiritual exploration and rebellion against the now-established order. Then comes an Unraveling, an increasingly troubled era in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth

Turning—when society passes through a great and perilous gate in history. Together, the four turnings comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. The Fourth Turning offers bold predictions about how all of us can prepare, individually and collectively, for America's next rendezvous with destiny.

On Fire Xlibris Corporation

Presents a motivational program for African Americans to train the mind so they can overcome societal roadblocks to achieve empowerment and the life of their dreams.

Inner Strength John Wiley & Sons

Wall Street Journal bestseller "A welcome revelation." --The Financial Times Award-winning Wharton Professor and Choiceology podcast host Katy Milkman has devoted her career to the study of behavior change. In this ground-breaking book, Milkman reveals a proven path that can take you from where you are to where you want to be, with a foreword from psychologist Angela Duckworth, the best-selling author of *Grit*. Change comes most readily when you understand what's standing between you and success and tailor your solution to that roadblock. If you want to work out more but find exercise difficult and boring, downloading a goal-setting app probably won't help. But what if, instead, you transformed your workouts so they became a source of pleasure instead of a chore? Turning an uphill battle into a downhill one is the key to success. Drawing on Milkman's original research and the work of her world-renowned scientific collaborators, *How to Change* shares strategic methods for identifying and overcoming common barriers to change, such as impulsivity, procrastination, and forgetfulness. Through case studies and engaging stories, you'll learn: • Why timing can be everything when it comes to making a change • How to turn temptation and inertia into assets • That giving advice, even if it's about something you're struggling with, can help you achieve more Whether you're a manager, coach, or teacher aiming to help others change for the better or are struggling to kick-start change yourself, *How to Change* offers an invaluable, science-based blueprint for achieving your goals, once and for all.

Tony Robbins Simon and Schuster

Multimillion-copy bestselling author of *Awaken the Giant Within* and *Unlimited Power* has created a new 7-step blueprint for securing financial freedom. Based on extensive research and one-on-one interviews with more than 50 of the most legendary financial experts in the world - from Carl Icahn, to Warren Buffett, to Jack Bogle and Steve Forbes, Tony Robbins. Robbins has a brilliant way of using metaphor and story to illustrate even the most complex financial concepts - making them simple and actionable. With expert advice on our most important financial decisions, Robbins is an advocate for the reader, dispelling the myths that often rob people of their financial dreams. Tony Robbins walks readers of every income level, through the steps to become financially free by creating a lifetime income plan. This book delivers invaluable information and essential practices for getting your financial house in order. It's the book millions of people have been waiting for.

The Fourth Turning Albert Whitman & Company

ABOUT THE ORIGINAL BOOK: In his book, Anthony Robbins presents his basic theory of the power of attitude and individual thought. The theory states that the essential problem of people is not in the circumstances that they live with, but in the vital attitude which they assume. "Life will pay any price you ask," says the author, but then clarifies that it is necessary to give our best in any activity that we engage in. The quest for success is to know exactly what one aspires to achieve and then moving on with the action plan that allows that desire to be fulfilled. "Unlimited Power" shows you the steps that you must take on the path that will guarantee the success and achievement of your goals. It is a guide for your actions that will bring you to a good life.
